Ruby Programming for the Absolute Beginner Jerry Lee Ford (Jr.), Jerry Lee Ford, 2007 Targeting the novice, this guide teaches the basics of computer programming with Ruby through the creation of

simple computer games. Not only will this learn by doing approach provide programmers with an instant sense of accomplishment, but its also a fun way to learn.

The Ugly Truth Jeff Kinney,2017-02-22 While trying to find a new best friend after feuding with Rowley, middle-school slacker Greg Heffley is warned by older family members that adolescence is a time to act more responsibly and to think seriously about his future.

The Sense of an Ending Julian Barnes,2011-10-05 BOOKER PRIZE WINNER • NATIONAL BESTSELLER • A novel that follows a middle-aged man as he contends with a past he never much thought about—until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly present. A novel so compelling that it begs to be read in a single setting, *The Sense of an Ending* has the psychological and emotional depth and sophistication of Henry James at his best, and is a stunning achievement in Julian Barnes's oeuvre. Tony Webster thought he left his past behind as he built a life for himself, and his career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her own. But when he is presented with a mysterious legacy, he is forced to revise his estimation of his own nature and place in the world.

Los Angeles Magazine ,2005-06 Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service

journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

Lover Eternal J. R. Ward, 2012 Fierce warrior and legendary lover, Rhage, a vampire cursed by the Scribe Virgin and owned by the dark side, finds salvation in Mary Luce, the innocent young beauty he has sworn to protect.

Reality Is Broken Jane McGonigal, 2011-01-20
“McGonigal is a clear, methodical writer, and her ideas are well argued. Assertions are backed by countless psychological studies.” –The Boston Globe “Powerful and provocative . . . McGonigal makes a persuasive case that games have a lot to teach us about how to make our lives, and the world, better.” –San Jose Mercury News “Jane McGonigal's insights have the elegant, compact, deadly simplicity of plutonium, and the same explosive force.” –Cory Doctorow, author of Little Brother A visionary game designer reveals how we can harness the power of games to boost global happiness. With 174 million gamers in the United States alone, we now live in a world where every generation will be a gamer generation. But why, Jane McGonigal asks, should games be used for escapist entertainment alone? In this groundbreaking book, she shows how we can leverage

the power of games to fix what is wrong with the real world—from social problems like depression and obesity to global issues like poverty and climate change—and introduces us to cutting-edge games that are already changing the business, education, and nonprofit worlds. Written for gamers and non-gamers alike, *Reality Is Broken* shows that the future will belong to those who can understand, design, and play games. Jane McGonigal is also the author of *SuperBetter: A Revolutionary Approach to Getting Stronger, Happier, Braver and More Resilient*.

Dueling with Kings Daniel Barbarisi, 2017-03-07
In the spirit of *Bringing Down the House* and *The Wolf of Wall Street*, “an engrossing and often hilarious behind-the-scenes look at the characters, compulsions, and chaos inside the fantasy sports gold rush. It’s the perfect meld of a sports and business book, engagingly written like a fun, page-turning novel” (*The Wall Street Journal*). Daniel Barbarisi quit his job as a New York Yankees beat writer and began a quest to join the top one percent of Daily Fantasy Sports (“DFS”) players, the so-called “sharks,” in hopes to discover the secrets behind this phenomenon—and potentially make some money along the way. DFS is fantasy sports on steroids. It’s the domain of bitter rivals FanDuel and DraftKings, online juggernauts who turned a legal loophole into a billion-dollar industry by allowing sports fans to bet piles of cash constructing fantasy teams. Yet as Barbarisi quickly realizes, what should have been a fun companion to casual sports viewing was instead a ferocious environment infested with

