

Bjp For Delhi

Anirban Ganguly, Shiwanand Dwivedi

Bharatiya Janata Party Pratap Chandra Swain,2001 This Book Critically Examines The Status Of Bjp In Indian Politics Within The Framework Of A Newly Emerging Indian Model Of Alternate Party Combinations.

The BJP and the Compulsions of Politics in India Thomas Blom Hansen,Christophe Jaffrelot,1998 The recent emergence of the Bharatiya Janata Party (BJP) as India's strongest political party has changed the face of Indian politics. The growth of Hindu nationalism, which the BJP largely represents, has been widely debated as a potential threat to the future of democracy in India, to Indian secularism, and to the constitutional protection of India's minorities. This book examines systematically, for the first time, the history of the BJP and its current strategies and dilemmas. Well-known scholars with an intimate knowledge of India's states analyse the specific trajectory of the BJP at the regional level, the structure of its electorates, and the specific challenges it faces in major parts of India. Topical and wide-ranging as well as rigorously historical and empirical, this book will be essential reading for anyone interested in the current transformation of Indian politics.

Amit Shah and the March of BJP Anirban Ganguly,Shiwanand Dwivedi,2019-05-30 The story of Amit Shah's political life, struggles, rise and triumph is little known. For a leader who is often referred to as the Chanakya of Indian politics, who has dominated India's fast-paced and complex political stage since 2014, has altered its electoral map by leading the Bharatiya Janata Party (BJP) to successive historic victories post the May 2014 general elections, there is very little that is recorded or narrated. So, it's no surprise that the curiosity he evokes is ever on the rise. Most of what is written about Amit Shah is based on conjectures, hearsay, assumptions and biases. The real Amit Shah-the once booth-worker and now national president of the largest political party in the world, the master strategist who has pushed the BJP to an organisational pinnacle and yet talks of scaling peaks, a man who is unhesitant in his stand on nationalism and on anything which concerns India's national interest-has remained in the shadows, self-effaced, away from the limelight. The story of how he expanded the BJP into a pan-India party and the convergence of organisational science and ideology that has made the BJP a unique and formidable political entity is a story that needs to be told. The book narrates the personal and political journey of Amit Shah, captures the ideological world that shaped him and gives an account of the party that he is leading and shaping today. It is for the first time that his story is being told-an authentic, no-holds-barred portrayal of one of the most influential leaders of our times. To the political worker, the observer and to anyone even remotely interested in Indian politics, irrespective of their profession or political leaning, especially since the unfolding of Indian politics in the summer of 2014, this is a captivating exploration of the political life and journey of one of its central characters.

The Rise of the BJP Bhupender Yadav,Ila Patnaik,2022-01-17 The Bharatiya Janata Party is an idea that was seeded into the minds of nationalist Jana Sangh leaders when they began to envision India after Independence. Much like the very core the freedom struggle was built on, they saw India as a demographically, culturally and historically cohesive and unified nation - as Bharat. In this book, senior BJP leader and cabinet minister Bhupender Yadav and leading economist Ila Patnaik come together to trace the BJP's journey from its humble roots, through ups and downs and to eventually getting 303 seats in Lok Sabha in 2019 and becoming the world's largest political party. While focusing on the larger economics and political story, the book encapsulates many smaller, yet hugely significant stories of individuals and incidents, which brought the BJP to where it stands now. For the first time ever, *The Rise of the BJP*, tells us the inside story of how one of the most powerful political parties makes decisions, implements ideas and executes policy. Meticulously researched and immensely readable, the book shows us how the BJP fought competing ideologies, political assaults and catapulted to the centre stage of national politics.

How the BJP Wins Prashant Jha,2017-09 What's the secret of Modi's mass appeal? How does the RSS help at election time? Does communal incitement actually win votes? Why did Amit Shah's election maths fail him in Bihar? Prashant Jha answers these questions and more, dissecting the BJP's election machine with authority and insight

Rise of Saffron Power Mujibur Rehman, 2018-05-03 This volume looks at the impact of the landmark 2014 elections and the consequent Assembly elections which have transformed the ideological discourse of India. It discusses a variety of topical issues in contemporary Indian politics, including the Modi wave, Aam Aadmi Party and the challenges it is confronting today, Hindutva and minorities, the decline of the Congress party, changes in foreign policy, as well as phenomena like 'love jihad' and ghar wapsi. It also draws together political trends from across the country, especially key states like Uttar Pradesh, Punjab, Kerala, Tamil Nadu, Telangana and Seemandhra, West Bengal, Jammu and Kashmir, and Meghalaya. The volume will be of great importance to scholars and researchers of Indian politics, public policy, sociology, and social policy.

