A Journal for Jordan Dana Canedy, 2009-10-13 NEW YORK TIMES BESTSELLER • "A hauntingly beautiful account of a family fractured by war . . . filled with vivid and heartbreaking details."—The New York Times Book Review NOW A MAJOR MOTION PICTURE • "Full of wonderful treasures offered by a unique and spirited father . . . written with serene grace: part memoir, part love story, all heart."—James McBride, author of *The Color of Water* In 2005, Dana Canedy's fiancé, First Sergeant Charles Monroe King, began to write what would become a two-hundred-page journal for his son in case he did not make it home from the war in Iraq. He was killed by a roadside bomb on October 14, 2006. His son, Jordan, was seven months old. Inspired by his example, Dana was determined to preserve his memory for their son. *A Journal for Jordan* is a mother's fiercely honest letter to her child about the parent he lost before he could even speak. It is also a father's advice and prayers for the son he will never know. A father figure to the soldiers under his command, Charles moved naturally into writing to his son. In neat block letters, he counseled him on everything from how to withstand disappointment and deal with adversaries to how to behave on a date. And he also wrote of recovering a young soldier's body, piece by piece, from a tank—and the importance of honoring that young man's life. He finished the journal two months before his death while home on a two-week leave, so intoxicated with love for his infant son that he barely slept. This is also the story of Dana and Charles together—two seemingly mismatched souls who loved each other deeply and lost each other too soon. *A Journal for Jordan* is a tender introduction, a loving good-bye, a reporter's inquiry into her soldier's life, and a heartrending reminder of the human cost of war.

12th Contemporary Artists' Book Fair Chris Taylor, John McDowell, Storyboard Press, University of Leeds (Leeds), 2009

No Retreat, No Surrender Tom D. DeLay, Stephen Mansfield, 2007 A candid memoir by the former majority leader of the House of Representatives describes pivotal elements from his career, from his conversion to Christianity and contributions to the 1994 takeover to his relationships with such figures as George W. Bush, Bill Clinton, and Newt Gingrich.

Queer Spirits A. A. Bronson, Peter Hobbs, 2011 From 2008 to 2010, AA Bronson and Peter Hobbs collaborated to convene small groups of men in various locations throughout Canada and the United States in a secret group ritual known as Invocation of the Queer Spirits. Invoking the queer and marginalized histories of each site in celebrations of sexuality and memorialisation, the groups performed something that Bronson has characterized as a hybrid between group therapy, ceremonial magic, a séance and a quilting bee. *Queer Spirits* explores all five performances in five chapters of photographic essays together with a brilliant and frequently humorous reflection on queer animals, forest rangers, shamanism and alfresco sex by Peter Hobbs.

Nightmare at the Book Fair Dan Gutman, 2008-07-29 When fifth-grader Trip Kindleman, who does not like to read very much, is hit on the head by a heavy box and becomes a character in a series of different books--from a sports story to a science fiction novel to an adventure tale--his view of reading is changed forever.

The Breakthrough Gwen Ifill, 2009-10-27 In *The Breakthrough*, veteran journalist Gwen Ifill surveys the American political landscape, shedding new light on the impact of Barack Obama's stunning presidential victory and introducing the emerging young African American politicians forging a bold new path to political power. Ifill argues that the Black political structure formed during the Civil Rights movement is giving way to a generation of men and women who are the direct beneficiaries of the struggles of the 1960s. She offers incisive, detailed profiles of such prominent leaders as Newark Mayor Cory Booker, Massachusetts Governor Deval Patrick, and U.S. Congressman Artur Davis of Alabama (all interviewed for this book), and also covers numerous up-and-coming figures from across the nation. Drawing on exclusive interviews with power brokers such as President Obama, former Secretary of State Colin Powell, Vernon Jordan, the Reverend Jesse Jackson, his son Congressman Jesse Jackson Jr., and many others, as well as her own razor-sharp observations and analysis of such issues as generational conflict, the race/ gender clash, and the black enough conundrum, Ifill shows why this is a pivotal moment in American history. *The Breakthrough* is a remarkable look at contemporary politics and an essential foundation for understanding the future of American democracy in the age of Obama.

"Only the Super-Rich Can Save Us!" Ralph Nader, 2011-01-04 In the cozy den of the large but modest house in Omaha where he has lived since he started on his first billion, Warren Buffett watched the horrors of Hurricane Katrina unfold on television in early September 2005. . . . On the fourth day, he beheld in disbelief the paralysis of local, state, and federal authorities unable to commence basic operations of rescue and sustenance, not just in New Orleans, but in towns and villages all along the Gulf Coast. . . . He knew exactly what he had to do. . . . So begins the vivid fictional account by political activist and bestselling author Ralph Nader that answers the question, What if? What if a cadre of superrich individuals tried to become a driving force in America to organize and institutionalize the interests of the citizens of this troubled nation? What if some of America's most powerful individuals decided it was time to fix our government and return the power to the people? What if they focused their power on unionizing Wal-Mart? What if a national political party were formed with the sole purpose of advancing clean elections? What if these seventeen superrich individuals decided to galvanize a movement for alternative forms of energy that will effectively clean up the environment? What if together they took on corporate goliaths and Congress to provide the necessities of life and advance the solutions so long left on the shelf by an avaricious oligarchy? What could happen? This extraordinary story, written by the author who knows the most about citizen action, returns us to the literature of American social movements—to Edward Bellamy, to Upton Sinclair, to John Steinbeck, to Stephen Crane—reminding us in the process that changing the body politic of America starts with imagination.

