Dining Out Katie Rawson, Elliott Shore, 2019-08-12 A global history of restaurants beyond white tablecloths and maître d's, *Dining Out* presents restaurants both as businesses and as venues for a range of human experiences. From banquets in twelfth-century China to the medicinal roots of French restaurants, the origins of restaurants are not singular—nor is the history this book tells. Katie Rawson and Elliott Shore highlight stories across time and place, including how chifa restaurants emerged from the migration of Chinese workers and their marriage to Peruvian businesswomen in nineteenth-century Peru; how Alexander Soyer transformed kitchen chemistry by popularizing the gas stove, pre-dating the pyrotechnics of molecular gastronomy by a century; and how Harvey Girls dispelled the ill repute of waiting tables, making rich lives for themselves across the American West. From restaurant architecture to technological developments, staffing and organization, tipping and waiting table, ethnic cuisines, and slow and fast foods, this delectably illustrated and profoundly informed and entertaining history takes us from the world's first restaurants in Kaifeng, China, to the latest high-end dining experiences.

Bistro Cooking Patricia Wells, 2017-10-10 *Bistro* is warm. *Bistro* is family. *Bistro* is simple, hearty, generous cuisine—robust soups and country omelets, wine-scented stews and bubbling gratins, and desserts from a grandmother's kitchen. Researched and written by Patricia Wells, author of *The Food Lover's Guide to Paris* and *The Food Lover's Guide to France*, together with over 220,000 copies in print, here is a celebration of the no-nonsense, inexpensive, soul-satisfying cuisine of the neighborhood restaurants of France. *BISTRO COOKING* contains over 200 scrumptious bistro recipes made lighter and quicker for the way we cook today. Warm Poached Sausage with Potato Salad. Benoit's Mussel Soup. Guy Savoy's Fall Leg of Lamb. Beef Stew with Wild Mushrooms and Orange, Chicken Basquaise, Pasta with Lemon, Ham, and Black Olives, L'Ami Louis' Potato Cake, Provencal Roast Tomatoes, Pears in Red Wine, and Golden Cream and Apple Tart. Throughout, lively notes and sidebars capture the world of bistro owners in the kitchen, les grands chefs, and more. Selection of the Book-of-the-Month Club. Winner of the 1989 IACP Seagram Food and Beverage Award. Over 166,000 copies in print.

New Bistro Fran Warde, 2009 *New Bistro* profiles a diverse selection of France's best bistros and eateries, from the vintage sophistication of Benoit in Paris, where quality, taste and presentation are of the utmost importance, to the rustic charm of La Colline in the mountains of Provence, with its emphasis on organic, locally sourced ingredients. Acclaimed food writer Fran Warde introduces recipes from 12 cooks who have truly mastered the art of simple, perfectly balanced French food. She outlines the distinctive approach of each to French country cooking, and includes more than 50 of her own recipes, inspired by bistros and eateries from all over France.

DK Eyewitness Travel Guide Norway DK Travel, 2016-08-02 *DK Eyewitness Travel Guide: Norway* will lead you straight to the best attractions this breathtaking country has to offer. Detailed listings will guide you to the best hotels, restaurants, bars, and shops for all budgets, while detailed practical information will help you to get around, whether by train, bus, or car. Plus, DK's excellent insider tips and essential local information will help you explore every corner of Norway effortlessly.

Appetite City William Grimes, 2009-10-13 New York is the greatest restaurant city the world has ever seen. In *Appetite City*, the former New York Times restaurant critic William Grimes leads us on a grand historical tour of New York's dining culture. Beginning with the era when simple chophouses and oyster bars dominated the culinary scene, he charts the city's transformation into the world restaurant capital it is today. *Appetite City* takes us on a unique and delectable journey, from the days when oysters and turtle were the most popular ingredients in New York cuisine, through the era of the fifty-cent French and Italian table d'hôtes beloved of American Bohemians, to the birth of Times Square—where food and entertainment formed a partnership that has survived to this day. Enhancing his tale with more than one hundred photographs, rare menus, menu cards, and other curios and illustrations (many never before seen), Grimes vividly describes the dining styles, dishes, and restaurants succeeding one another in an unfolding historical panorama: the deluxe ice cream parlors of the 1850s, the boisterous beef-and-beans joints along Newspaper Row in the 1890s, the assembly-line experiment of the Automat, the daring international restaurants of the 1939 World's Fair, and the surging multicultural city of today. By encompassing renowned establishments such as Delmonico's and Le Pavillon as well as the Bowery restaurants where a meal cost a penny, he reveals the ways in which the restaurant scene mirrored the larger forces shaping New York, giving us a deliciously original account of the history of America's greatest city. Rich with incident, anecdote, and unforgettable personalities, *Appetite City* offers the dedicated food lover or the casual diner an irresistible menu of the city's most savory moments.