Swinging the Mandate Dheeraj Sharma, Narayan Singh Rao, 2016-09-05 Is Narendra Modi one of the most successful brands of our times? Was the historic AAP victory in Delhi actually a fluke? How do Indians vote and what influences them? *Swinging the Mandate* is a first-of-its-kind book on political campaign management in India. Prof Dheeraj Sharma, chair of marketing at IIM Ahmedabad, and Narayan Singh Rao discuss how sophisticated campaign management strategies have been utilized in recent elections in India. The book offers excellent case studies from the historic general elections of 2014 and the landslide victory of AAP in the 2015 Delhi elections. It also gives examples of some hard-fought elections in Europe and North America to demonstrate increasing use of principles of marketing and management in campaign management. Armed with comprehensive research and interesting case studies, this accessible book reveals how star campaigners are built, what the marketing mix for a political party looks like, and how elections are won in India.

War Room: The People, Tactics and Technology behind Narendra Modi's 2014 Win Ullekh NP, 2015-01-26 'War Room stands out as an example of real field work and rigorous research... Anyone who wants to understand how decisions are made in India should read this brilliant study of the BJP.' —Dr. Walter K. Andersen, Author of *The Brotherhood in Saffron: The Rashtriya Swayamsevak Sangh and Hindu Revivalism* 'Ullekh NP has crafted a well-researched and gripping narrative of how the BJP seized the moment in 2014. Its penetrating analysis of the personalities, politics and methods of Modi and Amit Shah makes it a useful resource for answering the major question of India's near-term political future: Will the BJP in the Modi era realize its ambition of building 2014 to emerge as the dominant party nationwide?' —Sumantra Bose, Professor of International and Comparative Politics, London School of Economics, Author of *Transforming India: Challenges to the World's largest Democracy* 'Ullekh NP tells the story of Narendra Modi's campaign to lead the world's largest democracy. A man "destined to reign on his own terms", Modi knew that being resilient was more important than being first and fast. Years after *War Room* is published, people will refer to it as the book that told the story of India's most spectacular election in May 2014 in all its subtle and magnificent details.' —Chitra Subramaniam, Award-winning Journalist and Author

BJP and the Indian Politics Gurdas M. Ahuja, 1994

Capital Contest Deepak Bajpai, 2020 *Capital Contest* tells us the story of how the political disruptor managed to disrupt once again and win the capital contest. It also gives deep insights into how the AAP has grown as a political entity. Weaving in candid accounts from the party's key decision-makers and strategists, this book is an essential read not only for those who keenly track politics and sociology, but also for all those who are interested in understanding how India has changed and continues to change and how its politicians must continuously monitor the pulse of the people so as to be in sync with a fast-changing nation.

Citizen Delhi Sheila Dikshit, 2018-02-10 The girl who loved cycling along the tree-lined avenues of a brand new Lutyens' Delhi could never have dreamt that five decades later she would govern, and transform, Delhi as its chief minister – not once, but thrice consecutively. When a politician like Sheila Dikshit, with a career spanning over three decades, chooses to let the reader get a glimpse of her life's journey, the opportunity brings along an element of surprise. In a fascinating account of her life, contoured along the life of the nation and her political party at critical junctures, she creates

a richly patterned universe with deft touches, seamlessly moving between the home and the world, the past and the present. Be it encounters with politics, which she terms 'life at its barest' or the ups and downs of a household, what shines through is the portrait of a modern woman determined to face any eventuality with fortitude, and a deep sense of duty. Interestingly, she never wanted to be in politics, but destiny willed otherwise – a destiny shaped by her liberal upbringing in a Punjabi household. Brought up to be independent, she chose her life partner from another part of India. And that started it all. As the wife of an IAS officer and daughter-in-law of well-known freedom fighter and politician, Uma Shankar Dikshit, with his long association with the Nehru-Gandhi family, she saw governance from both ends. When she began assisting her father-in-law from 1969, her up-close view of politics eventually became a springboard for her own entry into the arena in December 1984, inaugurating a 30-year-long career in politics. The narrative foregrounds a question that the author considers crucial for democracy – how does one deal with the constant tussle between the dictates of governance and the here-and-now preoccupations of party politics?

