

# **Black Eyed Zombies**

**Katharine Turner, Barry Waldo**

**Black Eyed Peas Present: Masters of the Sun** ,2017-08-08 FROM THE MIND OF WILL.I.AM COMES A FUTURISTIC B-BOY ZOMBIE THRILLER, FUSING TOGETHER THE UNLIKELYEST OF GENRES WITH EASE! Masters Of the Sun mixes L.A. Gang culture, B-Boy-ism and Egyptology to tell the heroic tale of a Hip-Hop group from East L.A. who must battle an ancient, alien God sent to earth to continue a Black Curse--which turns drug dealers and gangsters into zombies! With a deep love of the Hip-Hop culture, Zulu-X and his crew go head-to-head with a nefarious ancient order that has infiltrated the inner cities to settle an ancient score. What happens next can only be described as the perfect blend of action, ancient wisdom and street-smarts all rolled into one epic adventure. Boasting one of the most eclectic ensemble cast of characters, Masters of the Sun delivers a powerful social allegory in the form of a new movement...#stayWOKE!!!

Ghost Eye Master Ye GuHun,2020-09-08 The human left the human and the ghost left the ghost. No matter if it's a person or a ghost, if you take the wrong path, I, Li Xiangyang, will come and take you in. After a class reunion, Li Xiangyang's business was in full swing. All sorts of demons and monsters, come to my bowl!

**Eye Witness** T. W. Brown,2010-08 THE DEAD WALK Slip into the skin of common men and women and experience the horror through their eyes. Follow the Zombie Apocalypse from its initial stages to the brink of the abyss, and over...into the pits of an unthinkable Hell on Earth. Tune into your local stations for the latest updates or stay here and follow the story as it unfolds on...Eye Witness: Zombie

**Anna and the Apocalypse** Katharine Turner,Barry Waldo,2018-10-23 School's out for the end of the world. Anna and the Apocalypse is a horror comedy about a teenager who faces down a zombie apocalypse with a little help from her friends. Anna Shepherd is a straight-A student with a lot going on under the surface: she's struggling with her mom's death, total friend drama, and the fallout from wasting her time on a very attractive boy. She's looking forward to skipping town after graduation—but then a zombie apocalypse majorly disrupts the holidays season. It's going to be very hard to graduate high school without a brain. To save the day, Anna, her friends, and her frenemies will have to journey straight to the heart of one of the most dangerous places ever known, a place famous for its horror, terror, and pain...high school. This novel is inspired by the musical feature film, Anna and the Apocalypse.

**Old Yellow Eyes** J G O'Sax,2020-11-18 Eli tries to escapes his destiny but destiny catches up with him. Now he has to dodge black-eyed zombies, rogue priests, and a mentor that speaks in riddles.

**Zombie Eyes** Robert W. Walker,2019-10-24 A LEGION OF THE DEAD ... IN A CITY OF THE DAMNEDIt starts with a sacred crypt, dug centuries ago, discovered under Manhattan. Buried within is a diabolical creature spreading a strange contagion, claiming its victims by the thousands. But the dead aren't staying dead for long... and only one man is qualified to brave the unstoppable zombie army.Psychic detective Abraham Stroud knows the origin of what festers in the unholy pit. Only he can battle the primeval horror as it prepares mankind for the ultimate sacrifice.

**Dia of the Dead** Brit Brinson,2014-09-16 Protecting Romero High from all things supernaturally spooky as Dia Muerto is a tough gig for sixteen-year-old Dia Summers, but it's nothing compared to protecting the ones she loves from real, live-well, formerly alive-zombies. Unlike the zombies that shambled around on set, the real deal don't follow a script. At the majorly important birthday party of her boss' daughter, Dia experiences a series of potentially career-ruining social disasters. Before the night is over, she soon discovers

that the possible cancellation of her show isn't her biggest worry. Armed with what they can find around Bixby Studios, Dia and her friends band together to find out why everyone they know has begun popping up as gray-skinned, black-eyed, limb-nomming zombies. With the ailment spreading, time is running out before Dia is swept up in Hollywood's latest trend.

Zombies Sue L. Hamilton,2007-01-01 Presents zombies as popular characters in the world of horror.

**Campus Beauty's Zombie Guard** Ye GuHun,2020-09-05 He wasn't one of the Five Elements, but rather, someone who had transcended the Three Realms. Chen Daqing's generation's Heavenly Master had turned into a zombie, surviving for a thousand years without being destroyed. Mm. My greatest wish is to be killed. I've already bought a coffin, a mahogany coffin. Very beautiful!

