Fearless Salary Negotiation Josh Doody,2015-12-02

Results Bruce A. Pasternack,Gary L. Neilson,2005-10-18 Every company has a personality. Does yours help or hinder your results? Does it make you fit for growth? Find out by taking the quiz that’s helped 50,000 people better understand their organizations at OrgDNA.com and to learn more about Organizational DNA. Just as you can understand an individual’s personality, so too can you understand a company’s type—what makes it tick, what’s good and bad about it. Results explains why some organizations bob and weave and roll with the punches to consistently deliver on commitments and produce great results, while others can’t leave their corner of the ring without tripping on their own shoelaces. Gary Neilson and Bruce Pasternack help you identify which of the seven company types you work for—and how to keep what’s good and fix what’s wrong. You’ll feel the shock of recognition (“That’s me, that’s my company”) as you find out whether your organization is: • Passive-Aggressive (“everyone agrees, smiles, and nods, but nothing changes”): entrenched underground resistance makes getting anything done like trying to nail Jell-O to the wall • Fits-and-Starts (“let 1,000 flowers bloom”): filled with smart people pulling in different directions • Outgrown (“the good old days meet a brave new world”): reacts slowly to market developments, since it’s too hard to run new ideas up the flagpole • Overmanaged (“we’re from corporate and we’re here to help”): more reporting than working, as managers check on their subordinates’ work so they can in turn report to their bosses • Just-in-Time (“succeeding, but by the skin of our teeth”): can turn on a dime and create real breakthroughs but also tends to burn out its best and brightest • Military Precision (“flying in formation”): executes brilliant strategies but usually does not deal well with events not in the playbook • Resilient (“as good as it gets”): flexible, forward-looking, and fun; bounces back when it hits a bump in the road and never, ever rests on its laurels For anyone who’s ever said, “Wow, that’s a great idea, but it’ll never happen here” or “Whew, we pulled it off again, but I’m tired of all this sprinting,” Results provides robust, practical ideas for becoming and remaining a resilient business. Also available as an eBook From the Hardcover edition.

EGO IS THE ENEMY Ryan Holiday,2019-04-08 Buku yang Anda pegang saat ini ditulis dengan satu asumsi optimis: Ego Anda bukanlah kekuatan yang harus Anda puaskan pada setiap kesempatan. Ego dapat diatur. Ego dapat diarahkan. Dalam buku ini, kita akan melihat orang-orang, seperti William Tecumseh Sherman, Katharine Graham, Jackie Robinson, Eleanor Roosevelt, Bill Walsh, Benjamin Franklin, Belisarius, Angela Merkel, dan George C. Marshall. Bisakah mereka mendapatkan yang telah mereka dapatkan sekarang—menyelamatkan perusahaan yang hampir bangkrut, menguasai seni peperangan, menjaga kekompakan tim bisbol, merevolusi strategi rugby, melawan tirani, dan menghadapi ketidakberuntungan—jika ego menguasai mereka dan membuat mereka hanya memikirkan diri sendiri? Hal yang membuat mereka sukses adalah pemahaman terhadap realitas dan kesadaran—sesuatu yang pernah dikatakan oleh seorang penulis dan ahli strategi Robert Greene, “kita perlu menyerupai laba-laba dalam sarangnya”. Itulah inti dari kehebatan mereka, kehebatan penulisan, kehebatan desain, kehebatan bisnis, kehebatan dalam pemasaran, dan kehebatan kepemimpinan mereka. Yang kami temukan saat mempelajari orang-orang tersebut adalah mereka selalu memiliki dasar berpikir, berhati-hati, dan realistis. Tidak ada satu pun dari mereka yang tidak memiliki ego sama sekali. Akan tetapi, mereka tahu cara meredamnya. Tahu cara menyalurkannya dan melepaskannya, ketika ego muncul. Mereka hebat namun tetap rendah hati. Sebentar, tunggu dulu, tetapi ada juga beberapa orang yang memiliki ego tinggi dan sukses. Bagaimana dengan Steve Jobs? Kanye West? Beberapa dari mereka mempelajari kerendahan hati. Beberapa orang memilih ego. Beberapa mempersiapkan diri untuk perubahan nasib, positif ataupun negatif. Yang lainnya tidak siap. Yang mana yang akan Anda pilih? Akan menjadi siapakah Anda? Yang pasti, Anda telah memilih buku ini karena merasa bahwa Anda membutuhkan menjawab pertanyaan itu, cepat atau lambat, sadar atau tidak sadar.

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Playing, Laughing and Learning with Children on the Autism Spectrum Julia Moor,2008-07-15 Praise for the first edition: `An approachable and practical edition that will be welcomed by parents and carers alike. I know how hard it can be to find 'How to' resources for parents. Well here is a gem.' - Children, Young People and Families Parents of young children newly diagnosed as on the autism spectrum are often at a loss for ideas about how best to help their child. Playing, Laughing and Learning with Children on the Autism Spectrum is not just a collection of play ideas; it shows how to break down activities into manageable stages, and looks at ways to gain a child's attention and motivation and to build on small achievements. Each chapter covers a collection of ideas around a theme, including music, art, physical activities, playing outdoors, puzzles, turn-taking and using existing toys to create play sequences. There are also chapters on introducing reading and making the most of television. This updated second edition contains an extensive chapter on how to use the computer, the internet and the digital camera to find and make resources and activities, and suggests many suitable websites to help parents through the internet maze. The ideas are useful both for toddlers and primary age children who are still struggling with play.

