*Bobby's Book* Emily Davidson, 2012-10-30 In 1998, at the very moment that a publisher had approached Bruce Davidson about a book of his 1959 Brooklyn Gang photographs, former gang leader Bobby Powers unexpectedly telephoned the Davidsons. Over the next decade, Emily Davidson maintained an ongoing conversation with Powers in order to bring to light his struggle to overcome his drug-ridden and violent past and to inspire others with his

example. Through the words and reflections of the former drug addict and petty criminal, this book relates the long, agonizing journey from youthful urban violence and despair to the life of a committed and generous professional. Beginning in a working-class Brooklyn neighborhood in the mid 1950s where alcohol abuse and poverty were rampant, Bobby Powers went from being an illiterate gang leader and notorious drug dealer to a destroyed individual who had lost everything, including family members, close friends, and himself, all presented in his own words and in grim detail in this book. At a critical turning point in his life, recognizing the threat of his behaviors to survival, he entered detox and embarked on the arduous path to recovery and self-understanding. This process involved not only acknowledging and coming to terms with the injuries he had inflicted on his children and others, but also asking for their forgiveness. Having achieved a new way of life as a responsible and caring adult, Bobby Powers is today, at 69, a nationally respected drug addiction counselor who has aided a wide spectrum of people, including former gang members. His story represents a brutal and inspiring lesson in human frailty, degradation, and transformation.

Bobby will have to overcome his fears if he's going to come out on top.

The Old Place Bobby Finger, 2022-09-20 Winner of the Crook's Corner Book Prize One of Vanity Fair's Best Books of the Year A bighearted and moving debut about a wry retired schoolteacher whose decade-old secret threatens to come to light and send shockwaves through her small Texas town. Billington, Texas, is a place where nothing changes. Well, almost nothing. For the first time in nearly four decades, Mary Alice Roth is not getting ready for the first day of school at Billington High. A few months into her retirement—or, district mandated exile as she calls it—Mary Alice does not know how to fill her days. The annual picnic is coming up, but that isn't nearly enough since the menu never changes and she had the roles mentally assigned weeks ago. At least there's Ellie, who stops by each morning for coffee and whose reemergence in Mary Alice's life is the one thing soothing the sting of retirement. Mary Alice and Ellie were a pair since the day Ellie moved in next door. That they both were single mothers—Mary Alice widowed, Ellie divorced—with sons the same age was a pleasant coincidence, but they were forever linked when they lost the boys, one right after the other. Years later, the two are working their way back to a comfortable friendship. But when Mary Alice's sister arrives on her doorstep with a staggering piece of news, it jeopardizes the careful shell she's built around her life. The whole of her

friendship with Ellie is put at risk, the fabric of a place as steadfast as Billington is questioned, and the unflappable, knotty fixture that is Mary Alice Roth might have to change after all.

**This Bright Future** Bobby Hall, 2021-09-07 The instant New York Times bestseller and “inspiring and vulnerable” (Trevor Noah) memoir from Bobby Hall, the multiplatinum recording artist known as Logic and the #1 bestselling author of *Supermarket*. This *Bright Future* is a raw and unfiltered journey into the life and mind of Bobby Hall, who emerged from the wreckage of a horrifically abusive childhood to become an era-defining artist of our tumultuous age. A self-described orphan with parents, Bobby Hall began life as Sir Robert Bryson Hall II, the only child of an alcoholic, mentally ill mother on welfare and an absent, crack-addicted father. After enduring seventeen years of abuse and neglect, Bobby ran away from home and—with nothing more than a discarded laptop and a ninth-grade education—he found his voice in the world of hip-hop and a new home in a place he never expected: the untamed and uncharted wilderness of the social media age. In the message boards and livestreams of this brave new world, Bobby became Logic, transforming a childhood of violence, anger, and trauma into music that spread a resilient message of peace, love, and positivity. His songs would touch the lives of millions, taking him to dizzying heights of success, where the wounds of his childhood and the perils of Internet fame would nearly be his undoing. A landmark

achievement in an already remarkable career, This Bright Future “is just like the author—fearless, funny, and full of heart” (Ernest Cline, #1 New York Times bestselling author of Ready Player One) and looks back on Bobby’s extraordinary life with lacerating humor and fearless honesty. Heart-wrenching yet ultimately uplifting, this book completes the incredible true story and transformation of a human being who, against all odds, refused to be broken.

