

# Boogie Star Radio

Michael Lydon

**Big Star's Radio City** Bruce Eaton, 2009-05-01  
Radio City (the book) is the improbable but true story of an ardent fan who gets close enough to Alex Chilton, the prime architect of the best power pop album ever made outside of Abbey Road Studios, to see what's on the other side of genius, fame, and expectations. This book examines the key ingredients of Radio City's lasting appeal, including the unique confluence of circumstances that channeled Alex Chilton's creative energies toward the possibility of commercial success for perhaps the last time.

**Big Star's Radio City** Bruce Eaton, 2009-05-01  
Released when ELP and Elton John were plodding from one packed stadium to the next, Radio City was a radical album influenced by records that were already deemed oldies and yet sounding like a lean electrical jolt from the future. Here, Bruce Eaton examines the key ingredients of Radio City's lasting appeal- and through extensive interviews with all of those involved, gets to the heart of the cult of Big Star.

Radio Stars Thomas A. DeLong, 1996  
From the time Westinghouse started commercial broadcasting in 1920 through the end of the radio soap operas in the early 1960s, hundreds of men and women performed on radio. Day after day, week after week, these performers (e.g., Jack Benny, Bing Crosby, Kate Smith, Lowell Thomas, Kay Kyser, and Bob Hope) became familiar voices and welcomed guests in the homes of millions of Americans. Actors, comedians, singers, commentators, announcers, emcees, newscasters, preachers and

various other artists all gave voice to radio and 953 of them are covered in this unique reference work. Performers Fran Allison, Les Paul, Johnny Desmond, Alec Templeton, Don Wilson, Jerry Colonna and soap opera favorites Virginia Payne, Betty Garde, Macdonald Carey, David Gothard, Page Gilman, and Jan Miner are included herein, as well as Ezra Stone, Groucho Marx, Will Rogers, and Frank Sinatra and hundreds more. For each, there is a listing of their radio programs, birth and death dates (where appropriate) and a biography that focuses on their work in radio. Heavily illustrated.

*The Soundies* Mark Cantor, 2023-04-19 The 1940s saw a brief audacious experiment in mass entertainment: a jukebox with a screen. Patrons could insert a dime, then listen to and watch such popular entertainers as Nat King Cole, Gene Krupa, Cab Calloway or Les Paul. A number of companies offered these tuneful delights, but the most successful was the Mills Novelty Company and its three-minute musical shorts called Soundies. This book is a complete filmography of 1,880 Soundies: the musicians heard and seen on screen, recording and filming dates, arrangers, soloists, dancers, entertainment trade reviews and more. Additional filmographies cover more than 80 subjects produced by other companies. There are 125 photos taken on film sets, along with advertising images and production documents. More than 75 interviews narrate the firsthand experiences and recollections of Soundies directors and participants. Forty years before MTV, the Soundies were there for those who loved the popular music

of the 1940s. This was truly music for the eyes.

**Horror Stars on Radio** Ronald L. Smith, 2010-03-08  
This book chronicles the radio appearances of all prominent classic horror movie stars—Boris Karloff, Bela Lugosi, Peter Lorre, Vincent Price, and two dozen more, including “scream queens” like Fay Wray. It contains script excerpts from radio shows as well as material from narrated albums and music singles. Each star’s appearances are listed by show and air date, with descriptions of the subject matter.

**Radio Star** Tanya O'Debra, 2013-07-08 Synopsis:  
Radio Star is a 1940's radio detective spoof. In The Case of the Long Distance Lover, Nick McKittrick; Private Dick, is hired by femme fatale Fanny LaRue to find her husband's killer. The plot is a standard mystery, but Radio Star's contemporary sense of humor sets it apart from the pack. A laugh out loud radio romp, easily produced with one actress or a larger cast. Cast Size: 1 Female

**Just Remember This** Colin Bratkovich, 2014-05-08 I have completed this manuscript Just Remember This, or as American Pop Singers 1900-1950+, about music before the 1950s in America. It perhaps offers knowledge and insights not previously found in other musical reference books. I have moreover been working on this book very meticulously over the past twelve-plus years. It started as a bit of fun and gradually became serious as I began to listen along with the vocalists of popular music, of the era before 1950, essentially just before the dawn of rock and roll. If you can call it that! Indeed genre and labeling of American music

started here, and then from everywhere. While the old adage of always starting from somewhere could be noted in every century, the 1900s had produced the technology. Understanding the necessity, more so, finds a curiosity on the part of a general public hungry for entertainment, despite 6 day work weeks, World War I, the Great Depression, and World War II.

