The Life Graduate Romney T Nelson, 2019-10-25 We all have LIFE MOMENTUM. At any one time, we are either moving closer or further away from what we truly want in life. The decisions we have made and the actions we have taken to this very moment have led to where you are RIGHT NOW, but are you ready to unlock your FULL POTENTIAL? Whether you have aspirations to start your own business, write a book, spend more time with your family, travel, improve your health and fitness or own a seven-figure property portfolio, The Life Graduate will show you the 'how'. Romney Nelson was inspired to create The Life Graduate when he identified a fundamental gap of life skills often not delivered in a practical way throughout teenage years and adulthood. The strategies and systems have been simplified to empower anyone to achieve whatever they want in life through the lessons taught in The Life Graduate. It's your personal 'lesson plan' that teaches you: How to master goal setting and plan your path to success How to take more than 1,000 micro-actions each year to achieve your dream goals How to develop and implement great daily habits to support your goals How to add an extra three months a year to your life to improve your mental and physical health, improve your knowledge and achieve your goals faster than you ever imagined How to tackle and overcome procrastination, fear and the limiting beliefs you hold. It's time RIGHT NOW to release your LIFE MOMENTUM!

The Ultimate Worst-Case Scenario Survival Handbook David Borgenicht, Joshua Piven, Ben H. Winters, 2012-09-07 Four hundred scenarios from all of the bestselling books in the series—with dozens of new entries—from being kicked by a zebra to breakup texts. With over 10 million copies sold worldwide, the Worst-Case Scenario series has been preparing readers for dangers of all kinds for more than a decade. This handsome compendium is truly the ultimate guide for handling life's inevitable Worst-Case Scenarios, collecting—for the first

time—hundreds of the best and most crucial scenarios from across the entire 26-book series, along with dozens of all new and expanded scenarios, charts, and expert tips. Topical, tabloid-style pages explore more than 100 subjects, from storms to stampedes to technology failures and beyond, with special sections highlighting critical information on starting fires, animal encounters, emergency signals, “Can I eat that?” questions, and more. Packed with expert advice and sturdy enough to stop a tiger bite, this gifty tome will keep longtime fans and new initiates safe and entertained in equal measure. Praise for the Worst-Case Scenario Survival series “What this book lacks in spiritual enlightenment, it more than makes up for with the practical advice you thought you’d never need. Yet it’s only when you read about how to deliver a baby in the back of a taxi, surviving quicksand and mastering awkward lift silences that you realize just how handy a book like this could come in. Some day.” —The Irish Times “There is something for everyone. It has a wide range of scenarios from dangerous to just downright irritating . . . It is fun, witty, entertaining and you learn something along the way too.” —Quill Quotes
