Never Lie to a Lady Liz Carlyle,2007-06-19 In her dazzling new historical trilogy, New York Times bestselling author Liz Carlyle plunges readers into the steamy underworld of nineteenth-century London. Among the swirling glitter of English high society, a scandalous rogue gets more than he bargained for in the lady of his desires. Lord Nash is a creature of the night -- his wealth and title provide but a tenuous entrée into polite society. Notorious for his sophisticated manners and a dark, dashing elegance, rumors abound of the men he has bankrupted and the women he's left heartbroken. But when Nash leaves his lair for a rare foray into the ton, he faces a lure of temptation all his own -- an extraordinary moment of passion with a mysterious lady in the moonlight -- and an obsession that will lead him into a hellish world of smugglers, spies, and intrigue. And as for his damsel in disguise, the witty and beautiful Miss Xanthia Neville, he soon learns, is as unattainable as she is tempting. And now Nash must decide if she is also dangerous. . . .

Blueberries for Sal Robert McCloskey,1976-09-30 What happens when Sal and her mother meet a mother bear and her cub? A Caldecott Honor Book! Kuplink, kuplank, kuplunk! Sal and her mother a picking blueberries to can for the winter. But when Sal

wanders to the other side of Blueberry Hill, she discovers a mama bear preparing for her own long winter. Meanwhile Sal's mother is being followed by a small bear with a big appetite for berries! Will each mother go home with the right little one? With its expressive line drawings and charming story, *Blueberries for Sal* has won readers' hearts since its first publication in 1948. The adventures of a little girl and a baby bear while hunting for blueberries with their mothers one bright summer day. All the color and flavor of the sea and pine-covered Maine countryside.—School Library Journal, starred review.

Choices Audrina Patridge, 2024-03-05 A Gallery Book. Gallery Books has a great book for every reader. --

Microtimes , 1996-05

Inside Out & Back Again Thanhha Lai, 2013-03-01 Moving to America turns H&à's life inside out. For all the 10 years of her life, H&à has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&à and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&à discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

The Night Diary Veera Hiranandani, 2018-03-06 A 2019 NEWBERY HONOR BOOK A gripping, nuanced story of the human cost of conflict appropriate for both children and adults. -Kirkus, starred review In the vein of *Inside Out and Back Again* and *The War That Saved My Life* comes a poignant, personal, and hopeful tale of India's partition, and of one girl's journey to find a new home in a divided country It's 1947, and India, newly independent of British rule, has been separated into two countries: Pakistan and India. The divide has created much tension between Hindus and Muslims, and hundreds of thousands are killed crossing borders. Half-Muslim, half-Hindu twelve-year-old Nisha doesn't know where she belongs, or what her country is anymore. When Papa decides it's too dangerous to stay in what is now Pakistan, Nisha and her family become refugees and embark first by train but later on foot to reach her new home. The journey is long, difficult, and dangerous, and after losing her mother as a baby, Nisha can't imagine losing her homeland, too. But even if her country has been ripped apart, Nisha still believes in the possibility of putting herself back together. Told through Nisha's letters to her mother, *The Night Diary* is a heartfelt story of one girl's search for home, for her own identity...and for a hopeful future.

The Journal of Beatrix Potter from 1881 to 1897 Beatrix Potter, 2012-04-26 This ebook has been optimised for viewing on colour devices. Between the ages of 15 and 30 Beatrix Potter kept a secret diary written in code. When the code was cracked by Leslie Linder more than 20 years after her

death, the diary revealed a remarkable picture of upper middle-class life in late Victorian Britain. This book provides an illuminating insight into the personality and inspiration of one of the world's best loved children's authors.

Cincinnati Magazine, 1985-12 Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

Great Stories of Suspense Ross Macdonald, 1974 Four complete novels (Dick Francis' Enquiry, Agatha Christie's What Mrs. McGillicuddy Saw!, Kenneth Fearing's The Big Clock, and Ross Macdonald's The Far Side of the Dollar), eleven stories, and a novella.

Honky Tonk Angel Ellis Nassour, 2008-06-01 Earthy, sexy, and vivacious, the life of beloved country singer, Patsy Cline, who soared from obscurity to international fame to tragic death in just thirty short years, is explored in colorful and poignant detail. An innovator--and even a hell-raiser--Cline broke all the boys' club barriers of Nashville's music business in the 1950s and brought a new Nashville sound to the nation with her pop hits and torch ballads like Walking After Midnight, I Fall to Pieces and Crazy. She is the subject of a major Hollywood movie and countless articles, and her albums are still selling 45 years after her death. Ellis Nassour was the very first to write about Cline and did so with the cooperation of the stars who knew and loved her--including Jimmy Dean, Jan Howard, Brenda Lee, Loretta Lynn, Roger Miller, Dottie West, and Faron Young. He was the only

writer to interview Cline's mother and husbands. This updated edition features not only a complete discography and a host of never-before-published photographs, but includes an afterword that details controversial claims about her birth, the battle between Cline's siblings for her possessions, the amazing influence Cline had on a new generation of singers and, in Cline's own words from letters to a devoted friend, her excitement as her career soared to new heights and her marriage descended to new depths.

The British Workwoman ,1870

Sharp and Dangerous Virtues Martha Moody,2012-10-09 It's 2047 in Dayton, Ohio. In response to food and water shortages, the U.S. government has developed an enormous, and powerfully successful, agricultural area—the "Heartland Grid"—just north of the city. In the meantime, in the wake of declining American power a multinational force has established itself in Cleveland. Behind these quickly shifting alliances lies a troubling yet tantalizing question: what will the American future look like? *Sharp and Dangerous Virtues* is the story of ordinary people caught in situations they had never planned for or even imagined. There are Chad and Sharis, a married couple with two sons, holding out for normal life in their decaying suburb; Tuuro, a

black church custodian whose false confession of murder is used for political purposes; Lila, Dayton's aging, lonely Commissioner of Water, who dreams of being part of the "pure" existence of the Grid residents; and Charles and Diana, idealistic lovers trying desperately to preserve the nature center that has become their refuge. What will these people do? What choices are left for them, and what choices have been taken away? Whom and what can they trust? Novelist Moody—known for her vivid portrayals of complicated characters and relationships in novels such as *Best Friends* and *Sometimes Mine*—weaves together cataclysmic events and the most intimate of human emotions to create a future that seems achingly real. *Sharp and Dangerous Virtues* will change the way you think and feel.

Frat Wars Saxon James, 2021-10-25 We're basically Romeo and Juliet. But dudes. And without all the dying. Chad Being VP of Sigma Beta Psi is wild. I get all the benefits of being in charge with hardly any of the responsibility. Parties, pranks, and frat politics—college life has never been sweeter. Until I meet Bailey Prince. He has the face of a goddamn angel. I don't know where he came from or why I'm so obsessed. But I do know he's a Kappa. And our houses have a rivalry that's written into legend. Bailey At Rho Kappa Tau, I'm a legacy. It's a lot of pressure, but I've always been responsible, never had that rebellious need to rock the boat, and I like it that way. But after a party at Sigma—the jock frat—I meet Chad Doomsen, and for the first time in my life I want to step outside my square. Our houses have always

had a rivalry, but some of the guys seem to hate Chad specifically, and I don't know why. He's surprisingly sweet and kind. At least to me. I need to stay away. A relationship with Chad would be betraying the very legacy that brought me here. But I can't help myself. And it seems, neither can he. Frat Wars is a romance between MCs from rival houses. It has friendly competitions, no hazing, and a swoony romance kept secret.