**Boogie Lightning** Michael Lydon, 1974

*The First Generation of Country Music Stars*

David Dicaire, 2015-01-27 This book focuses on 50 of the most important entertainers in the history of country music, from its beginnings in the folk music of early America through the 1970s. Divided into five distinct categories, it discusses the pioneers who brought mountain music to mass audiences; cowboys and radio stars who spread country music countrywide; honky-tonk and bluegrass musicians who differentiated country music during the 1940s; the major contributions that female artists made to the genre; and the modern country sound which dominated the genre from the late 1950s to the mid-1980s. Each entry includes a brief biography of the chosen artist with special emphasis on experiences which influenced their musical careers. Covered musicians include Fiddlin' John Carson, Riley Puckett, Gene Autry, Roy Rogers, Bob Wills, Bill Monroe, Hank Williams, Sr., Dale Evans, June Carter Cash, Loretta Lynn, Buck Owens, Roy Clark, Willie Nelson and Merle Haggard.

**KISS FM: From Radical Radio To Big Business: The Inside Story Of A London Pirate Radio Station's Path To Success** Grant Goddard, 2011-06-09 This

comprehensive, meticulously researched work offers a rare glimpse into the dark and secretive world of pirate radio in London, revealing the ambition and greed of some of those involved, as well as the duplicity and deceit deployed to destroy others who got in their way.

*Wolf-Women and Phantom Ladies* Steven

Dillon, 2015-03-16 Provides encyclopedic coverage of female sexuality in 1940s popular culture. 2015 CHOICE Outstanding Academic Title Popular culture in the 1940s is organized as patriarchal theater. Men gaze upon, evaluate, and coerce women, who are obliged in their turn to put themselves on sexual display. In such a thoroughly patriarchal society, what happens to female sexual desire? *Wolf-Women and Phantom Ladies* unearths this female desire by conducting a panoramic survey of 1940s culture that analyzes popular novels, daytime radio serials, magazines and magazine fiction, marital textbooks, Hollywood and educational films, jungle comics, and popular music. In addition to popular works, Steven Dillon discusses many lesser-known texts and artists, including Ella Mae Morse, a key figure in the founding of Capitol Records, and Lisa Ben, creator of the first lesbian magazine in the United States. Steven Dillon is Professor of English at Bates College and the author of *Derek Jarman and Lyric Film: The Mirror and the Sea* and *The Solaris Effect: Art and Artifice in Contemporary American Film*.

**Billboard** , 1953-12-05 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard

publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

*Race and Radio* Bala James Baptiste, 2019-08-01 In *Race and Radio: Pioneering Black Broadcasters in New Orleans*, Bala James Baptiste traces the history of the integration of radio broadcasting in New Orleans and tells the story of how African American on-air personalities transformed the medium. Analyzing a trove of primary data—including archived manuscripts, articles and display advertisements in newspapers, oral narratives of historical memories, and other accounts of African Americans and radio in New Orleans between 1945 and 1965—Baptiste constructs a formidable narrative of broadcast history, racism, and black experience in this enormously influential radio market. The historiography includes the rise and progression of black broadcasters who reshaped the Crescent City. The first, O. C. W. Taylor, hosted an unprecedented talk show, the Negro Forum, on WNOE beginning in 1946. Three years later in 1949, listeners heard Vernon Dr. Daddy-O Winslow's smooth and creative voice as a disk jockey on WWEZ. The book also tells of Larry McKinley who arrived in New Orleans from Chicago in 1953 and played a critical role in informing black listeners about the civil rights movement in the city. The racial integration of radio presented opportunities for African Americans to speak more clearly, in their own voices, and with a technological tool that opened a broader horizon in which to envision community.

