TEN Little Pennies for Some Bubble Gum Loretta D. Haynes,2010-05-07 The fun of doing this story was brought about by the reaction when I told it to my preschoolers as well as pre kindergarten and up to the 2nd grade. The children really related to this story because it really explains one of the wonderful things that children enjoy, and that is wonderful, delicious, chewy bubblegum. Bubble gum is one of those things that bring action and creativity with it. Every child has a unique expression when they chew that wonderful bubble gum because of the way it brings smiles and laughter to children of all ages. You know I feel that if all of us look into our childhood, we can remember how some of our friendships were made by one of our classmates or friends when they offered that happy piece of bubble gum. Let us all keep some bubble gum around and blow bubbles together. POP!!!