**Zombie Eyes** ,Monea,2020-08-26 Our main character, who sees herself as more of a villain rather than a good-hearted citizen, has no name. Hence why she's addressed as NoName. She has no family, at least none that her memory-absent mind can remember. She'd say she's completely alone because the sarcastic asshole in her head doesn't count, regardless of how many times he's told her that he's an actual person. The only thing she knows for certain is that the world is over, and the stupid, groaning, brain-dead corpses are responsible for that. Just when NoName thinks she's got a grasp on her confusing life, the world throws more complications her way. Enter Bunny and Scotty Moore, odd names, but not as odd as their personalities. Scotty, a seventeen-year-old smartass whose mouth never comes to a halt, somehow worms his way under NoName's cold exterior and gets her to warm up to them. Bunny, on the other hand, possesses a wisdom way beyond that of a twelve-year-old girl. Her innocence and naïve outlook of the world and people somehow manages to turn NoName's negative perspective of herself. When the siblings blackmail NoName to help them find their long-lost brother, with little to no hints of where he's gone, can she help the siblings, and perhaps even (as cliché as it sounds) find herself in the process?

**Zombie Cinema** Ian Olney,2017-03-17 It's official: the zombie apocalypse is here. The living dead have been lurking in popular culture since the 1930s, but they have never been as ubiquitous or as widely-embraced as they are today. Zombie Cinema is a lively and accessible introduction to this massively popular genre. Presenting a historical overview of zombie appearances in cinema and on television, Ian Olney also considers why, more than any other horror movie monster, zombies have captured the imagination of twenty-first-century audiences. Surveying the landmarks of zombie film and TV, from White Zombie to The Walking Dead, the book also offers unique insight into why zombies have gone global, spreading well beyond the borders of American and European cinema to turn up in films from countries as far-flung as Cuba, India, Japan, New Zealand, and Nigeria. Both fun and thought-provoking, Zombie Cinema will give readers a new perspective on our ravenous hunger for the living dead.

**The martial way to the sky** Zhang Wei, As he spoke, the boy sitting by the campfire threw the pierced sweet potato aside, turned around and went out on the edge of the forest, where there were many small pits on the ground, showing that the young man had turned over the sweet potato many times.

**Balancing the World** Wu MuDi,2020-06-17 Some major powers had made a prophecy, Demons, descend! Kill all living creatures! Born without a soul, three years old with a soul in the body. Open your eyes and look at the world. Slaughter is everywhere! They were the focus of the world from the moment they were born, and every force was looking for a way to kill them! As long as he wanted to protect himself and raise his cultivation as fast as possible, then he had to help the Zhuo Family who was in dire straits to escape. Become a monster and drive the enemy out of Ten Thousand Beast Mountain; His soul was ...

**Sleep with One Eye Open** Beau Johnston, 2015-09-04 With cunning, courage and good luck, John survived the horror of the zombie outbreak in Sydney. He fled the city with little more than the clothes on his back, hoping to outrun the savage horde of ghouls that annihilated Sydney's population of four and a half million people. His perilous journey north covered several hundred kilometres of hostile territory, arriving at the outskirts of Coomba Park, the tiny lakeside settlement where he grew up. His family were missing, but he found clues to their location. As he continued his journey to Gloucester, he quickly discovered it is impossible to outrun an enemy that doesn't need sleep. He found his family in time to warn them of the horde of flesh-eating ghouls that would soon arrive on their doorstep. Under the cover of darkness they successfully escaped the ravenous pack of fiends that swarmed through the town. Taking refuge on an abandoned rural property outside the remote village of Nowendoc, the group must evade enemies, both living and undead, as they try to establish a new life for themselves. Struggling to survive with limited supplies, John and his family realise they can't hide forever. Everything they do increases their chances of being discovered. The sleepy country town of Gloucester might be small, but it is just as treacherous as Sydney. Marauding zombies and other survivors create a dangerous environment that can quickly turn lethal; ensnaring the unwary and the unlucky. While searching for supplies in the abandoned homes and businesses of Gloucester, John rapidly learns his presence isn't welcome. He doesn't know who these people are or understand their motives; but they are determined to make his life hell. Join John as he tries to remain one step ahead of this new enemy.

**365 Sketches** Joe Janes, 2011-04-26 On January 19, 2009, Chicago teacher and playwright Joe Janes decided to write a comedy sketch a day for a year. He did that. When he was done, Don Hall of the WNEP Theater Foundation decided to produce them. All of them. In June of 2010, Don and Joe gathered together over 200 Chicago actors and directors and over eleven nights presented 26 shows each featuring two weeks worth of sketches (although one has 15 scenes). Yep. Crazy. All 365 comedy sketches are collected in this book along with a complete list of directors and actors from the Strawdog shows. Joe teaches comedy writing at The Second City and Columbia College.

**White Trash Zombie Apocalypse** Diana Rowland, 2013-07-02 Horror meets humorous urban fantasy in third book of the White Trash Zombie series • Winner of the 2012 Best Urban Fantasy Protagonist by the RT Awards Our favorite white trash zombie, Angel Crawford, has enough problems of her own, what with dealing with her alcoholic, deadbeat dad, issues with her not-quite boyfriend, the zombie mafia, industrial espionage and evil corporations. Oh, and it's raining, and won't let up. But things get even crazier when a zombie movie starts filming in town, and Angel begins to suspect that it's not just the plot of the movie that's rotten. Soon she's fighting her way through mud, blood, bullets and intrigue, even as zombies, both real and fake, prowl the streets. Angel's been through more than her share of crap, but this time she's in way over her head. She'll need plenty of brainpower to fit all the pieces—and body parts—together in order to save herself, her town, and quite possibly the human race. At least for now.

