This book covers basic knowledge of Tuina, including detailed explanations of massage methods for common diseases and sub-health conditions. **The 10 Minute Workout** Liza Yogi, 2012-06-21 My name is Liza T.H. Yogi, a Realtor for over 20 years and a Producer of Musical and Artistic Events. After having given birth to three children, I developed layers of fat on my upper and lower abdomen like most mothers that I know. Since I was not one to go to the gym and exercise, I was overweight and lacked the shape and form that I would ideally have like to have had. So on time when I was in the Philippines I meet this lady, who did Slimming Massages. The pain was almost unbearable but because I was too lazy to do regular exercises, I did this instead every other day. It was very effective! She managed to remove the excess fat on my stomach within a month. However, when I returned to Hawaii, I was back to my old habits of not doing any exercise which resulted in me reacquiring the same layered look. When I produced the Women's World Festival of 2008 at the Hawaii Convention Center, there were many pictures taken of me. Interestingly, after 1 month of patiently doing it for 10 minutes almost every day, I lost 1.5 inches at my waistline!!! After 2 months, the loss increased to 2.5 inches!!!