Electoral Politics in India Suhas Palshikar, Sanjay Kumar, Sanjay Lodha, 2017-02-03 The general elections held in 2014 in India — the largest democracy in the world — to elect the 16th Lok Sabha brought in dramatic results. This important volume explains not only the startling victory of the Bharatiya Janata Party (BJP) but also the equally surprising downfall of the Congress Party. It examines not why BJP won and the Congress lost, but why the scale of BJP's victory and that of Congress's defeat was so very different from the results in the years 2004 and 2009. The volume presents an in-depth analysis of the electoral results, state-wise studies, the factors leading up to these outcomes, and the road India has travelled since then. With contributions from India's leading political scientists, psephologists, sociologists and political commentators, this book will be of great interest to scholars and researchers of Indian politics, democracy and political parties, as well as South Asian studies.

Modi's India Christophe Jaffrelot, 2023-04-11 A riveting account of how a popularly elected leader has steered the world's largest democracy toward authoritarianism and intolerance. Over the past two decades, thanks to Narendra Modi, Hindu nationalism has been coupled with a form of national-populism that has ensured its success at the polls, first in Gujarat and then in India at large. Modi managed to seduce a substantial number of citizens by promising them development and polarizing the electorate along ethno-religious lines. Both facets of this national-populism found expression in a highly personalized political style as Modi related directly to the voters through all kinds of channels of communication in order to saturate the public space. Drawing on original interviews conducted across India, Christophe Jaffrelot shows how Modi's government has moved India toward a new form of democracy, an ethnic democracy that equates the majoritarian community with the nation and relegates Muslims and Christians to second-class citizens who are harassed by vigilante groups. He discusses how the promotion of Hindu nationalism has resulted in attacks against secularists, intellectuals, universities, and NGOs. Jaffrelot explains how the political system of India has acquired authoritarian features for other reasons, too. Eager to govern not only in New Delhi, but also in the states, the government has centralized power at the expense of federalism and undermined institutions that were part of the checks and balances, including India's Supreme Court. *Modi's India* is a sobering account of how a once-vibrant democracy can go wrong when a government backed by popular consent suppresses dissent while growing increasingly intolerant of ethnic and religious minorities.

Electoral Dynamics in the States of India Sandeep Shastri, Ashutosh Kumar, Yatindra Singh Sisodia, 2021-11-22 This empirically rich volume presents a holistic picture of the electoral process in Indian states and the return of the BJP to power. Drawing on the 2019 elections, it presents ground-level data to understand various aspects of elections: the nature of campaigning, caste, class and identity politics, electoral issues, poll strategies of different parties in the fray, electoral issues, electoral verdicts, the contestants, the leadership factor, the formation of government, among other empirical details. The essays underline the determinants of electoral behaviour by looking into the correlation between the background variables of voters and their voting choices. The essays also

compare and contrast the 2019 election verdicts from the earlier elections held in the state under study. A long view of Indian state politics, this book will be essential reference for scholars and researchers of politics, especially political processes, and South Asian studies.

India Under Atal Behari Vajpayee Chandreshwar Prasad Thakur, Devendra P. Sharma, 1999 This Timely Book Unravels The Dramatic Developments Which Catapulted The Bjp To Power At The Center In March 1998, And Captures The Drama And Suspense. Nuclear Tests At Pokhran In May 1998 Is Highlighted With An Analysis Of The Repercussions. The Narrative Sums Up The Fast Paced Events Which Took Place During The Vajpayee Era.

India at the Polls Mahendra Prasad Singh, Rekha Saxena, 2003 The Book Takes A Close Look At The Last Three Lok Sabha Elections Those Of 1996, 1998 And 1999. It Is A Study Of Why Elections Have Become More Frequent Since 1989. The Reason Given Is The Transformation Of The Party System From One Of Congress Dominance To A Multi-Party Configuration Reflecting The Instability Of Minority And/Or Coalition Governments And Hung Parliaments.

