Show Tunes Steven Suskin,2000 This comprehensive musical theatre reference book chronicles the work of Broadway's great composers, from 1904 to 1999. Nine hundred shows and almost 9000 show tunes are included, comprising the entire theatrical output of 36 important Broadway composers along with notable musicals by others.

The New Broadway Song Companion David P. DeVenney,2009-07-29 This is a completely revised and expanded second edition of The Broadway Song Companion, the first complete guide and access point to the vast literature of the Broadway musical for the solo performer. Designed with the working actor in mind, the volume lists every song from over 300 Broadway shows, including at least 90 more than the first edition. Organized by show, each song is annotated with the name of the character(s) who sing(s) the song, the vocal range, and a style category, such as uptempo, narrative ballad, swing ballad, moderate character piece, etc. Several indexes are supplied, organizing the songs by voice type (soprano, baritone, etc.) and song style, vocal arrangement (duets, trios, chorus, etc.), and composer and lyricist, allowing increased access to the repertoire. For instance, a soprano looking for a ballad to sing will find every song in that category in the index. All solos, duets, and trios are indexed in this manner, with quartets and larger ensembles listed by voice type. Furthermore, the instant breakdowns (how many lead characters, who sings what song, and the range requirements of each character) will be a valuable resource to directors and producers.

Over 3,700 pages ... Developed by I Corps Foreign Language Training Center Fort Lewis, WA For the Special Operations Forces Language Office United States Special Operations Command LANGUAGE TRAINING The ability to speak a foreign language is a core unconventional warfare skill and is being incorporated throughout all phases of the qualification course.

The students will receive their language assignment after the selection phase where they will receive a language starter kit that allows them to begin language training while waiting to return to Fort Bragg for Phase II. The 3rd Bn, 1st SWTG (A) is responsible for all language training at the USAJFKSWCS. The Special Operations Language Training (SOLT) is primarily a performance-oriented language course. Students are trained in one of ten core languages with enduring regional application and must show proficiency in speaking, listening and reading. A student receives language training throughout the Pipeline. In Phase IV, students attend an 8 or 14 week language blitz depending upon the language they are slotted in. The general purpose of the course is to provide each student with the ability to communicate in a foreign language. For successful completion of the course, the student must achieve at least a 1/1/1 or higher on the Defense Language Proficiency Test in two of the three graded areas; speaking, listening and reading. L'amour n'est pas si simple Francine Distel,2007-03-21 Francine est la femme de l'ombre. Pudique, discrète, cette ancienne championne de ski n'ignore rien lorsqu'elle l'épouse, de la renommée, du succès et des frasques amoureuses de Sacha Distel. Elle s'unit à l'homme qu'elle aime, triomphant des critiques familiales, des jaloux qui ne parient pas un sou sur l'avenir du couple, de ses propres doutes et inquiétudes. Plus de quarante ans, ont passé et Francine ne regrette rien. Elle nous confie, avec émotion et sincérité, les plus beaux souvenirs de son amour - fait de respect, d'admiration, de liberté et d'une compréhension immédiate de l'autre - et les moments de souffrance où il lui a fallu déployer des trésors de courage et de pardon. Chaque trahison de Sacha, chaque scandale comme celui qui suivit l'accident de Sacha et d'une actrice, et la maladie qui s'acharne contre le chanteur, manquent de tout détruire. A une époque si prompte aux changements, aux séparations, à la moindre contrariété, à l'égoïsme, Francine Distel nous offre une précieuse leçon faite de bon sens et de sages conseils : « Toutes les histoires d'amour qui durent se ressemblent. D'abord par l'amour qui leur donne vie, puis par toutes les ressources insoupçonnées qu'il faut trouver en soi pour dépasser la tentation du découragement, pour que l'amour ait le fin mot comme il eut le premier » .

Theatre World 1990-1991 John Willis,2000-02 (Theatre World). Theatre World, the statistical and pictorial record of the Broadway and off-Broadway season, touring

companies, and professional regional companies throughout the United States, has become a classic in its field. The book is complete with cast listings, replacement producers, directors, authors, composers, opening and closing dates, song titles, and much, much more. There are special sections with biographical data, obituary information, listings of annual Shakespeare festivals and major drama awards.

The Girl Who Reads on the Métro Christine Féret-Fleury,2019-10-08 "With a cast of characters reminiscent of the French film Amélie, Féret-Fleury creates a world that is delightful and enchanting...Light and sweet as a bonbon, this little confection of a book is delicious." —Kirkus Reviews For fans of Amélie and The Little Paris Bookshop, a modern fairytale about a French woman whose life is turned upside down when she meets a

reclusive bookseller and his young daughter. Juliette leads a perfectly ordinary life in Paris, working a slow office job, dating a string of not-quite-right men, and fighting off melancholy. The only bright spots in her day are her métro rides across the city and the stories she dreams up about the strangers reading books across from her: the old lady, the math student, the amateur ornithologist, the woman in love, the girl who always tears up at page 247. One morning, avoiding the office for as long as she can, Juliette finds herself on a new block, in front of a rusty gate wedged open with a book. Unable to resist, Juliette walks through, into the bizarre and enchanting lives of Soliman and his young daughter, Zaide. Before she realizes entirely what is happening, Juliette agrees to become a passeur, Soliman's name for the booksellers he hires to take stacks of used books out of his store and into the world, using their imagination and intuition to match books with readers. Suddenly, Juliette's daydreaming becomes her reality, and when Soliman asks her to move in to their store to take care of Zaide while he goes away, she has to decide if she is ready to throw herself headfirst into this new life. Big-hearted, funny, and gloriously zany, The Girl Who Reads on the Métro is a delayed coming-of-age story about a young woman who dares to change her life, and a celebration of the power of books to unite us all.
