Why Geography Matters, More Than Ever Harm de Blij,2012-09-06 This work was first published by Oxford University Press in 2005 as *Why Geography Matters: Three Challenges Facing America*.

The Power of Place Harm J. De Blij,2010 Harm de Blij contends in this book that geography continues to hold us all in an unrelenting grip and that we are all born into natural and cultural environments that shape what we become, individually and collectively.

The Geography of Wine Percy H.

Dougherty,2012-01-02 Wine has been described as a window into places, cultures and times. Geographers have studied wine since the time of the early Greeks and Romans, when viticulturalists realized that the same grape grown in different geographic regions produced wine with differing olfactory and taste characteristics. This book, based on research presented to the Wine Specialty Group of the Association of American Geographers, shows just how far the relationship has come since the time of Bacchus and Dionysus. Geographers have technical input into the wine industry, with exciting new research tackling subjects such as the impact of climate change on grape production, to the use of remote sensing and Geographical Information Systems for improving the quality of crops. This book explores the interdisciplinary connections and science behind world viticulture. Chapters cover a wide range of topics from the way in which landforms and soil affect wine production, to the climatic aberration of the Niagara wine industry, to the social and structural challenges in reshaping the South African wine industry after the fall of

apartheid. The fundamentals are detailed too, with a comparative analysis of Bordeaux and Burgundy, and chapters on the geography of wine and the meaning of the term 'terroir'.

Why Geography Matters Harm de Blij, 2005-09-01 Over the next half century, the human population, divided by culture and economics and armed with weapons of mass destruction, will expand to nearly 9 billion people. Abrupt climate change may throw the global system into chaos; China will emerge as a superpower; and Islamic terrorism and insurgency will threaten vital American interests. How can we understand these and other global challenges? Harm de Blij has a simple answer: by improving our understanding of the world's geography. In *Why Geography Matters*, de Blij demonstrates how geography's perspectives yield unique and penetrating insights into the interconnections that mark our shrinking world. Preparing for climate change, averting a cold war with China, defeating terrorism: all of this requires geographic knowledge. De Blij also makes an urgent call to restore geography to America's educational curriculum. He shows how and why the U.S. has become the world's most geographically illiterate society of consequence, and demonstrates the great risk this poses to America's national security. Peppering his writing with anecdotes from his own professional travels, de Blij provides an original treatise that is as engaging as it is eye opening. Casual or professional readers in areas such as education, politics, or national security will find themselves with a stimulating new perspective on geography as it continues to affect our world.

Harm de Blij's Geography Book Harm J. de

Blij,1995-05-29 The geography editor of Good Morning America looks at how geography will influence the future.

Why Geography Matters Harm de Blij,2005-09

Making an urgent call to restore geography to America's educational curriculum, a renowned geographer shows how and why the U.S. has become the world's most geographically illiterate society of consequence and explains how this illiteracy is a direct risk to America's national security.

Wine--a Geographic Appreciation Harm J. De

Blij,1983 This unusual book offers a wealth of information not only about traditional wine regions of the world, but also about many probably less familiar even to wine enthusiasts. Attention is given to China and Japan, and countries of the Southern Hemisphere - Australia, New Zealand, South Africa, Chile, Argentina - are represented by vintage charts and for all these regions the value of grape varieties is exactly reviewed in relation to soil and climate. Focusing on the hows, whys and wherefores of the geography of wine making, De Blij's book refers in some detail to the political, cultural and economic contexts - as well as to problems of climate and soil - in which viticulture and vinicultural decisions are made.--BOOKJACKET.

Meneertje blij Roger Hargreaves,2013-09-04 Meneertje Blij is altijd vrolijk. Maar dan ontmoet hij iemand die altijd diep ongelukkig is. Lukt het Meneertje Blij om die zielenpiet aan het lachen te krijgen? Meneertje Blij is het derde deeltje van de Mevrouwtjes / Meneertjes-serie. Spaar ze allemaal!

Ik ben blij dat mijn moeder dood is Jennette

McCurdy,2023-02-16 De Amerikaanse mega-bestseller en hartverscheurende must-read nu ook in het Nederlands! 'Zowel aangrijpend als pijnlijk grappig.' The New York Times 'Een belangrijk cultureel document.' Lena Dunham Een

hartverscheurend én hilarisch relaas van de iCarly-ster Jennette McCurdy over haar strubbelingen als voormalig kindster, de gecompliceerde relatie met haar manipulatieve moeder, en hoe ze de controle over haar eigen leven weer terugpakt. Jennette McCurdy was zes jaar oud toen ze haar eerste acteerauditie deed. Het was haar moeders droom dat haar enige dochter een ster zou worden, en Jennette had er alles voor over om haar moeder gelukkig te maken. Ze ging dan ook mee in al haar moeders manipulatieve grillen, ook in wat haar moeder 'caloriebeperking' noemde: weinig eten en zichzelf vijf keer per dag wegen. Zo ontstond er tussen hen een vreemde dynamiek, waarin haar moeder Jennette onder andere tot haar zestiende hoogstpersoonlijk onder de douche zet en ongevraagd bij haar intrekt als ze eindelijk op zichzelf gaat wonen. In Ik ben blij dat mijn moeder dood is schuwt McCurdy geen enkel pijnlijk detail uit haar jeugd. Als de droom eindelijk uitkomt en ze wordt gecast voor de nieuwe Nickelodeon-serie iCarly is haar moeder extatisch, maar wordt Jennette overspoeld door angst, schaamte en zelfhaat, wat zich uiteindelijk vertaalt in eetstoornissen, verslaving en een hoop ongezonde relaties. Het wordt alleen maar erger als haar moeder, vlak nadat ze (naast Ariana Grande) de hoofdrol krijgt in de iCarly-spinoff Sam & Cat, aan kanker overlijdt. Pas na haar dood, door therapie en door te stoppen met acteren, kan Jennette accepteren hoe ongezond en schadelijk hun relatie voor haar is geweest en lukt het om voor het eerst in haar leven écht voor zichzelf te kiezen. Verteld met een verfrissende eerlijkheid en humor is Ik ben blij dat mijn moeder dood is een inspirerend verhaal over weerbaarheid, onafhankelijkheid en het genot van je eigen haar wassen. 'Een meesterwerk... scherpe humor en meelevend.' Ashley Spencer, The Washington Post 'Hoe kan een boek zo droevig en toch zo grappig zijn? Het is een kunst, en

Jennette McCurdy beheerst deze als geen ander. Ik ben blij dat mijn moeder dood is is hysterisch en hartverscheurend en fascinerend tegelijkertijd.' Jenny Lawson, New York Times-bestsellerauteur 'Jennette's carrière als actrice was niet meer dan een personage in een veel belangrijker verhaal. Ze heeft een natuurtalent voor schrijven en een geweldig gevoel voor humor. Haar verhaal is een balans tussen hartverscheurend en hoopvol. Ik kon dit boek niet wegleggen.' Laraine Newman, Saturday Night Live Jennette McCurdy (1992) speelde in Nickelodeons populaire serie iCarly, de spin-off Sam & Cat en in de Netflix-serie Between. In 2017 stopte ze met acteren om te gaan schrijven en regisseren. Haar films werden op verschillende Amerikaanse filmfestivals vertoond, en haar essays verschenen in de HuffPost en The Wall Street Journal. Haar onewomanshow I'm Glad My Mom Died was tot twee keer toe uitverkocht in het Lyric Hyperion Theatre en het daaruit voortvloeiende gelijknamige boek werd in no time een mega-bestseller. Ze woont in Los Angeles.