Engaging Autism Stanley I. Greenspan,Serena Wieder,2007-04-03 An essential guide to the highly recommended Floortime approach for treating children with any of the autism spectrum disorders (ASD). From the renowned child psychiatrist who developed the groundbreaking Floortime approach for children with autism spectrum disorder, Engaging Autism is a clear, compassionate road-map for parents. Unlike approaches that focus on changing specific behavior, Dr. Greenspan's program promotes the building blocks of healthy emotional and behavioral development, showing that children with ASD do not have a fixed, limited potential, and may often join their peers to lead full, healthy lives. With practical advice for every scenario you may face with your autistic child at any age -- including sensory craving, overactivity, avoidant behavior, eating, toilet training, developing social skills and more -- Engaging Autism offers hope for families and redefines how we see children with ASD.

The Other End of the Leash Patricia McConnell, Ph.D.,2009-02-19 Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years’ experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man’s best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover: • How you can get

your dog to come when called by acting less like a primate and more like a dog • Why the advice to “get dominance” over your dog can cause problems • Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief • How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!” Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

Dreamtime , Essays in which happiness becomes a magic carpet, lifting readers above momentary fret and making the ordinary appears wondrous.

The Circle Dave Eggers,2013-10-08 INTERNATIONAL BESTSELLER • A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company’s modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can’t believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman’s ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

The Smell of Kerosene National Aeronautics and Space Administration,Donald L. Mallick,Peter W. Merlin,2023-12-28 This book puts the reader in the pilot's seat for a day at the office unlike any other. The Smell of Kerosene tells the dramatic story of a NASA research pilot who logged over 11,000 flight hours in more than 125 types of aircraft. Donald Mallick gives the reader fascinating first-hand description of his early naval flight training, carrier operations, and his research flying career with NASA. After transferring to the NASA Flight Research Center, Mallick became involved with projects that further pushed the boundaries of aerospace technology. These included the giant delta-winged XB-70 supersonic airplane, the wingless M2-F1 lifting body vehicle, and triple-sonic YF-12 Blackbird. Mallick also test flew the Lunar Landing Research Vehicle and helped develop techniques used in training astronauts to land on the Moon.

Practical Ethics Peter Singer,2011-02-21 For thirty years, Peter Singer's Practical Ethics has been the classic introduction to applied ethics. For this third edition, the author has revised and updated all the chapters and added a new chapter addressing climate change, one of the most important ethical challenges of our generation. Some of the questions discussed in this book concern our daily lives. Is it ethical to buy luxuries when others do not have enough to eat? Should we buy meat from intensively reared animals? Am I doing something wrong if my carbon footprint is above the global average? Other questions confront us as concerned citizens: equality and discrimination on the grounds of race or sex; abortion, the use of embryos for research and euthanasia; political violence and terrorism; and the preservation of our planet's environment. This book's lucid style and provocative arguments make it an ideal text for university courses and for anyone willing to think about how she or he ought to live.

No Logo Naomi Klein,2000-01-15 What corporations fear most are consumers who ask questions. Naomi Klein offers us the arguments with which to take on the superbrands. Billy Bragg from the bookjacket.

Invisible Man Ralph Ellison,2016-08-18 *Invisible Man* is a milestone in American literature, a book that has continued to engage readers since its appearance in 1952. A first novel by an unknown writer, it remained on the bestseller list for sixteen weeks, won the National Book Award for fiction, and established Ralph Ellison as one of the key writers of the century. The nameless narrator of the novel describes growing up in a black community in the South, attending a Negro college from which he is expelled, moving to New York and becoming the chief spokesman of the Harlem branch of the Brotherhood, and retreating amid violence and confusion to the basement lair of the Invisible Man he imagines himself to be. The book is a passionate and witty tour de force of style, strongly influenced by T.S. Eliot's *The Waste Land*, Joyce, and Dostoevsky.

The Poisonwood Bible Barbara Kingsolver,2009-10-13 New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah's Book Club Selection “Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty.” —Los Angeles Times Book Review *The Poisonwood Bible*, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleanna Price reconstructs the story of her evangelist husband's part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.

Backpacker ,2004-03 *Backpacker* brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, *Backpacker* is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. *Backpacker's* Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

Me I Am! Jack Prelutsky,2011 An illustrated poem which celebrates children who enjoy doing all kinds of activities. This poem originally appeared in *The Random House book of poetry for children*, published in 1983.

In the Loop Office of Office of English Language Programs,Bureau of Bureau of Cultural and Educational Affairs,United States United States Department of State,Office of English Langua,2015-02-17 *In the Loop* is divided into three parts: Part 1, Idioms and Definitions; Part 2, Selected Idioms by Category; and Part 3, Classroom Activities. The idioms are listed alphabetically in Part 1. Part 2 highlights some of the most commonly used idioms, grouped into categories. Part 3 contains classroom suggestions to help teachers plan appropriate exercises for their students. There is also a complete index at the back of the book listing page numbers for both main entries and cross-references for each idiom.

McGraw-Hill's Dictionary of American Idoms and Phrasal Verbs Richard Spears,2006-02-03 Learn the language of Nebraska . . .and 49 other states With more entries than any other reference of its kind, McGraw-Hill’s Dictionary of American Idioms and Phrasal Verbs shows you how American English is spoken today. You will find commonly used phrasal verbs, idiomatic expressions, proverbial expressions, and clichés. The dictionary contains more than 24,000 entries, each defined and followed by one or two example sentences. It also includes a Phrase-Finder Index with more than 60,000 entries.