Bistro Laurent Tourondel Laurent Tourondel, Michele Scicolone, 2007-10-15 An acclaimed chef explains how home cooks can prepare new-wave bistro fare that he has popularized in his restaurants, presenting nearly 150 recipes, accompanied by suggested wine pairings.

Paris Bistro Cookery Alexander Watt, 2006 This volume is a collection of all-new original essays covering everything from feminist to postcolonial readings of the play as well as source queries and analyses of historical performances of the play. *The Merchant of Venice* is a collection of seventeen new essays that explore the concepts of anti-Semitism, the work of Christopher Marlowe, the politics of commerce and making the play palatable to a modern audience. The characters, Portia and Shylock, are examined in fascinating detail. With in-depth analyses of the text, the play in performance and individual characters, this book promises to be the essential resource on the play for all Shakespeare enthusiasts.

Istanbul & Surroundings Travel Adventures Samantha Lafferty, 2011-04-15 The second you land in Istanbul two things hit you: how vast it is and how chaotic. The cauldron of noise builds in the morning with the first call to

prayer. As the city springs to life, ferries and tankers weave their way across the Bosphorus Strait from Asia to Europe and traffic chokes the streets. Hundreds of fishermen line the Galata Bridge in search of their daily catch to sell in cafés nestled below, while seagulls swoop and squall. At the end of the bridge, locals crush into the dark passageways at Eminönü's spice market and along the warrens of the Grand Bazaar for another day of haggling.

Curacao Travel Adventures Lynne M. Sullivan, 2011-04-15 We travel to grow a€ our Adventure Guides show you how. Experience the places you visit more directly, freshly, intensely than you would otherwise a€ sometimes best done on foot, in a canoe, or through cultural adventures like art courses, cooking classes, learning the language, meeting the people, joining in the festivals and celebrations. This can make your trip life-changing, unforgettable. All of the detailed information you need is here about the hotels, restaurants, shopping, sightseeing. But we also lead you to new discoveries, turning corners you haven't turned before, helping you to interact with the world in new ways. That's what makes our Travel Adventure Guides unique. The author is fascinated with these islands and her passion comes across in the text, which is lively, revealing and a pleasure to read. Detailed town and regional maps make planning day-trips or city tours easy. Adventures covered range from town sightseeing tours and nature watching to sea kayaking and mountain climbing excursions. Travelers looking for a more relaxed vacation may want to sign up for dance lessons and take part in the local Carnaval or join a local cycling club and tackle some of the most scenic areas - these cultural adventures will introduce you to the people and afford you a truly unique travel experience. This guide focuses on CuraAao primarily and is based on material found in our larger book, Aruba, Bonaire & Curacao Pocket Adventures.

Frenchie: New Bistro Cooking Greg Marchand, 2014-04-01 On a quiet cobblestoned side street north of Les Halles in Paris, a veritable food revolution is happening thanks to chef Greg Marchand's game-changing restaurant, Frenchie. Here are some of his most inspired and deeply original recipes, dishes that are radiant not just in color but in flavor, and filled with alluring hints of international influences. Chutneys, pestos, and flavored vinaigrettes take the place of heavier and more traditional French fare, and the juxtaposition of ingredients (watermelon with ricotta salata; roasted carrots with oranges and avocado; raw baby turnips and juicy pears) adds energy to a once hidebound bistro tradition. To the question "Is there anything new under the sun?" Frenchie answers, unequivocally, "Yes!"

