Paul Caponigro

Blue Ridge Parkway ,1977

Blue Ridge Chronicles Rex Bowman,2008-04-04 Many of the highlanders in Virginia's western mountains live in small communities with names such as Stonebruise, Novelty, and Wangle Junction, and here their stories are chronicled by one of their own, Floyd County native and Pulitzer-nominated journalist Rex Bowman, roving reporter for the Richmond Times-Dispatch. Colorful characters abound, from folks in Independence who have a decades-old tradition of racing outhouses, to the brawlers in St. Paul who once gave the town a reputation for world-class wickedness, to the purveyors of Roanoke's Texas Tavern who have never in seventy years put ketchup on their hamburgers. Blue Ridge Chronicles is a delightful look at how the lively have lived in Southwest Virginia's backcountry.

Blue Ridge Mountaineers Angela M. Ruley,1999-06-01

From the Blue Ridge to the Beach Christopher M. Bailey,Shelley Jaye,2017-03-17 Seven chapters explore the diverse geology of Virginia, from its Appalachian highlands to the Atlantic shore.

Blue Ridge Mountains Doraine Bennett,2011 Describes the characteristics of the Blue Ridge Mountain geographic region of Virginia, looking at its various land formations and attractions.

Growing Up in the Blue Ridge Mountains of Virginia Ivy Corbin,2022-03-25 This book tells the true story of the people who had made their homes for many generations in the Blue Ridge Mountains of Virginia, the hardships and sorrows the mountain people endured for being poor and secluded for living their way of life in the mountains. They were put out of their homes and put off their land to make way for the Shenandoah National Park. Memories linger in their minds of days gone by--what it was like not to have enough food on the table, hard work every day, thinking what the next day might bring. The history that has been left behind by the mountain people should never be forgotten. Oh, what secrets those Blue Ridge Mountains hold.

The Blue Ridge Parkway Karen J. Hall,2006 In the late 1890s, the Blue Ridge Parkway was envisioned by many as a great getaway and nature preserve. The concept materialized in the early 20th century, when John D. Rockefeller donated the first \$5 million to begin purchasing land for the project. Located at the top of the great Appalachian ridges, the parkway covers 469 winding miles of mountains and meadows lined with lush wildflowers, old farms, and split-rail fences. Inspiring scenery makes for a journey rich in history and mountain culture.

Slave Labor on Virginia's Blue Ridge Railroad Mary E. Lyons,2020 Between 1849 and 1859, Virginia raced to pierce the Blue Ridge Mountains by rail and reach the Ohio River. At least 300 enslaved people labored involuntarily toward that goal, along with 1,500 Irish immigrants. The state leased the labor of enslaved Virginians from local slaveholders, including four connected with nearby University of Virginia. Blue Ridge Tunnel and Blue Ridge Railroad historian Mary E. Lyons explored hundreds of primary documents to write the first nonfiction book about slave labor on a specific antebellum railroad. She shares hundreds of enslaved people's names, traces where they toiled along the line and describes their backbreaking--and sometimes fatal--tasks.

The Blue Ridge Anthology Charlottesville Chapter Va Writers Club,2007-03-01

Over in the Country Becky Cannaday Merchant,2008 ?Over in the Country? is a rich collection of stories about life on a farm in the Blue Ridge Mountains of Virginia during the first half of the twentieth century.In 1904 Paul and Eula Simms bought one hundred acres of raw land on rolling hills with a valley level enough for a house and a garden. To make their farm prosper, they brought their experiences growing up in the country, eagerness to try new ideas and inventions, willingness to work hard, and determination to succeed; almost as essential were the pleasure they took in good fun, good food, a healthy sense of humor, and, every now and then, a bit of moonshine to temper the relentless routine of farm work.

Secrets of the Blue Ridge Phil James,White Hall Media,2010-12-15

The Blue Ridge Tunnel Mary E. Lyons,2014-02-25 The true story of the construction of the historic Crozet railroad tunnel--as seen through the eyes of three Irish immigrant families who helped build it. In one of the greatest engineering feats of the time, Claudius Crozet led the completion of Virginia's Blue Ridge Tunnel in 1858. More than a century and a half later, the tunnel stands as a National Historic Civil Engineering Landmark, but the stories and lives of those who built it are the true lasting triumph. Irish immigrants fleeing the Great Hunger poured into America resolved to find something to call their own. They would persevere through life in overcrowded shanties and years of blasting through rock to see the tunnel to completion. In this intriguing history, Mary E. Lyons follows three Irish families in their struggle to build Crozet's famed tunnel--and their American dream. Includes photos and illustrations
