You, Kifaru and the Mud Problem (Children's Picture Book) Amanda Greenslade,2015-11-11 An African hippo gets his foot stuck in the mud, and lots of animals try to help, but even the biggest and strongest is unable. The hippo needs your help to get free. Your child will delight in this ebook, which makes them the hero of the story (you can say their name and gender as you read). The imagery of the hero is androgynous, meaning it could be a boy or a girl. This is the non-enhanced edition of the ebook, as per the requirements of the platform you are purchasing it on. The moral of the story is learning to use your intellect (and engineering knowledge) rather than brawn to solve this sloshy, mucky problem. There's some information about the concept of leverage, a group game and a comprehension questionnaire at the end, which may interest educators.

Conversations in a Park Regina Ryan,2019

Conversations in a Park is a light hearted book of motivational musings peppered with research and wisdom from the worlds of psychology, philosophy and classic literature. Dr Regina Ryan argues that the chaos that accompanies motherhood should be countered by creating 'stolen moments' throughout the day and using these with discipline and consistency to connect to your inner self through solitude, daily rituals, expressing creativity and learning how to condition yourself to choose one thought over another. The main philosophy is to think small and in time you will find that the big has been hiding in the small all along.
