The Birth of Top 40 Radio Richard W. Fatherley, David T. MacFarland, 2013-12-07 “Top 40” was the preeminent American radio format of the 1950s and 1960s. Although several radio station group owners offered their own versions of the format, the AM stations owned by Todd Storz and his father were acknowledged as the principal developers of Top 40 radio, and the prime movers in making it a nationwide ratings and revenue success. The Storz Stations in St. Louis, Omaha, New Orleans, Minneapolis–St. Paul, Kansas City, Oklahoma City and Miami are profiled in this book, as are various Storz air personalities and executives. A detailed chapter examines the unique “Storz Station sound,” revealing the complexity of what detractors portrayed as a simplistic format. Another covers Storz advertising in radio trade magazines, which cemented the company’s image as the format’s most successful station group and Top 40 as the

dominant programming of the day. There are extensive quotations from the memoirs of several of the founders of the format.

Chicago Top 40 Charts 1960-1969 Ronald Smith, 2001-08 Music charts have been around as long as recorded music and radio programs from Your Hit Parade to American Top 40 have capitalized on the idea of counting down the day's top hits. Chicago Top 40 Charts 1960-1969 documents those songs that dominated the Midwestern airwaves during that decade- considered by many to be top 40's golden age.

Many of the songs listed did not appear at all on the national charts. Others, including local acts, fared much better in Chicago than in the rest of the country. Chicago Top 40 Charts 1960-1969 contains an alphabetical listing by title and by artist of every tune listed on the WLS Silver Dollar Surveys during those years. It also lists the top 40 songs of each year and for the entire decade, as well as a supplemental listing of songs on the station's Rhythm-and-Blues chart of 1964. For those who grew up listening to radio in the Windy City as well as for record collectors from anywhere, Chicago Top 40 Charts 1960-1969 will be a valued addition to any music reference library.

The Billboard Book of Top 40 R & B and Hip-hop Hits Joel Whitburn, 2006 Back in the days of Louis Jordan and Bullmoose Jackson and His Buffalo Bearcats, swing, and World War II, Billboard magazine started keeping tabs on the best-sellers in record stores in New York City's Harlem. That Harlem Hit Parade chart of 1942, the starting point of this book, was Billboard's first accounting of the growing interest in the music that would come to be known as R&B. Today, more than sixty years later, Billboard is proud to present the first edition of The Billboard Book of Top 40 R&B and Hip-Hop Hits, packed with complete, authoritative chart information on the most popular songs and artists, including everyone from the Nat King Cole Trio to Ray Charles to Mary J. Chicago Top 40 Charts 1970-1979 Ronald Smith, 2001-11 Chicago Top 40 Charts 1970-1979 examines the Windy City's top hits as documented by the weekly record store surveys issued by radio station WLS. As rock 'n' roll music entered its third decade, it was finding itself increasingly fragmented, which challenged the ratings dominance top 40 radio had exhibited throughout the 1960s. But while FM listening overtook

AM in the rest of the country by the decade's end, Chicago was the exception. WLS managed to stave off its competition with their commitment to playing Chicago's favorite music- regardless of genre. That music is documented in this book. *Chicago Top 40 Charts 1970-1979* lists every song to reach the WLS survey alphabetically by title and artist, with debut and peak dates, highest position reached and number of weeks on the charts. The top songs of each year and for the entire decade are ranked as well. As an added bonus, it features the Big 89 Artists of the 1970s. For those who grew up listening to Chicago radio as well as for record collectors from anywhere, *Chicago Top 40 Charts 1970-1979* will be a valued addition to their music reference libraries.

Janet Jackson: All the Top 40 Hits Craig Halstead,2017-06-12 The youngest of ten children, Janet Jackson was a child actress before she turned to music and she didn't release her debut album until 1982, when she was just 16. However, she had little involvement with her first two albums, and it wasn't until she took control of her own career in 1986 that she found international success with the lead single from her third album, 'What Have You Done For Me Lately'. Her latest album, UNBREAKABLE, debuted on Billboard's album chart at no.1 - her seventh chart topping album in the United States. Janet has won five Grammy Awards, and she has starred in several successful films.The Top 40 hit singles, albums and music videos detailed in this book are listed chronologically, according to the date they first entered the Top 40 in one of twenty countries. WCFL Chicago Top 40 Charts 1965-1976 Ron Smith,2007-03 WCFL Chicago Top 40 Charts 1965-1976 lists, by title and artist, every tune that charted on the WCFL-AM weekly music surveys in the Windy

City from the first chart in late 1965 through the final survey in February of 1976 (less than a month before the station itself stopped playing top 40 music altogether). WCFL's status as Chicago's second great top 40 radio station should in no way diminish the memory of what it accomplished and the enjoyment it brought to the city in a little over a decade-a decade that can truly be called the golden age of Chicago top 40 radio. Combining high energy, attitude and musical daring, WCFL even managed at one point to dethrone perennial top 40 powerhouse WLS-AM. Re-live the days of The Voice of Labor with these rankings of the top songs of each year, the top artists and songs of the decade and a listing of every #1 hit.