My Precious Bobby Bad Bob, 2021-06-24 summary Gripping and emotional. That's exactly what you'll find as you read this book; every page will keep you wanting more. This is the kind of book you just can't put down, and I'm sure you're going to want to read it twice. This is a story of a sweet little boy who turned out to be a bad boy, although everyone knows right from wrong. I'm sure as you read through my book, you'll understand what went wrong. From the cover, you can see the sweet little kid that nobody ever looked out for.

I can remember when I was about eight years old, walking around the neighborhood looking for a church to go to. It seems I was always alone and on my own, but that doesn't bother me anymore. Not having anyone to count on through the years has made me tough and hard. I guess you could even say hard-core through the years. I've had to learn everything on my own mostly out of necessity. If my car broke down, I fixed it. When the plumbing broke, I fixed it. In fact, there's really not much I can't do, even write a book. I got the idea to write my book from my picture on the cover of this book. I would sit and look at that picture, and the inscription on the bottom My Precious Bobby, and I would think to myself, What a joke. Nobody ever treated me precious. Or how could so many crazy things happen to one person? So please sit back and enjoy.

**My Friend Bobby** Alan Edward Nourse, 2013-01-23  
Short story written by American science fiction author and physician, Alan E. Nourse.

*Prayers for Bobby* Leroy Aarons, 2009-08-25 Bobby Griffith was an all-American boy ...and he was gay. Faced with an irresolvable conflict-for both his family and his religion taught him that being gay was wrong-Bobby chose to take his own life. *Prayers for Bobby*, nominated for a 1996 Lambda Literary Award, is the story of the emotional journey that led Bobby to this tragic conclusion. But it is also the story of Bobby's mother, a fearful churchgoer who first prayed that her son would be healed, then anguished over his suicide, and ultimately transformed herself into a national crusader for gay and lesbian youth. As told

through Bobby's poignant journal entries and his mother's reminiscences, *Prayers for Bobby* is at once a moving personal story, a true profile in courage, and a call to arms to parents everywhere.

Bobby O'Malley John Jacobs, 2014-05-07 In the book *Little Bobby O'Malley*, the reader learned of how Bobby saved the life of a young Seminole Indian boy named Tenatke-Yaha (Thunder Wolf ), and how that boy, whom Bobby would later call Thunder, became his best friend. A year after meeting Bobby, Thunders tribe decided to move deep into the Everglades to escape the rapidly growing world of the white man. This book begins with Bobbys search for new adventures, and introduces a girl who becomes his new best friend. *Bobby: A Story of Robert F. Kennedy* Deborah Wiles, 2022-09-06 From two-time National Book Award finalist Deborah Wiles comes a compelling biography of Robert Kennedy. Americans claimed Robert Kennedy as one of their own. They called him Bobby. Lyrical and evocative text by Deborah Wiles (Countdown, Revolution, Anthem, and Kent State) brings the story of Robert F. Kennedy to

life, with breathtaking illustrations by Tatyana Fazlalizadeh. Bobby is set in 1968, with a grandfather telling his grandchild about Kennedy's life. Bobby was the younger brother of President John F. The story concludes as his funeral train makes its solemn journey from New York to Washington, DC. Kennedy was perceived by many to be a rare unifying force in American politics. He was beloved by Americans of all races for his integrity and devotion to the civil rights cause. His life continues to inspire efforts for social change.
