Sometimes You Just Need a Little Boat Therapy Boatman Books,2020-01-18 So many of life's most wise and meaningful quotes have nautical references deeply rooted in rhymes of the most ancient of mariners: Finding a safe harbor during a storm. Following your heart's guidance. Trusting your internal compass. Navigating choppy waters. If you are missing the water that some good old lake and beach therapy provides but just can't get there right now, we've got a book to help tide you over. Be sure to check out all of Boatman's Salt, Sand and Sea series of blank journals as well as the Lake and Mountain series. Whether using them as a devotional, gratitude journal, destination diary, boat maintenance log, or just as a good old notebook, we hope that the healing energy infused with each one calms your mind, soothes your spirit and feeds your soul thinking about the water references of each cover. Having started boating and water skiing on the lake at his childhood, Boatman has been further blessed to live aboard his saltwater yacht for many years and goes back and forth between the two. He never tires of sunsets, stargazing, or the music of loons and seagulls alike. A boater by choice and marine mechanic by necessity, he shares his knowledge, skills and stories with all. Boatman is grateful and thankful for having spent his entire life soaking up the endless inspiration and beauty both fresh and saltwater environments generously provide. Let Boatman's Books carry you away to where the boat leaves from and start your mental vacation today.

The Boat Man Dustin Stevens, 2020-02-08 Detective Reed Mattox, just three months removed from the death of his partner, has turned invisibility into an art form. Switching to the K-9, taking over the graveyard shift, moving to a farmhouse miles outside of Columbus, his every move has become predicated on putting as much distance between himself and the outside world as possible. That distance is shattered though when bodies begin turning up in The Bottoms, the poverty-stricken section of town he is assigned to patrol. Grisly, horrific scenes start to pop up in the middle of the night and the overburdened precinct has no choice but to put Reed on it. Now operating far outside of his comfort zone with a Belgian Malinois for a partner that attracts attention wherever they go, Reed is forced to unravel the murders, taking him clear across the city and back years in time, to an event that some very influential people will do anything to keep buried...
