Get ready for a heart-pounding adventure with everyone's new favorite prehistoric family: the Croods! They are in search of a new place to call home and have amazing—and hilarious—experiences along the way. Inside the book jam-packed with fun, kids will find oodles of Croodaceous-themed mazes, picture puzzles, seek-and-find games, spot-the-difference activities, memory games, and much more! *The Croods* is a comedy adventure from Dreamworks Animation that takes us back to a previously undiscovered era in the history of our planet known as the Croodaceous, when Nature was still a work-in-progress, full of never before seen creatures and landscapes. At the heart of this chaotic world is the Crood family led by Grug, an over-protective father

who, like all dads, is doing all he can to hold his family together as the world around them changes at a dramatic pace. Thrust into hilarious situations, this gloriously dysfunctional family is going to discover it has exactly what it needs to survive...each other.

Professor Astro Cat's Frontiers of Space Dominic Walliman,2022-02-15 Blast off with this new edition in the first book in the best selling Professor Astro Cat series! Featuring updated details about how rockets work, recent missions to Mars, space junk, and black holes. “Conducted by a cat in a retro-futuristic space suit, this tour of the solar system and beyond earns style points for both its illustrations and its selection of “Factoroids.” -Kirkus Reviews Cute characters (such as the titular Professor Astro Cat and his assistant Astro Mouse) give a humorous, conversational tone to this nonfiction book's information about space, our solar system, and changing space exploration technology. Like the text, the book's browsable layout encourages readers to keep exploring. Overall, a great book to nurture interest in and wonder at the infinite possibilities of space. -The Horn Book Both modern in its scientific spirit and with a sensibility modeled after the delightful mid-century children's books from the Golden Age of space exploration, it tickles young readers - as well as their space-enchanted parents - into precisely that “palpable zest to make contact with the cosmos.” -Brain Pickings Professor Astro Cat is the smartest cat in the alley. He's got a degree in just about every discipline under the sun! Speaking of the sun, he happens to be specialist on that too, and Professor Astro Cat's Frontiers of Space will tell you everything that there could be to know about our star, our planet, our solar system, our galaxy, our universe, and many more new insights into the ever-developing science of space and the outer reaches of the universe! The professor's made sure of that; he's a fastidious little feline! Professor Astro Cat's Frontiers of Space also explores topics such as gravity, extraterrestrial life, time, and many other fascinating subjects that will take you and your children on a journey to the very frontiers of space!

Battleships Puzzles: 250 Challenging Logic Puzzles 8x8 Mindful Puzzle Books,2018-09-26

Battleships is a logic puzzle based on the Battleships guessing game. In a square grid of 8 x 8 small squares, an armada of battleships is located. There is one battleship of 4 squares, two cruisers of 3 squares, three destroyers of 2 squares, and four submarines of 1 square. Each ship occupies a number of contiguous squares on the grid, arranged either horizontally or vertically. The boats are placed so that no boat touches any other boat, not even diagonally. The numbers on the bottom and

on the right of the grid show how many squares in the corresponding rows and columns are occupied by ships. Occasionally some squares may contain given ship or water segments as hints to help start the puzzle. The object is to discover where all ships are located.
