Sasha Wagstaff

Susan Boyle Alice Montgomery,2010-02-09 An unauthorized biography examining the inspirational Cinderella story of the British TV talent show competitor who shocked the world. On Britain's Got Talent on 11 April 2009, forty-year-old spinster Susan Magdalane Boyle stepped out onto the stage to jeers and sniggers. As she announced she was going to sing "I Dreamed a Dream," the judges Simon Cowell, Amanda Holden and Piers Morgan didn't bother to hide their amusement. One minute later they, and very soon the world, were giving Susan Boyle a standing ovation. She had the voice of an angel, and her story was to become a modern day fairytale, a dream come true. In hours the news of Susan's extraordinary, heartbreaking performance had spread around the globe. She was an instant international star. And today she holds the record for the fastest selling female debut album of all time. In this, the first book to explore Susan's amazing rags to riches story, we follow her from her humble West Lothian background to topping the charts and performing for millions worldwide on TV. Whether it was bullying or nearly not entering Britain's Got Talent because "it was a young person's game," when faced with the toughest challenges, Susan never gave up. The memory of her mother inspired her to give her dream one last chance.

Me and Miss M Jemma Forte,2009-11-05 Ever wondered what a celebrity's life is really like? Struggling actress Fran has always had stars in her eyes but with a part in a car insurance ad as her only claim to fame, making it big is starting to look unlikely. So taking a job as a PA to Caroline Mason - one half of Hollywood's most famous couple - seems like a fantastic opportunity. Especially when Fran's first encounter with Caroline's sexy, Oscar-winning boyfriend involves him wearing nothing but a tiny towel . . . But Fran's new job is far from glamorous as her days are spent fetching never-ending, venti, quattro, decaf, skinny lattes and being an all-round slave to a demanding, botoxed diva. And when the job starts to cost Fran her friends and the man of her dreams she has to ask herself whether it's really worth it. The time has come for Miss M to find out a few home truths, for Fran to get her life on track and to win back her Mr Right.

Changing Grooms Sasha Wagstaff,2009-08-01 Strapping bachelors, juicy secrets and swooning first love. Welcome to the village of Appleton... Sasha Wagstaff's unputdownable debut novel, Changing Grooms, is a warm-hearted, witty and wicked look at the life of luxury in Appleton Manor. The perfect read for fans of Cathy Bramley, and Debbie Johnson. 'Brimming with sex, scandal and secrets - not to mention delectable lads' - Heat Take a gorgeous country pile much in need of funds. Add a glamorous film-star couple planning the Wedding of the Year. Sprinkle a host of unforgettable characters, each with a juicy secret. Result: one long, hot summer of very, very bad behaviour... Meet the Forbes-Henry family of Appleton Manor. Aristocratic, attractive - and decidedly down on their luck. When eldest son Will decides to turn the Manor into a luxury wedding venue, he hopes to attract the rich and famous and save his family from financial ruin. But has he put the family in more danger than ever? What readers are saying about Changing Grooms: 'Completely transports you away from everyday life and manages to take you on a deliciously engaging journey' 'A feel good read with a glamorous setting, gorgeous people and some really clever twists and turns' 'I loved it from the first page to the last and can't wait to read more books by Sasha Wagstaff in the future'