sharks, a top tier of pros wielding complex algorithms, drafting hundreds of lineups, and wagering six figures daily as they bludgeon unsuspecting amateur “fish.” Barbarisi embeds himself inside the world of DFS, befriending and joining its rogue’s gallery as he tries to beat them at their own game. In a work equal parts adventure and rigorously reported investigation, Barbarisi wades into this chaotic industry at the very moment its existence is threatened by lawmakers sick of its Wild West atmosphere and pushy advertising. All their money made FanDuel and DraftKings seem invincible; but, as Barbarisi reports, they made plenty of dubious—perhaps even scandalous—moves as they vied for market supremacy. In *Dueling with Kings*, Barbarisi uncovers the tumultuous inside story of DFS, all while capturing its peculiar cast of characters, from wide-eyed newly minted millionaires, to sun-starved math geeks, to bros living an endless frat party of keggers and Playboy Bunnies. Can he outwit them all and make it to the top?

The Selfish Crocodile Faustin Charles, 2014-06-26
All of the animals are afraid of the Selfish Crocodile - he never let's them into his river, and he's always so snappy! And so when the Selfish Crocodile finds himself in terrible pain, no-one wants to help him - after all, what if he gobbles them up? But, to everyone's surprise, there is one animal in the forest who is willing to help . . . A brilliant tale of friendship, *The Selfish Crocodile* has become a picture book classic.

Evolve Or Die John Shannon, 2022-10-25 For fans of Michael McKinley’s *Hockey: A People’s History*

and Bob Cole's *Now I'm Catching On*—a book about what's changed in hockey, what never should, and a celebration of what we love about the game, from the broadcaster, analyst, and longtime executive producer of *Hockey Night in Canada*, John Shannon. For decades, *Hockey Night in Canada* has been the gold standard not just for hockey broadcasts, but for all sports across North America. It shows the stories of the game: on-ice heroics, the love and support of family, small-town values, and big-city lights. Meet the person who shaped that standard. John Shannon was the longtime executive producer of *Hockey Night in Canada*, starting at the bottom and working his way up through the 1980s and 1990s. He has a unique view of the game and how the way we enjoy it has developed. Technology plays a role, but it's about the storytelling—modern-day gladiators and their trials—and hockey provides endless good stories. Shannon's world behind the scenes is every bit as colourful and unexpected as what happens on the ice—and just as full of rich characters. From standing up to the Edmonton Oilers' mighty Glen Sather to ordering then Prime Minister Pierre Elliott Trudeau to keep out of a dressing room, these stories illuminate the big moments and people that have made the game special. Shannon captures a nostalgia for the great broadcasts of the past—complete with baby blue *Hockey Night in Canada* blazers—and a pride in how far we've come in improving the game and expanding on the stories we tell. He also shares the keys to a long and successful career: integrity, loyalty, determination, and above all passion. Much has

changed in the sport and how we enjoy it, but Shannon's career shows that some things must always remain.

My Truck Is Stuck! Kevin Lewis, 2014-07-29 My Truck Is Stuck. Rotten luck. Can't go! My truck is stuck. Tug and tow. Two engines roar. But the truck won't go. Not one inch more. Does anyone know how to make my stuck truck go? In this lyrical read-aloud, young drivers are introduced to the ins and outs of hauling, beeping, and repairing -- get ready for a fun ride!

Roughnecks Thomas Cochran, 1999 Travis Cody prepares for the final game of his high school football career, a rematch with his school's chief rival.

The Trump White House Ronald Kessler, 2018-04-03 The unvarnished and unbiased inside story of President Donald Trump and his White House by New York Times bestselling author Ronald Kessler Based on exclusive interviews with the president and his staff, *The Trump White House: Changing the Rules of the Game* tells the real story of what Donald Trump is like, who influences him, how he makes decisions, what he says about the people around him, and how he operates when the television lights go off, while portraying the inside story of the successes that have already brought solid results as well as the stumbles that have turned off even longtime supporters and undercut his agenda. *The Trump White House* reveals: • Trump aides Ivanka Trump and her husband Jared Kushner have been responsible for Trump's most disastrous decisions. Trump is aware that his daughter and son-in-law are problems and has hinted to them

