Block City: Incredible Minecraft Worlds Kirsten Kearney, 2015-05-19 Minecraft--a humble computer game about placing blocks--is a global phenomenon that has captured the imagination of more than 36 million players around the world. Often described as a digital version of LEGO, Minecraft offers an open-ended playing field where players design and build environments that others can explore. For many users, the game's creative mode is its most appealing feature: The game is helping to shape a generation of young architects, designers, and artists. The most impressive and spectacular achievements in Minecraft design are its cities, which range in style from contemporary realism to fantasy, from historical to futuristic. The product of thousands of hours of work by devoted Minecraft players, these virtual places are the envy of millions who aspire to master the skills to create them. Block City presents a collection of amazing Minecraft cities created by masters, with step-by-step tutorials for readers to build structures and features themselves.

Ultimate Guide to Mastering Command Blocks! Triumph Books, 2016-06-01 The Command Block is without question the most powerful tool in Minecraft, and it's also one of the least understood by most players. This is because the Command Block cannot be crafted without using console commands--the systems that Command Blocks use are entirely script and coding based. That being said, the quickest, most powerful, and most thorough way to activate many special features in Minecraft is to use Command Blocks. With The Ultimate Guide to Mastering Command Blocks, you'll learn to send messages to an entire server, change the time of day or weather, teleport a person, and automate processes. Now, the keys to these strategies are available to all 'Crafters through this book.
