Love a La Carte Dr. Shirley Jordan Bailey, 2020-11-24 This is not a once upon a time book. Life has been a fight. Each self-contained chapter is packed with revealing episodes of an extraordinary life. It is a sharing of her marriage, career, and children, and how love and sabotage lived as partners. In this book, I reflect on the life long friendships that sustained me through the years, and the world travel that has been integral in the enjoyment and enrichment of eight of Shirley's dearest friends. Portions of this book read like a travel log from the Carribean islands to the Great Barrier Reefs of Australia and the capitals of Europe. From the Great Wall of China to the Wailing Wall of Jerusalem, Shirley has shared meaningful memories with her friends. The book highlights her extraordinary children and their own careers as Ivy League trailblazers, as well as their lives and accomplishments. Also included are love letters to her amazing eight grandchildren, whose careers and ambitions span globally due to their early exposure to world travel. Between the anecdotes of her career and family life, the author shares witticisms of her parents and grandparents, favorite quotes, songs and humorous stories that are sure to leave you smiling. Also included are perspectives on challenges like Waiting, Electronic Devices, and even a day she overslept. This book shares the power of a positive attitude and is sure to stay on your nightstand as inspiring reading when faced with a need to overcome or persevere.

Human Documents of the Lloyd George Era E. Royston Pike,2023-11-06 First published in 1972, *Human Documents of the Lloyd George Era* presents the years when Lloyd George was in his prime, and his career in peace and war may be seen as the frame in which the 'documents' find their proper place; but the book's real subject is not Lloyd George, it is the People, with whom he identified himself and spent his long life trying to serve. For the purpose of this book Lloyd George Era is taken as the period from 1905. The early documents enable us to reconstruct a vivid picture of life as it was lived 'before the war' by such people as London artisans, Middlesbrough ironworkers, Lancashire factory hands, Northumbrian pit-folk and farm labourers, while extracts from reports of the first 'Lady Factory Inspectors' and of the great Royal Commission on the Poor Law highlight the grim situation of the 'Pauper Host'. With the outbreak of war, the mood changes, as Lloyd George leads the People in a massive war effort on the home front, producing munitions and trying to maintain normal industrial output. A glimpse is given of the various contributions made by women. Out of a vast mass of tiny details a picture emerges of an essentially peace-loving people joining forces to achieve what Lloyd George called 'the bloodstained stagger' to victory. This is an essential read for students of British history.