that they should go back to New York. Seeing Jared on TV, Trump said, "Look at Jared, he looks like a little boy, like a child." • First Lady Melania Trump has a tremendous impact on policy and strategy. She sits in on meetings and is widely admired by aides for her judgment. • Kellyanne Conway is the No. 1 White House leaker. • Trump's Secret Service Director Randolph "Tex" Alles proposed withdrawing protection from some Trump family members and aides to save money. Horrified White House staffers shot down the idea. • Trump has told friends that billionaires are constantly asking him to fix them up with longtime Communications Director Hope Hicks, a former model, but he says he refuses. • Trump calls certain reporters directly, feeding them stories attributed to "a senior White House official," creating the impression that the White House leaks even more than it already does. Never before has an American president had so much impact on the country and the world in so short a time as Donald Trump. Yet no president has stirred so much controversy, dominating media coverage and conversation both pro and con. Months after Trump took office, consumer confidence hit a seventeen-year high, unemployment plummeted to the lowest level in seventeen years, and the stock market zoomed to repeated record highs. At the same time, ISIS was nearly defeated, Arab countries banded together to stop financing terrorists and promoting radical Islamic ideology, and Trump's decision to send missiles into Syria because of its use of chemical weapons and his strident warnings to North Korean leader Kim Jong-un made

it clear to adversaries that they take on the United States at their peril. Yet for all the media coverage, Trump remains a cipher. Ronald Kessler has known Trump and First Lady Melania Trump for two decades and understands him better than any other journalist. The book includes an exclusive interview with Trump, the only interview he says he has given or will give for a book as president. Crammed with media-grabbing revelations. The Trump White House is the unvarnished and unbiased inside story that answers the question: Who is Donald Trump?

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit "reply all"
- you're being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate's loud speakerphone is making you homicidal
- you got drunk at the holiday party

Praise for Ask a Manager "A must-read for anyone who works . . .

[Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Cincinnati Magazine ,2006-01 Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

The Baby Goes Beep Rebecca O'Connell,2020-05-15 See how the baby goes... Beep... Boom... Flip Yum... Splash... Smooch! Busy Baby!

Black Chalk Christopher J. Yates,2015-08-04 A compulsively readable psychological thriller set in New York and at Oxford University in which a

group of six students play an elaborate game of dares and consequences with tragic result. It was only ever meant to be a game played by six best friends in their first year at Oxford University; a game of consequences, silly forfeits, and childish dares. But then the game changed: The stakes grew higher and the dares more personal and more humiliating, finally evolving into a vicious struggle with unpredictable and tragic results. Now, fourteen years later, the remaining players must meet again for the final round. Who knows better than your best friends what would break you? A gripping psychological thriller partly inspired by the author's own time at Oxford University, *Black Chalk* is perfect for fans of the high tension and expert pacing of *The Secret History* and *The Bellwether Revivals*. Christopher J. Yates' background in puzzle writing and setting can clearly be seen in the plotting of this clever, tricky book that will keep you guessing to the very end.

The Freedom Writers Diary (20th Anniversary Edition) The Freedom Writers, Erin Gruwell, 2007-04-24 #1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell. Now a public television documentary, *Freedom Writers: Stories from the Heart*. In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of "unteachable, at-risk" students. She had intercepted a note with an

ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank’s diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the “Freedom Writers.” Consisting of powerful entries from the students’ diaries and narrative text by Erin Gruwell, *The Freedom Writers Diary* is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture *Freedom Writers*. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. *The Freedom Writers Diary* remains a vital read for anyone who believes in second chances.

A Little SPOT of Feelings Diane Alber, 2020-07-24
Gives coping and managing techniques to deal with ones emotions.

This Engaging World of E-book Books: A Detailed Guide Unveiling the Advantages of E-book Books: A