While limited by corporate pressures and demands from advertisers ranging from local funeral homes to Jax beer, these black broadcasters helped unify and organize the communities to which they spoke. *Race and Radio* captures the first overtures of this new voice and preserves a history of black radio's awakening.

**Speaking of Radio** Chuck Schaden, 2003

**Monster Boogie** Laurie Berkner, 2018-07-24 Laurie Berkner, "the queen of children's music" (People), pairs the lyrics of her infectious hit song with Ben Clanton's whimsical illustrations in this groovy and adorable picture book—a must-have for fans of Laurie, dancing, and all things monstrous! I'm the biggest monster that you've ever seen! My eyes are purple and my teeth are green. I'm big and I'm scary, you know what I mean? And this is what I like to do... Boogie away those bedtime fears and embrace your inner monster with *Monster Boogie*, based on Laurie Berkner's irresistibly fun song and featuring lively, playful artwork by Ben Clanton! I do the monster boogie. So can you! Rraaaahhh!

**Stars of Jazz** James A. Harrod, 2020-03-25 Imagine an educational television series featuring America's greatest jazz artists in performance, airing every week from 1956 to 1958 on KABC, Los Angeles. *Stars of Jazz* was hosted by Bobby Troup, the songwriter, pianist and vocalist. Each show provided information about the performance that heightened viewers' appreciation. The series garnered praise from critics and numerous awards including an Emmy from the Academy of Television Arts & Sciences. A landmark series visually, too,

it presented many television firsts including experimental films by designers Charles and Ray Eames. All 130 shows were filmed as kinescopes. Surviving films were donated to the UCLA Film & Television Archive, where 16 shows have been restored; 29 additional shows are in the collection. The remaining 85 kinescopes were long ago discarded. This first full documentation of Stars of Jazz identifies every musician, vocalist, and guest who appeared on the series and lists every song performed on the series along with composer and lyricist credits. More than 100 photographs include images from many of the lost episodes.

The Encyclopedia of Dead Rock Stars Jeremy Simmonds, 2012-11-01 The bible of music's deceased idols—Jeff Buckley, Sid Vicious, Jimi Hendrix, Tupac, Elvis—this is the ultimate record of all those who arrived, rocked, and checked out over the last 40-odd years of fast cars, private jets, hard drugs, and reckless living. The truths behind thousands of fascinating stories—such as how Buddy Holly only decided to fly so he'd have time to finish his laundry—are coupled with perennial questions, including Which band boasts the most dead members? and Who had the bright idea of changing a light bulb while standing in the shower?, as well as a few tales of lesser-known rock tragedies. Updated to include all the rock deaths since the previous edition—including Ike Turner, Dan Fogelberg, Bo Diddley, Isaac Hayes, Eartha Kitt, Michael Jackson, Clarence Clemons, Amy Winehouse, and many, many more—this new edition has been comprehensively revised

throughout. An indispensable reference full of useful and useless information, with hundreds of photos of the good, the bad, and the silly, this collection is guaranteed to rock the world of trivia buffs and diehards alike.

Billboard ,1953-12-05 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. ### **Boogie Star Radio Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading

documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different

categories. Another reliable platform for downloading Boogie Star Radio free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share

their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Boogie Star Radio free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a

crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Boogie Star Radio free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Boogie Star Radio. In conclusion, the internet offers numerous platforms and websites that allow users to download free

PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Boogie Star Radio any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Boogie Star Radio Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research

different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks

incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Boogie Star Radio is one of the best book in our library for free trial. We provide copy of Boogie Star Radio in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Boogie Star Radio. Where to download Boogie Star Radio online for free? Are you looking for Boogie Star Radio PDF? This is definitely going to save you time and cash in something you should think about.