What Congress Stands for Indian National Congress. All India Congress Committee, 1951

The Modi Effect Lance Price, 2015-03-24 From the author of *Where Power Lies* and *The Spin Doctor's Diary*, comes a new book that tells the story of Narendra Modi's meteoric rise to power on the international stage, *The Modi Effect: Inside Narendra Modi's Campaign to Transform India*. With exclusive access to the architects of Modi's campaign, Prime Minister Modi and his current cabinet, Mr. Price has delivered an insider's account of this incredible political movement. In examining Modi's character and his position as leader of an increasingly powerful nation, Mr. Price explores the global impact of Modi's victory and its on-going transformation of international politics. On May 16, 2014, Narendra Modi was declared the winner of the largest democratic election ever conducted in human history. But how did this impoverished chai wallah, who sold tea on trains as a boy, rise to become Prime Minister of India? Political parties in the West pride themselves on the sophistication of their election strategies, but they all have a lot to learn from this election. Modi's campaign was a master class in modern electioneering. His team created an election machine that broke new ground in the use of social media, the Internet, mobile phones, and digital technologies. Modi took part in thousands of public events, but in such a vast country it was impossible to visit every town and village in person. How did he do it? Via virtual Modi—a life-sized 3D hologram-beamed to parts of the vast nation he could not reach in person. These pioneering techniques brought millions of young people—the holy grail of election strategists everywhere—to ballot boxes. Under Narendra Modi's leadership the Bharatiya Janata Party (BJP) won a crushing victory in the 2014 general election leaving the Congress Party of the Gandhi political dynasty in disarray. For the first time in the history of India, an opposition leader swept to power with an overall majority. Former BBC correspondent and political consultant Lance Price was granted exclusive access to Prime Minister Modi and his team of advisers to write this book. With complete freedom to tell the story as he found it, Price details Modi's rise to power, the extraordinary election victory, and its aftermath. The book examines Modi's rise, his unprecedented mass appeal despite the controversies surrounding him (including the West shunning him), and the pivotal role he will now play on the international stage. *The Modi Effect* exposes the changing landscape of electioneering in twenty-first century global politics through the story of Modi's campaign, when message management and technological wizardry combined to create a vote-winning colossus.

Capital Conquest Saba Naqvi, 2015-05-02 In 2013, Delhi surprisingly voted the AAP, led by Arvind Kejriwal, into 28 seats out of 70. When Kejriwal resigned as CM 49 days after he was sworn in, the AAP was dismissed as inexperienced and unorganized. After its dismal performance in the 2014 general elections no one believed it had a second chance. Until the 2015 Delhi elections. Winning 67 out of 70 seats, it demonstrated how a party that radically challenges norms of Indian politics can bounce back from defeat. The AAP campaign ticked the right boxes with the promise of populism and a city-wide network of volunteers. In *Capital Conquest*, political journalist Saba Naqvi details the AAP's ingenious election campaign, delving into little-known instances of the party's inner workings, revealing how Kejriwal inspired volunteers and lending fresh insight into the recent

sidelining of its members. A sharp account of the first successful experiment in alternative politics, *Capital Conquest* is the definitive book on the AAP victory.

Coalition Politics and Hindu Nationalism Katharine Adeney, Lawrence Sáez, 2005 This book examines the emergence of the Bharatiya Janata Party (BJP) and the ways in which its Hindu nationalist agenda was affected by the constraints of being a dominant member of a coalition government.

Embracing the Track of Appearance: An Mental Symphony within **Bjp For Delhi**

In some sort of taken by displays and the ceaseless chatter of quick transmission, the melodic elegance and emotional symphony produced by the published term usually fade in to the backdrop, eclipsed by the constant noise and interruptions that permeate our lives. However, situated within the pages of **Bjp For Delhi** an enchanting fictional value full of natural feelings, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, that fascinating masterpiece conducts visitors on a psychological journey, well unraveling the hidden melodies and profound impact resonating within each carefully constructed phrase. Within the depths of this poignant review, we will examine the book is central harmonies, analyze their enthralling publishing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
