Rose Drayton thought if she practiced her magic, she could build a better life for herself. But things didn't turn out the way she'd planned, and now she works an off-the-books job in the Broken just to survive. Then Declan Camarine, a blueblood noble straight out of the deepest part of the Weird, comes into her life, determined to have Rose (and her power). But when a flood of creatures hungry for magic invade the Edge, Declan and Rose must overcome their differences and work together to destroy them—or the beasts will devour the Edge and everyone in it...