White Zombie Gary D. Rhodes, 2015-09-03 The 1932 horror film *White Zombie* starring Bela Lugosi has received controversial attention from film reviewers and scholars—but it is unarguably a cult classic worthy of study. This book analyzes the film text from nearly every possible viewpoint, using both academic and popular film theories. Also supplied is an extensive intellectual history of the predecessor works to *White Zombie*, as well as information on the significance it carried for subsequent books and films, its theatrical release around the country, its modern cultural influence, and the attempts to restore the film to its original state. Other noteworthy features of this work include an in-depth biography of *White Zombie* director Victor Halperin, the first complete study of his life and

career, and 244 images and photographs.

**The Zombie Book** Nick Redfern, Brad Steiger, 2014-08-18 Rampaging, driven, killing machines. Soulless and dead. Infected and infectious. Zombies. The epidemic of the living dead is stronger than ever in today's pop-culture, but long before exotic viruses, biological warfare, and sinister military experiments brought the dead back to life in our cinemas and on our television screens, there were the dark spells and incantations of the ancient Egyptians, the Sumerians, and the Babylonians. Blending the historical with the modern, the biographical with the literary, the plants and animals with bacteria and viruses, the mythological with the horrifying true tales, *The Zombie Book: The Encyclopedia of the Living Dead* is a comprehensive resource to understanding, combating, and avoiding zombies. More than 250 entries cover everything from hit television shows, books, and movies, including *The Walking Dead*, *World War Z* and *Pride and Prejudice and Zombies*, to zombies' ignominious role in folklore and mythology, such as the Greek god Asclepius, ancient Voodoo religion, and the Native American Wendigo legend. *The Zombie Book: The Encyclopedia of the Living Dead* examines mad cow disease, the Spanish flu pandemic of 1918, the Centers for Disease Control preparing for the end of the world, and much, much more.

Tales from the Flashback: "The Ank Williams Story" Wayne Kyle Spitzer, 2018-05-29 Ha! The flu. You should see 'em: pale and black-eyed as serpents, just lying there in the Rio Grande like zombies. She leaned toward him over the bar again and he caught a whiff of her fragrance, and there was a stirring in his groin he hadn't felt since, well, since he couldn't remember. What do you mean, like zombies? I mean like zombies, like men who are dead but still walking, or lying there staring at the ceiling. See, something attacked us only a few weeks after the Flashback ... something ... new. At first everyone just assumed it was a rogue raptor, because it didn't have a pack—that was the first thing. But then it started talking, like a parrot, I suppose, saying things like 'Pig' and 'Eggsucker,' She laughed her contagious laugh. Can you imagine? A raptor calling you names as it attacked you? Deputies Creebald and Teller put up one hell of a fight, you can be sure, and they did eventually kill it, with Rimshaw's help, but all of them were wounded in the fight, and the deputies worst of all. After that, things started changing around here. At first it was just Creebald and Teller acting strangely, abusing their power, you might say, telling me not to forget to paint on my mole, or insisting Doc Allen wear that ridiculous little vest. But then Marshal Rimshaw started getting into the act, as well, and before any of us knew it we were living in a kind of police state. Decker was the only one who didn't pile on, which is funny, because he was the only one not wounded in the fight with the raptor. It all came to a head when Deputy Teller had his way with one of the saloon girls—Molly, was her name—after which there was a full-blown shootout between the Marshal and his deputies—not Decker, he tried to maintain the peace—and the rest of the town. She unscrewed the cap from a bottle of beer and took a swig, then concealed it behind the bar. You didn't see that. Anyway, the town didn't fair so well, and now there's a row of graves out by Serpent's Butte. She paused, locking her beautiful brown eyes up in his own. They were good men, Williams. The best I've ever known. And now they're just as dead as that raptor. She snapped the bar towel in her hands and then wiped the counter. And that's why we all talk and dress this way. She indicated his empty glass. You want another? Sure, he said. She pulled one from the wall and unscrewed its cap, sat it down in front of him. At last she said, So what about you? What's your story? And how did you come to be travelling with an armored dinosaur?

**Death of a Halloween Party Monster** Lee Hollis, 2023-08-22 Small town traditions are celebrated throughout Maine during the holiday season. But when it comes to Halloween, some people are more than willing to reap a harvest of murder . . . DEATH OF A

HALLOWEEN PARTY MONSTER by LEE HOLLIS Everyone attending Island Times Food and Cocktail columnist Hayley Powell's Halloween bash is dressed as their favorite movie monster from the Bride of Frankenstein and Jaws to Chucky and Pennywise the clown. But when partygoers stumble upon Boris Candy's bludgeoned costumed corpse, it falls to Hayley to discover who among her guests wanted to stop the man from clowning around permanently . . .

As recognized, adventure as without difficulty as experience very nearly lesson, amusement, as skillfully as pact can be gotten by just checking out a books **Black Eyed Zombies** in addition to it is not directly done, you could undertake even more in the region of this life, something like the world.
