**Stephen Baxter, Adam Roberts**

Unbreakable Stephanie Tyler, 2013-11-05 THIS IS SECTION 8. A cabal of operatives with dangerous pasts teams up to work black ops missions. Their weapon: deception. Can they help one of their own before he goes too far? When Gunner agreed to help Section 8, he didn't realize he'd be pulled back into the shadowy world he thought he'd escaped forever. The son of double agents, he was initiated at a young age into the cold world of espionage when his father forced him to work for international smuggler Drew Landon. And when Gunner's past with Landon threatens the other mercenaries, and, most important, Avery, he makes an impossible choice...and disappears. Avery's not willing to give up on Gunner. The attraction between them has been there from the start, and she rallies Section 8 to help him. She knows there's only one way to keep Gunner safe: fake his death and take him off the grid. But when she finally locates him, Gunner is a changed man, harder, more desperate, and on the edge of self-destruction. And only Avery can find a way to free him from Landon—and from the demons of his past—before it's too late.

**Gunner's Glory** Johnnie Clark, 2007-12-18 They were warriors, trained to fight, dedicated to their country, and determined to win. At Guadalcanal, the Marine Corps' machine gunners took everything the Japanese could throw at them in one of the bloodiest battles of World War II; their position was so hopeless that at one point they were given the go-ahead to surrender. Near the Chosin Reservoir in Korea, as the mercury dropped to twenty below, the 1st Marine Division found itself surrounded and cut off by the enemy. The outlook seemed so bleak that many in Washington had privately written off the men. But surrender is not part of a Marine's vocabulary. *Gunner's Glory* contains true stories of these and other tough battles in the Pacific, in Korea, and in Vietnam, recounted by the machine gunners who fought them. Bloody, wounded, sometimes barely alive, they stayed with their guns, delivering a stream of firepower that often turned defeat into victory—and always made them the enemy's first target.

*The Rise and Fall of Shimmerism* James Kracht, 2001-03 The year is 2167, and Simon Shadow is nearly killed by a crazed co-worker's explosive suicide. Leaving Earth behind, Simon embarks on a quest for freedom—to Reetar, a distant planet recently colonized. Upon arrival, he finds a city bristling with rival religions. Within days, Simon offends the Unholy Mass, a powerful and sadistic religion. His life threatened, he realizes the only way to save himself is to become a rival faith—Shimmerism. On the far side of the planet, meanwhile, a lone starship crash-lands. The survivors begin their own quest, searching for a fabled city of spirituality; and above them all, in orbit, a powerful military force keeps watch, laying waste to anyone foolish enough to threaten the balance of the Great Experiment—the ruling philosophy that governs humanity's colonization of new worlds. *The Rise and Fall of Shimmerism* casts a speculative eye on a vast human population whose profiteering fringe blazes its way across the next great frontier, caught in a violent cycle of soulless spirituality. An epic future-history replete with phantasmagoric drugs, strange music, and savage ironies, the book ultimately touches on the evolution of human awareness—and the first confused glimpses of a malevolent new reality.

*A Tank Gunner's Story: Gunner Gruntz of the 712th Tank Battalion* Louis G. Gruntz, 2014-03-26 A 712th Tank Battalion veteran of Patton's Third Army returned home after the Second World War, but for over fifty years rarely speaks of his wartime experiences. His son grows to manhood with only a perception of combat gleaned from the movies of his youth and knowing little of his father's wartime ordeals. During a difficult time in his son's life, the father breaks his silence as they travel across Europe along the battle route of the 712th Tank Battalion from the hedgerows of Normandy, across France to Metz, and through Luxembourg and Germany. This is not only a story of the father's wartime experiences, but also of the father and son's journey, the bond that developed

between them as well as the son's change in perception of combat. **A Soldier's Story:** Gunner Gruntz of the 712th Tank Battalion tells the gripping yet emotional account of his father's firsthand experiences while standing on the sites where he battled, was wounded, saw friends killed in Normandy and during the Battle of the Bulge, and where he earned the Bronze Star in bloody combat. An exhaustive and essential account of the horrors of war where Gruntz took on the might of the Third Reich and Tiger panzers in his Sherman, **A Soldier's Story:** Gunner Gruntz of the 712th Tank Battalion is also lavishly illustrated with unpublished period photographs.

**Jungle Fighters** Jules Archer, 2016-01-19 In the early stages of the Pacific War, General Douglas MacArthur was expected to prevent the Japanese from taking Australia. With limited forces, MacArthur had to be tactical, and the key to the continent's defense was the island of New Guinea, just above the northeast tip of Australia. In order to defend New Guinea, MacArthur sent a small task force to Milne Bay, where the Coral Sea rounded the southeast tip of the island. His plan: to establish an airfield base for bomber and fighter planes that could attack enemy invasion convoys as they rounded the tip of New Guinea to attack Australia. In the fall of 1941, at the age of twenty-six, Jules Archer joined the US Armed Forces. A few months later, he joined MacArthur as a member of the small task force being sent to New Guinea. With good reason not to expect to return alive, Archer and his troop were plunged into a new kind of war. They fought in a jungle among a primitive Melanesian people, some tribes of which were headhunters. For nearly four years they endured in the distant jungle. This is an inside look at one of the lesser-known stories of one of the worst wars the world has known. It's a story of the absurdities, fears, camaraderie, and even humor of life as a wartime soldier.

