Emily's Best Birthday Party Ever! Mary Nestor-Harper,2014-03-10 Emily's birthday has finally arrived, and she's so excited! She's having a party with all her friends, complete with a special magic castle cake and a sparkly welcome walkway to greet her friends. She's even having a famous children's TV show magician to entertain her friends! At least that's what was planned. But a morning rainstorm soon washes away the hopes of the best birthday party ever, leaving Emily to fear it is going to be the worst! Emily's mom helps her through the disappointment by sharing all the fun things she did at her birthday parties when she was a little girl. Through resourcefulness, a few found objects, and a little creative thinking from their "Imagination-Inspiration" hats, Emily's mom helps Emily see that even though things don't work out the way you planned, you can have a lot of fun and excitement by trying new things and experiences. Skeptical at first, Emily is drawn into the excitement and fun of some old-fashioned children's games and a homemade birthday cake. Her dad, her little brother, and even their dog, Barky, get swept into the growing excitement, and her friends agree that her party was the best birthday party ever! *Emily's Best Birthday Party Ever!* is a delightful story about children and parents who love and support each other through life's up and downs. It deals with the fact that things don't always work out as planned, but with a little resourcefulness, creative thinking, and trust, there is a solution to any problem. It's a story about parents letting children go through the painful process of disappointment and helping them work through it to find creative solutions. It shows how sharing family traditions, like the mom's birthday party games, are important to preserving culture and the simple pleasures of years gone by. It's a story of how a family supports each other by working together. The book includes instructions for all of Emily's party games, the Imagination-Inspiration hats, and her special three-layer birthday cake so you can have a party just like hers and share in the fun. The games are fun for kids of all ages. Even grown-ups can have fun playing the games they enjoyed as children. As for Auntie Anna, you'll have to supply your own fun-loving relative or family friend who can add a special type of excitement to any party.

The Best Birthday Party Ever Jennifer LaRue Huget,2011-02-22 My birthday is 5 months, 3 weeks, 2 days, and 8 hours away. Today I'm starting to plan my party. So what if the Big Day's not exactly around the corner? This little girl is planning her party now. She has to, if she wants to have the best birthday party ever. She'll have the tallest birthday cake in the world, plus camels, elephants, a ferris wheel (of course), and a castle . . . with a moat. Kids will laugh out loud at the girl's wild plans, and love the oh-so-sweet ending, which involves a modest but fun party. Jennifer LaRue Huget and LeUyen Pham brilliantly capture what it feels like to be the Birthday Girl—a feeling many children will relate to.

A Day in the Life of a Pair of Trousers and Other Stories Brian A Curtis, 2016-06-30 A Day in the Life of a Pair of Trousers and Other Stories: 48 Stories for Use in Christian Worship and on Other Occasions offers worship leaders a treasury that opens up the Scriptures to children. The storyteller, Brian A. Curtis, recognizes the deep need for churches to share biblically grounded stories with children who come to worship, especially in congregations where worship tends to cater to adults. He also acknowledges the difficulties faced in asking children, who are unfamiliar with church practices, to gather at the front of the church. As a consequence, A Day in the Life of a Pair of Trousers and Other Stories is designed to work well with children, particularly with those who wish to remain seated with their families. The stories use simple, colourful, and enchanting language to tell memorable tales that bring key biblical themes and texts to life. They can be read aloud, straight from the page, to children of all ages. Indeed, adults may well be found listening and engaged in the stories. Forty-four of the stories stand on their own. The remaining four are linked in episodic format intended to be used over consecutive worship services. This collection of forty-eight stories equips worship leaders to offer uplifting biblical messages to children, especially to those who may be unfamiliar with Christian worship.

Paris Is a Party, Paris Is a Ghost David Hoon Kim, 2021-08-03 In a strangely distorted Paris, a Japanese adoptee is haunted by the woman he once loved. When Fumiko emerges after one month locked in her dorm room, she's already dead, leaving a half-smoked Marlboro Light and a cupboard of petrified food in her wake. For her boyfriend, Henrik Blatand, an aspiring translator, these remnants are like clues, propelling him forward in a search for meaning. Meanwhile, Fumiko, or perhaps her doppelgänger, reappears: in line at the Louvre, on street corners and subway platforms, and on the dissection table of a group of medical students. Henrik's inquiry expands beyond Fumiko's seclusion and death, across the absurd, entropic streets of Paris and the figures that wander them, from a jaded group of Korean expats, to an eccentric French widow, to the indelible woman whom Henrik finds sitting in his place on a train. It drives him into the shadowy corners of his past, where his adoptive Danish parents raised him in a house without mirrors. And it mounts to a charged

intimacy shared with his best friend's precocious daughter, who may be haunted herself. David Hoon Kim's debut is a transgressive, darkly comic novel of becoming lost and found in translation. With each successive, echoic chapter, *Paris Is a Party, Paris Is a Ghost* plunges us more deeply beneath the surface of things, to the displacement, exile, grief, and desire that hide in plain sight.
