**WordPress for Beginners** Cyrus Jackson, 2018-02-19 NEW & UPDATED FOR 2018 Would you love to learn how to set up a jaw-dropping, secure and professional WordPress blog? (Even if you're not a technical wizard) Then: WordPress For Beginners is the most compact guide you'll ever need. WordPress is the biggest blogging platform on the planet powering big blogs like CNN, New York Times, Mashable ...the list is endless. This speaks volume of its efficiency and amazing features it possess to help you build an online platform for your business. Cyrus Jackson, a professional WordPress designer, takes you by the hand on how to set up (easily), design (professionally) and secure (aptly) killer WordPress blogs: from set up, to design, all the way to security ... in a step by step pattern with abundance of illustrations, screenshots, images, graphics (which you can't find anywhere else) and well detailed guidelines to give you the needed road map on how to set up your WordPress blog professionally for a web audience. And yes: this book will help you launch your WordPress blog in 30 Minutes or even less. No kidding! Here're topics covered in this amazing, easy-to-read, jaw-dropping and beginner-friendly book: Why I wrote this book and my mission for beginners How to set up a WordPress blog in 30 minutes Everything you need to know about web hosting and domain registration How to choose the best web host for your WordPress blog The best web hosts that are reliable and affordable for beginners Important tips to follow when choosing a web host How to secure your blog from hackers, spammers and harmful malwares And lots more with massive screenshots, graphics and illustrations to guide you along in a brick-by-brick fashion I always thought WordPress was very technical and requires lots of coding expertise but when I grabbed a copy of WordPress For Beginners, the steps and image illustrations were very easy to follow and made it seem simple to understand for a beginner like me. I've now launched my WordPress blog, thanks to this book: without hiring any website designer and even did another for a friend of mine. Thank you Cyrus for writing this book: YOU ROCK! - Peterson Danny

**WordPress for Business Bloggers** Paul Thewlis,2008 This practical guide will show you how to make your business blog different from the crowd and attractive to your target audience by implementing the features of WordPress. This book is for current users of the WordPress platform who want to get the most out of WordPress to manage business/professional blogs; it is not an introduction to WordPress and does not cover basics such as installation or creating posts and pages, configuring blog settings, etc. Readers are expected to have a WordPress blog or to be in the advanced stages of planning one. The book is aimed at managers of business/professional blogs, which broadly fall into four categories: Professional Expert Blogs - owned by individuals who blog in their area of expertise to increase their personal exposure and standing. Corporate Blogs - owned by companies that blog to reach customers and encourage closer relationships, sales, and referrals. Online News Sources / Magazines - blogs that provide content on particular topics, funded by ads. Campaign Blogs - not-for-profit blogs run by charities or causes, designed to promote ideas or encourage certain behaviors. Non-business bloggers will also find the book useful if they want to take their WordPress skills beyond the basics.

*Building a WordPress Blog People Want to Read* Scott McNulty, 2009-03-30 Having your own blog isn't just for the nerdy anymore. Today, it seems everyone – from multinational corporations to a neighbor up the street – has a blog. They all have one, in part, because the folks at WordPress make it

easy to get one. but to actually build a good blog – to create a blog people want to read – takes thought, planning, and some effort. From picking a theme and using tags to choosing widgets and building a community, creating your blog really starts after you set it up. In this book by blogger extraordinaire Scott McNulty, you learn how to: Install and get your WordPress blog running. Set up your site to ensure it can easily grow with you and your readers. Be the master of user accounts. Manage your site with the WordPress Dashboard and extend its capabilities with plug-ins. Make the most of images. Work with pages, templates, and links and – of course – publish your posts. Deal with comments – if you even want readers commenting at all. Find a theme – or build one yourself. Maintain your site and fix common problems.
