**Cheesie Mack Is Sort of Freaked Out** Steve Cotler, 2014-08-26 Attention, diary fiction readers! Have you met Cheesie Mack? You'll love Cheesie's wacky lists, drawings, and made-up words as he tells the hilarious story of a Halloween prank that sort of freaked him out. Cheesie and his best friend, Georgie, are too old for trick-or-treating. Besides, all that spooky nonsense is just for kids! To prove it, they pull a "far out" prank that has the whole school abuzz about aliens. When Cheesie and Georgie reveal that they were the masterminds behind the trick, Cheesie's evil sister, Goon, plots revenge. She recruits one of Cheesie's friends to pull off a prank that will have Cheesie wondering if the truth really is out there. . . .

**The Baby Book** William Sears, Martha Sears, 1993-01 The baby bible of the post-Dr. Spock generation, already embraced by hundreds of thousands of American parents, has now been revised, expanded, and brought thoroughly up-to-date -- with the latest information on everything from diapering to day care, from midwifery to hospital birthing rooms, from postpartum nutrition to infant development. Dr. Bill and Martha Sears draw from their vast experience both as medical professionals and as the parents of eight children to provide comprehensive information on virtually every aspect of infant care. Working for the first time with their sons Dr. Bob and Dr. Jim, both pediatric specialists in their own right, the Searses have produced a completely updated guide that is unrivaled in its scope and authority. The Baby Book focuses on the essential needs of babies -- eating, sleeping, development, health, and comfort -- as it addresses the questions of greatest concern to today's parents. The Baby Book presents a practical, contemporary approach to parenting that reflects the way we live today. The Searses acknowledge that there is no one way to

parent a baby, and they offer the basic guidance and inspiration you need to develop the parenting style that best suits you and your child. The Baby Book is a rich and invaluable resource that will help you get the most out of parenting -- for your child, for yourself, and for your entire family. Book jacket.

Dengan bantuan Alexander Besher, Nomi memopulerkan hasil penelitiannya di Amerika melalui sebuah buku yang menjadi referensi klasik yang tetap dibaca hingga saat ini. Pendiri ABO Center ini membuktikan bahwa analisis karakter berdasarkan golongan darah tak hanya bermanfaat untuk menjaga keharmonisan hubungan antarindividu, tetapi juga penting bagi perkembangan bisnis dan perusahaan. Vanessa Keller has a secret she's kept hidden for almost two decades. It's her burden, her cross to bear. To Vanessa, the truth is a choice—something best forgotten for the greater good of her husband, their children, and their future together... right up until the day it comes back to haunt her. A gripping, haunting tale of dysfunction, betrayal, heroism, grief, and loss, Staci Troilo's Type and Cross is the story of one family's tortuous journey from devastation to redemption.

**Love Me** Catherine M. Clifton, 2012-05 From the outside, Rhonda Brown appears to be a normal, straight-A college student in Tallahassee, Florida. In reality, she's a drug dealer, fashioning cocaine into high-priced and highly sought after dolls. Justifying her crimes, she believes she was forced into this lifestyle after the death of her parents; after all, she needs the money to support her and her older sister, Caroline. But Rhonda's patience with Caroline, who is battling her own demons, is coming to an end. Anything to do with Caroline is a lose-lose situation, and Rhonda is ready to get out. Just as she plans to leave, Caroline hints there is more to her sad life story than drugs, prostitution, and self-loathing. Unwilling to let go, Rhonda initiates her own investigation into Caroline's past—and what she uncovers hits her and

everyone around her like a whirlwind. Rhonda soon discovers the story she has always known about her life is actually nothing but a lie. Surrounded by drugs, lies, and a long list of betrayals, Rhonda must come to terms with the decisions she has made, and the journey she takes to get there will change her life forever.
