

# Bluesnjazz 10

Ken Vail

**Blues** William Christopher Handy, 1926

**A BLUES LIFE** Johan Wijngaarden, 2015-07-25 I am born and raised in Friesland, in the North of the Netherlands. When the BLUES struck me in 1972, I was 21 years of age. Now I am 65. This paperback is about those over forty years in between. A BLUES LIFE part 1, with 10 stories from a Dutch point of view and A BLUES LIFE part 2, directly from Mississippi in the deep south of the U.S.A. -A Dutchman in the Delta- covers 13 stories. I cannot read a musical note, sing, nor play a piano or a guitar. But I wrote about it: In this book you will find 25 true, short stories about the Blues and Boogie Woogie, that devilish music. English is not my native tongue. I have done my utmost to avoid mistakes.

**Cousin Joe** Pleasant "Cousin Joe" Joseph, Harriet J. Ottenheimer, 2012-01-31 A remarkable blend of history and drama seen through the eyes of a noted New Orleans bluesman. This extraordinary life history is the result of more than 15 years of recorded conversations, pieced together into a narrative of a uniquely American experience. Joseph's colorful portrayals of the characters who parade through his life document more than 70 years of changing relationships between blacks and whites. In his own words, he describes growing up in Louisiana, working a rice plantation, and how Gospel music put him on a career path. His candid remarks underscore the economic necessity prevalent in a musician's life. Within the tales of gigs, card games, and romantic exploits are intimate glimpses of legendary figures, including Billie Holiday and Muddy Waters. His descriptions of performing in New Orleans, New York, and Europe are especially revealing, filled with life experiences as rich as the rhythm and lyrics of the blues he played.

**The Original Blues** Lynn Abbott, Doug Seroff, 2017-02-27 With this volume, Lynn Abbott and Doug Seroff complete their groundbreaking trilogy on the development of African American popular music. Fortified by decades of research, the authors bring to life the performers, entrepreneurs, critics, venues, and institutions that were most crucial to the emergence of the blues in black southern vaudeville theaters; the shadowy prehistory and early development of the blues is illuminated, detailed, and given substance. At the end of the nineteenth century, vaudeville began to replace minstrelsy as America's favorite form of stage entertainment. Segregation necessitated the creation of discrete African American vaudeville theaters. When these venues first gained popularity ragtime coon songs were the standard fare. Insular black southern theaters provided a safe haven, where coon songs underwent rehabilitation and blues songs suitable for the professional stage were formulated. The process was energized by dynamic interaction between the performers and their racially-exclusive audience. The first blues star of black vaudeville was Butler String Beans May, a blackface comedian from Montgomery, Alabama. Before his bizarre, senseless death in 1917, String Beans was recognized as the blues master piano player of the world. His musical legacy, elusive and previously unacknowledged, is preserved in the repertoire of country blues singer-guitarists and pianists of the race recording era. While male blues singers remained tethered to the role of blackface comedian, female coon shouters acquired a more dignified aura in the emergent persona of the blues queen. Ma Rainey, Bessie Smith, and most of their contemporaries came through this portal; while others, such as forgotten blues heroine Ora Criswell and her protégé Trixie Smith, ingeniously reconfigured the blackface mask for their own subversive

purposes. In 1921 black vaudeville activity was effectively nationalized by the Theater Owners Booking Association (T.O.B.A.). In collaboration with the emergent race record industry, T.O.B.A. theaters featured touring companies headed by blues queens with records to sell. By this time the blues had moved beyond the confines of entertainment for an exclusively black audience. Small-time black vaudeville became something it had never been before--a gateway to big-time white vaudeville circuits, burlesque wheels, and fancy metropolitan cabarets. While the 1920s was the most glamorous and remunerative period of vaudeville blues, the prior decade was arguably even more creative, having witnessed the emergence, popularization, and early development of the original blues on the African American vaudeville stage.

Really the Blues Mezz Mezzrow, Bernard Wolfe, 2016-02-23 Mezz Mezzrow was a boy from Chicago who learned to play the sax in reform school and pursued a life in music and a life of crime. He moved from Chicago to New Orleans to New York, working in brothels and bars, bootlegging, dealing drugs, getting hooked, doing time, producing records, and playing with the greats, among them Louis Armstrong, Bix Beiderbecke, and Fats Waller. Really the Blues, the jive-talking memoir that Mezzrow wrote at the insistence of, and with the help of, the novelist Bernard Wolfe, is the story of an unusual and unusually American life, and a portrait of a man who moved freely across racial boundaries when few could or did, "the odyssey of an individualist . . . the saga of a guy who wanted to make friends in a jungle where everyone was too busy making money."

*BluesSpeak*, 2010 This anthology collects articles, interviews, fiction, and poetry from the Original Chicago Blues Annual, one of music history's most significant periodical blues publications. Founded and operated from 1989 to

1995 by African American musician and entrepreneur Lincoln T. Beauchamp Jr., OCBA gave voice to the blues community and often frankly addressed contentious issues within the blues such as race, identity, prejudice, wealth, gender, and inequity. BluesSpeak includes key selections from OCBA's seven issues and features candid interviews with many artists. Also featured are heartfelt memorials to bygone blues artists, insightful observations on the state of the blues in Chicago and beyond, and dozens of photographs of performers, promoters, and other participants in the worldwide blues scene. -Book Jacket.

