Don't Rock the Boat Jack,2021-06-27 Are you looking to organize a yacht of important boating information? My name is Captain Jack and over my 35 years of being involved in the boating industry, I've experienced my fair share of different styles of boats. I have been at the helm of ski/wakeboard boats, sailboats, watercrafts, houseboats, and cruisers. I know not having important reference information on board can be a big pain in the boat. My hands-on boating experience and additional desire to help fellow captains inspired me to write Don't Rock the Boat, A Boating Log Book. I hope this book will be helpful to you and bring a bit of levity along the waterway! This boating log book can help you keep track of important details about your trips and boat maintenance. If you decide to sell your boat, it has everything the new owner will want to know about maintenance and service parts. Knowing your days underway can contribute to licensing requirements if you desire a US Coast Guard Captain's License. Last but not least, I have even added some puns and inspirational verses. Buy it for yourself or it makes a great gift for any boat lover! Log Book details: 6 x 9 inch can be stored easily but gives you plenty of room for notes Glossy cover to help provide water resistance 150 Pages