**Gunners from the Sky** Paul Chrystal, David Chrystal, 2023-10-30 This is the story of the 1st Air Landing Light Regiment RA and its role in the Italian campaign and at the Battle of Arnhem. It is also the story of one of its soldiers: 14283058 Gunner Eric Wright Chrystal, father of the authors. Eric joined the army in September 1942 and, after training, joined the newly formed glider-borne regiment the following year. He first saw action in Italy in 1943, where he was seriously wounded. On 17 September 1944, two years to the day since he enlisted, he and the regiment were landed by glider near to Arnhem in the Netherlands. The authors recount set their father's experiences in context by describing the formation of the unit and the many months of training in England. Their involvement in the Italian campaign, where Eric served with E Troop, 3 Battery, is then recounted, detailing their actions at Rionero, Foggia and Campobasso, where Eric was wounded. It then moves on to describe 1st Air Landing Light Regiment's preparation for and involvement in Operation Market (the Airborne half of Market Garden). This very detailed account of the fighting highlights the regiment's pivotal (but often neglected) role near Arnhem bridge. Here, after nine days of intense combat, Eric was among the many captured and held until the end of the war. The inclusion of Eric's own eyewitness testimony lends a very personal touch to this excellent account of the regiment's experience of combat and life in the PoW camps.

**The Orphan Gunner** Sara Knox, 2007-09-01 The Orphan Gunner is an unconventional romance set in bomber command in Lincolnshire during the Second World War. Evelyn and Olive grew up together in the Canabolas Valley near Orange. They are in England at the outbreak of war: Evelyn as a pilot in the Air Transport Auxiliary, Olive in the Women's Auxiliary Air Force. They're joined by Evelyn's brother Duncan, a novice gunner in Lancaster L-Love, flying bombing raids over Germany. The raids take their toll on the crew, and the two women are drawn into a plot involving disguise and mistaken identity, to get the exhausted Duncan out of service. The Orphan Gunner explores the seductions of passing, the licence granted by risk, and the selflessness - and selfishness - of sacrifice.

The relationship between the two women is portrayed with subtlety and warmth, and an extraordinary sense of historical detail which brings its wartime setting vividly to life.

It is a Golden Age of discovery, adventure, culture, invention—and of domination, and rebellion. *Scarlet Traces* reveals a world of ant-headed nightmares; vacuum salesmen; war machines; deadly secrets; clockwork marvels; and Sherlock Holmes, T. Makes Axel regret the deal he's made. A leader has to make hard choices, such as trading a stranger for supplies. But what about Laura? Maybe she should stay. With him. There's magic bound inside that lush body. Unimaginable power that must never get in the hands of his enemy. Yet, that's not why Axel wants to keep her. Blame an ancient human thing called love. **Dowding's Eagles** Norman Franks, 2015-09-30 Twenty-five veteran airmen share stories of their experiences during World War II's Battle of Britain in this unique history. The Battle of Britain fought by The Few, as Churchill famously called them, will remain a legendary feat of arms for centuries to come. Sadly, there remain only a handful today who can tell their stories so this collection of personal accounts is extremely timely. The Author has over the years gathered the stories of twenty-five survivors and in Dowding's *Eagles* he brings these stirring stories together. Each account describes the actions and impressions of the individuals who fought lonely battles against a numerically superior enemy. The odds were stacked against The Few. Over 500 pilots were killed in action during the summer of 1940, and this book is as much about those who gave their lives for their country as those who risked everything but managed to survive. Together with photographs of the men and their aircraft, this is an inspiring book.

**A Quiet Cadence** Mark Treanor, 2020-06-15 Winner of 2020 W.Y. Boyd Literary Award for Excellence in Military Fiction Military Writers Society of America Award Winner: Gold Medal in Historical Fiction Winner of the 2021 William E. Colby Award Sometimes it takes years for a combat vet to understand what war did to him when he was nineteen. With the perception and reflection of a man on the cusp of retirement from a career teaching high school kids, Marty McClure recalls the relentless intensity of prolonged combat as a teenaged Marine machine gunner facing booby traps and battles in a war with few boundaries. Family and friends know Marty as a kind, peaceful man. They aren't aware that when he was young, he plumbed the depths of terror, hatred, and despair with no assurance he'd ever surface again. Now he needs to reveal what happened in Vietnam and how, with the help of Patti, his wife, Corrie Corrigan, a disabled vet, and Doc Matheson, a corpsman turned trauma surgeon, he works to become a good husband,

father, and teacher while he fights to bury the war. Only if he accepts help from his wife and his friends will he find real peace.

*Savage Sky* George Webster, 2007-03-20 Gives the reader a firsthand look at war from inside a B-17 bomber in World War II. Focuses on the 92nd Bomb Group, 8th Air Force and includes missions to the Schweinfurt ball-bearing plant and Berlin. One of the first accounts of being shot down over Sweden.

**Rupture of Solitude** Douglas K. German, 2017-10-16 A Naval Academy midshipman from Nebraska is being groomed by the powers that be in Omaha for the governors mansion. At the Academy he discovers a plot by a cadre in the military to establish control of government. Efforts to foil the coup take events from the family ranch in Nebraska to the Supreme Court in DC to dealing with FARC guerillas in Colombia. Events lead to the fall from favor by the midshipman, betrayal by his beloved brother who is a law clerk for Justice Kennedy, desertion by his father, and a time of loss and remorse. The story is entertainment, but also cause for reflection on matters current and disturbing, universal and enduring. Its a heros journey, taking the midshipman from privilege to outcast, from arrogance to discernment. Its a discovery of soul, an understanding of the otherevoking themes of Lewiss *It Cant Happen Here*, Steinbecks *East of Eden*, and Hesses *Siddhartha*. In 2017 the author was awarded recognition by Glimmer Train Press for his short story *South of 18*, one of seven short stories in a collection entitled *One with Bird*.
