Bon Jovi

Bon Jovi Margaret Olson,2013-06-20 In 1986, when Bon Jovi's third studio album, *Slippery When Wet*, was released, America had found its next superband. In *Bon Jovi: America's Ultimate Band*, Margaret Olson chronicles the history and music of the band from its inception to present day. She closely examines Bon Jovi's musical and social relevance to listeners past and present, exploring the remarkable ways the band has emerged as the expression and product of deep cultural needs and how, within a few years of commercial success, it has made a lasting impact on Generation X, the music business, and American culture. Through opportunities offered by cable television (particularly MTV), Hollywood, and corporate brands, Bon Jovi has been able to influence not only the music, film, and television industries but also the worlds of fashion, musical theater, art, philanthropy, and politics. Like any megaband, its members have struggled with addiction, the demands of fame, and a lack of critical respect. They have persevered, however, to become one of the United States' world's best-selling touring bands. Bon Jovi is a testament to the way modern culture and entertainment can become intertwined, and its success underscores the length of the band's career, the professionalism of its management, the recognition of what audiences want, and the unique way the music—more than anything else—both reflects and shapes the social and musical American landscape it inhabits. Titles in the *Tempo* series are ideal introductions to major pop and rock artists, the music they produce, and their cultural and musical impact on society. *Bon Jovi: America's Ultimate Band* should interest fans, students, and scholars alike.

Let It Rock Neil Daniels,2014-05-26 This book is an unashamed celebration of the landmark album Slippery When Wet; Bon Jovi's most successful album to date, with sales of over 28 million copies since its 1986 release, and one of the most toe-tappingly gleeful albums to ever ring out from a pair of speakers. Everyone knows the rock classics 'Livin' On A Prayer' or 'You Give Love A Bad Name', but there isn't a bum track on the record. This is more than a 'making of' type book, because to put Slippery When Wet into context you need to understand what came before and after. It is also a handy fans' guide to the band's career with a track by track review, current thoughts on the album from top rock writers, plus bits and pieces that relate directly (or indirectly) to the legacy of a record which spent eight straight weeks at the top of the Billboard charts. The band, of course, are still with us and released an album in the spring of 2013 along with tour dates, which will heighten interest in the book. Their fan base is seriously loyal. Includes a foreword by former Kerrang! journalist and rock expert Paul Suter and an afterword by A&R supremo Derek Shulman (Simon Dupree And The Big Sound and Gentle Giant), who had the foresight to sign the band.

The 100 Greatest Bands of All Time [2 volumes] David V. Moskowitz,2015-11-10 This one-of-a-kind reference investigates the music and the musicians that set the popular trends of the last half century in America. Many rock fans have, at one time or another, ranked their favorite artists in order of talent, charisma, and musical influence on the world as they see it. In this same spirit, author and music historian David V. Moskowitz expands on the concept of top ten lists to provide a lineup of the best 100 musical groups from the past 60 years. Since the chosen bands are based on the

Never before seen photos take you inside the operating room as Jon Bon Jovi deals with the pain and successful surgery on his knee in 2011. The Decade That Rocked Mark Weiss,Richard Bienstock,2020-06-02 “I have read pretty much every rock 'n' roll biography there is worth reading, and you never know what to expect when you pick up a new book. Well, let me tell you Mark Weiss has raised the bar for rock 'n' roll books with The Decade That Rocked. Mark has always been at the top of his field, and the level of detail and quality put into this book is the ultimate testament to his rock n' roll photographic legacy.” – Sebastian Bach “Mark is the real deal. He may not play the guitar, but that camera is his guitar. He’s a rockstar.” – Gene Simmons Mark’s energy, his creativity, his drive, his positive attitude and his enthusiasm that make him one of the legends of rock photography. It’s why his work—both old and new—is still so in demand today. Mark Weiss inspires greatness in all he turns his camera lens on. But don’t take my word for it. Just look at the pictures in this book. – Dee Snider “His pictures say as much as the music” – Rob Halford “He was one of the guys. He

wasn't one of the 18 photographers you'd work with that day." – Alice Cooper "He had that instinct, to recognize our energy and use his technical talent to capture it." – Joe Perry "The Decade That Rocked breaches a level of intimacy that so many music photographers are lacking today. Each and every photo exemplifies the trust and the synergy between photographer and subject. You can feel the essence of the music in the live shots, just as vibrantly as you can feel the spirit and the essence of the musicians behind the scenes." – Screamer Magazine Mark "Weissguy" Weiss set an unmatched standard for rock photography. Starting out as a teenager by sneaking into concerts with a neighbor's 35mm camera, he embarked on a legendary career that took him around the globe and onto some of the most memorable album and magazine covers in rock history– featuring the likes of Van Halen, Ozzy Osbourne, Aerosmith, and Mötley Crüe to Metallica, Guns N' Roses, Bon Jovi, and KISS, and so many more. And Then They Ruined Everything Duncan Milne,2016-06-30 Having overcome the impossibility of time travel, Kenneth Ramsayer and his best friend exist to relive past rock 'n' roll gigs. Everything is going well; they've become heroes, they've discovered love, they had the world by the tail, and then they ruined everything. Based on what is left of their music collections, it appears that rock 'n' roll died in 1984. Their unassailable knowledge of music, leads the boys to recall that in 1984 an unknown patron made a bootleg recording of a Replacements gig. This cassette was recovered and became the live album "The Shit Hits The Fans". The history of rock 'n' roll was forever changed. Now in a viciously evil plot, a thief has absconded with the recording. But what if the death of rock 'n' roll isn't connected to the missing cassette? Seeking help from unlikely sources and following fading memories, the boys travel across America in a bid to save rock 'n' roll. The second novel in The Death of Rock 'n' Roll series, "And Then They Ruined Everything" cleverly uses the concept of time travel in a rock 'n' roll setting as an examination of choices and the power of art in society.