**Blues** Dick Weissman, 2005 Presents brief entries covering the history, significant artists, styles and influence of blues music.

*Jazz & Blues* Graham Vulliamy, 2016-04-14 This book, first published in 1982, shows that jazz and blues are music forms that are about individualism, experiment, expression and feeling. From their origin in the work songs and spirituals of America's southern slaves, through to their adaptation to the urban adaptation to the urban environment in Chicago and New Orleans, the author details the social and economic background that saw the birth of the blues and jazz, and introduces and appraises their leading exponents. He shows how African rhythms were combined with an American musical tradition to produce a distinctive style which was to revitalise Western music.

Rhythm and Blues in New Orleans John Broven, 2016-01-01 A chronicle of the rise and development of a unique musical form. Inducted into the Blues Foundation's Blues Hall of Fame under its original title *Walking to New Orleans*, this fascinating history focuses on the music of major R&B artists and the crucial contributions of the New Orleans music industry. Newly revised for this edition, much of the material comes firsthand from those who

helped create the genre, including Fats Domino, Ray Charles, and Wardell Quezergue.

**Blues & Jazz Complete ,**

Long Lost Blues Peter C. Muir, 2010 The first comprehensive examination of the early blues industry and the music it produced

*All Music Guide to the Blues* Vladimir Bogdanov, Chris Woodstra, Stephen Thomas Erlewine, 2003 Reviews and rates the best recordings of 8,900 blues artists in all styles.

**The Blues Encyclopedia** Edward Komara, Peter Lee, 2004-07 This comprehensive two-volume set brings together all aspects of the blues from performers and musical styles to record labels and cultural issues, including regional evolution and history. Organized in an accessible A-to-Z format, the Encyclopedia of the Blues is an essential reference resource for information on this unique American music genre. Coverage includes: · The whole history of the blues, from its antecedents in African and American types of music to the contemporary styles performed today · Artists active throughout the United States and from foreign countries · The business of the blues, including individual record labels active since the prewar era · Aspects particular to blues lyrics and music · Specific issues such as race or gender as related to the blues · Reference lists of blues periodicals, blues newsletters, libraries, and museums.

Russia Gets the Blues Michael E. Urban, Andreï Evdokimov, 2004 Urban and Evdokimov chronicle the rise of a new cultural idiom in Russia, based on blues music. Russian blues is tainted neither by the Soviet past nor with the brash consumerism associated with Westernization. The music of the downtrodden South has become the high culture of Moscow and St Petersburg.

**Blues** William Christopher Handy, 1926

**Blues Music in the Sixties** Ulrich Adelt, 2010 In the 1960s, within the larger context of the civil rights movement and the burgeoning counterculture, the blues changed from black to white in its production and reception, as audiences became increasingly white. Yet, while this was happening, blackness-especially black masculinity-remained a marker of authenticity. *Blues Music in the Sixties* discusses these developments, including the international aspects of the blues. It highlights the performers and venues that represented changing racial politics and addresses the impact and involvement of audiences and cultural brokers.

*Count Basie* Ken Vail, 2003 The *Jazz Itineraries* series, a new format based on Ken Vail's successful *Jazz Diaries*, charts the careers of famous jazz musicians, listing club and concert appearances with details of recording sessions and movie appearances. Copiously illustrated with contemporary photographs, newspaper extracts, record and performance reviews, ads and posters, the series provides fascinating insight into the lives of the greatest jazz musicians of our times. No.3 in the series, *Count Basie: Swingin' The Blues 1936?1950*, chronicles Basie's life from the Kansas City years, discovery by John Hammond, triumph in New York with the floating swing of the All-American rhythm section and tenor saxist Lester Young, through to the eventual demise of the swingiest of big bands in January 1950.

*Deep Blues* Robert Palmer, 1981 *Deep Blues* offers a concise, authoritative account of the music's African beginnings, its early evolution, and its transformation from a backcountry good-time music into today's modern blues and rock and roll.

A History of African-American Jazz and Blues Joan Cartwright,

M.A.,2013-10-10 Three essays and interviews with photographs by author and musician Joan Cartwright about the creation of blues in America by Africans captured for servitude on Euro-American plantations over a span of 400 years. This book should be read by music students and enthusiasts, alike.

The Blues is a Feeling James Fraher,1998 This tribute to the blues combines photographs and interviews to show the very heart and soul of the people who make the music. Buddy Guy, John Lee Hooker, Koko Taylor, Jimmy Dawkins, and Sunnyland Slim are among the artists who share their feelings about the music they make and offer insight into the evolution of the blues artist. From the hard-earned wrinkles of their faces and their broad, easy smiles to the poetry of their words, The Blues is a Feeling captures the richness of these artists' lives.

Eventually, you will extremely discover a extra experience and attainment by spending more cash. nevertheless when? realize you agree to that you require to get those every needs gone having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will lead you to understand even more on the order of the globe, experience, some places, like history, amusement, and a lot more?

It is your certainly own times to ham it up reviewing habit. along with guides you could enjoy now is **Bluesnjazz 10** below.