Mixer and Server, 1922

International Directory of Company Histories, 1988

All the Restaurants in New York John Donohue, 2019-05-14 "An emotional trip down memory lane for those of us who count our favorite restaurants as cherished personalities and members of our family." -Danny Meyer, founder of Shake Shack From romantic spots like Le Bernardin to beloved holes-in-the-wall like Corner Bistro, John Donohue renders people's favorite restaurants in a manner that captures the emotional pull a certain place can have on the hearts of New Yorkers. All the Restaurants in New York is a collection of these drawings, characterized by their appealingly loose and gently distorted lines. These transportive images are intentionally spare, leaving the viewer room to layer on their own meaning and draw connections to their own memories of a place, of a time, of an atmosphere. Featuring an eclectic mix of 100 restaurants—from Minetta Tavern to Frankies 457 and River Café—this charming collection of drawings is accompanied by interviews with the owners, chefs, and loyal patrons of these much-loved restaurants. "I love John's spare, romantic, quirky portrayals of iconic New York restaurants so much that I purchased over a dozen of his prints to hang around my office. These places come to define our lives in New York—that job right next to Balthazar, that boyfriend who lived above Prune, that interview that took place at '21' . . .

They deserve this spotlight, this tribute.” –Amanda Kludt, Editor in Chief, Eater “John Donohue is the Rembrandt of New York City’s restaurant facades. His collection is an invaluable, evocative guide to the ever-changing, slowly vanishing landscape of the city’s great dining scene. It belongs on the bookshelf of every devout chowhound and fresser.” –Adam Platt, Restaurant Critic, New York magazine

The Bistro Cookbook Tracy Killick, 2012-08-03 Bring the flavors of France into your own home with *The Bistro Cookbook*, a gorgeous collection of tasty, classic recipes. France is famous for fantastic, intricate cookery, but it's not all haute cuisine. This book shows you that home cooked French recipes can be as simple as they are elegant.

Casino City's Global Gaming Almanac , 2008

International Directory of Company Histories Jay P. Pederson, 2001 Multi-volume major reference work bringing together histories of companies that are a leading influence in a particular industry or geographic location. For students, job candidates, business executives, historians and investors.

Bistro David Bransgrove, 2012-04 A bistro, a uniquely Parisian invention, is like an old friend—as soon as you walk in, there is an air of familiarity, a sense that it's always been there and always will be. Usually a small family-run establishment, the traditional bistro serves timeless, comforting classics and seasonal specialties, in modest surroundings where the service is usually fast and the prices low. The recipes in *Bistro* are some of the many in the repertoire of every good bistro chef. This is food without pretence. But it is food that is delicious and timeless – from the classic onion soup and bouillabaisse to duck breast with peaches to the best tarte au citron and fondant au chocolat.

The Global Japanese Restaurant James Farrer, David Wank, 2023 With more than 120,000 Japanese restaurants around the world, Japanese cuisine has become truly global. Through the transnational culinary mobilities of migrant entrepreneurs, workers, ideas and capital, Japanese cuisine spread and adapted to international tastes. But this expansion is also entangled in culinary politics, ranging from authenticity claims and status competition among restaurateurs and consumers to societal racism, immigration policies, and soft power politics that have shaped the transmission and transformation of Japanese cuisine. Such politics has involved appropriation, oppression, but also cooperation across ethnic lines. Ultimately, the restaurant is a continually reinvented imaginary of Japan represented in concrete form to consumers by restaurateurs, cooks, and servers of varied nationalities and ethnicities who act as cultural intermediaries. *The Global Japanese Restaurant: Mobilities, Imaginaries, and Politics* uses an innovative global perspective and rich ethnographic data on six continents to fashion a comprehensive account of the creation and reception of the global Japanese restaurant in the modern world. Drawing heavily on untapped primary sources in multiple languages, this book centers on the stories of Japanese migrants in the first half of the twentieth century, and then on non-Japanese chefs and restaurateurs from Asia, Africa, Europe, Australasia, and the Americas whose mobilities, since the mid-1900s, who have been reshaping and spreading Japanese cuisine. The narrative covers a century and a half of transnational mobilities, global imaginaries, and culinary politics at different scales. It shifts the spotlight of Japanese culinary globalization from the West to refocus the story on Japan's East Asian neighbors and highlights the growing role of non-Japanese actors (chefs, restaurateurs, suppliers, corporations, service staff) since the 1980s. These essays explore restaurants as social spaces, creating a readable and compelling history that makes original contributions to Japan studies, food studies, and global studies. The transdisciplinary framework will be a pioneering model for combining fieldwork and archival research to analyze the complexities of culinary globalization--