Dear Hound Jill Murphy, 2011-09-27 Alfie's your average deer hound puppy—curious about the world around him, happy to chase the cat and laze around in his favorite beanbag bed, and very loyal to his boy, Charlie. So he's extremely upset when Charlie goes away and leaves him with a sitter—upset enough that he escapes into the woods. With the help of some friendly foxes, Alfie learns to live in the wild, but he never stops thinking of Charlie and trying to find his way home. And Charlie, of course, never stops thinking of Alfie, either. Will these two be able to find each other before it's too late? Featuring irresistible black-and-white line drawings on every spread, *Dear Hound* is both an accessible, heartwarming story and the perfect choice for readers graduating out of early chapter books.

The Clinton Tapes Taylor Branch, 2009-09-29 Former President Bill Clinton speaks intimately over seven years to his long-time friend, a Pulitzer Prize-winning historian, about what it's like to be president. Providing illuminating commentaries on major issues, these conversations depict Clinton as a principled man with a restless

intellect. b&w photographs.

Vanity Fair's Proust Questionnaire Graydon Carter,2009-10-13 An intimate look into the inner lives of our most prominent cultural figures—pulled from the celebrated Proust Questionnaire page in *Vanity Fair* magazine. The probing set of questions originated as a 19th-century parlor game popularized by contemporaries of Marcel Proust, the French essayist and novelist, who believed that an individual's answers reveal his true nature. Illustrated by Risko, *Vanity Fair's Proust Questionnaire* Edited by Graydon Carter and Illustrated by Risko, brings together the responses of 101 of the most vibrant personalities of our time, from Bette Midler and Lauren Bacall to Salman Rushdie and Norman Mailer, from Martin Scorsese and Shirley MacLaine to Aretha Franklin and Eric Clapton. Candid, hilarious, and endlessly fascinating,

Trinidad Noir Robert Antoni,Elizabeth Nunez,Oonya Kempadoo,Ramabai Espinet,Shani Mootoo,Lawrence Scott,2008-08-01 Eighteen authors share dark mysteries set on the sunny Caribbean island in this anthology. Akashic Books continues its award-winning series of original noir anthologies, launched in 2004 with *Brooklyn Noir*. Each book is comprised of all-new stories, each one set in a distinct neighborhood or location within the geographic area of the book. As reflected herein, the Caribbean provides no shelter from the delicious terror of noir fiction. Features brand-new stories by Robert Antoni, Elizabeth Nunez, Lawrence Scott, Ramabai Espinet, Shani Mootoo, Kevin Baldeo Singh, Vahni Capildeo, Willi Chen, Lisa Allen-Agostini, Keith Jardim, Reena Andrea Manickchand, Tiphanie Yanique, and more. Praise for *Trinidad Noir* “The volumes in Akashic’s locale-based noir anthology series set outside North America (*Dublin Noir*, etc.) offer more variety than those set in different major U.S. cities, and this one is no exception. The editors’ brief but insightful introduction makes clear that the sun and sea tourist image of the Republic of Trinidad and Tobago is at odds with the country’s political climate of excess and corruption and an element of society afloat in drugs and guns The two standouts are Keith Jardim’s mystical “The Jaguar” and Lawrence Scott’s “Prophet,” in which a series of child disappearances in a small but corrupt community builds to an appropriately bleak ending.” —*Publishers Weekly*

Deo arrives in the United States from Burundi in search of a new life. Having survived a civil war and genocide, he lands at JFK airport with two hundred dollars, no English, and no contacts. He ekes out a precarious existence delivering groceries, living in Central Park, and learning English by reading dictionaries in bookstores. Then Deo begins to meet the strangers who will change his life, pointing him eventually in the direction of Columbia University, medical school, and a life devoted to healing. Frost Fair Erastes,2009 The research behind 'Frost Fair' is impressive indeed...and the depiction of the winter carnival taking place on the frozen Thames is a delight. - Mel Keegan In 1814, the River Thames froze solid in one of the coldest winters on record; tradesmen and society all flocked to the Frost Fair - the last ever to be held on the ice. Against this chilly backdrop, the printer, engraver and fiercely independent Gideon Frost struggles; not only to keep his business afloat, selling his body to men when he must, but also to hide his growing attraction to a wealthy customer: the gentleman Joshua Redfern. Redfern is a man out of Gideon's class and very much out of his reach. When disaster strikes, Gideon is forced to make a decision which will affect his future: will he choose love, or independence? Frost Fair evokes a bitterly cold London winter as Gideon tries to find the heat of love in his heart and his life. Written by Erastes, author of the widely acclaimed Standish and Transgressions, the latter the first in a new line of m/m historical romances published by Running Press.

The Frankfurt Book Fair and Bestseller Business Beth Driscoll,Claire Squires,2020-10-22 The Frankfurt Book Fair is the leading global industry venue for rights sales, facilitating business-to-business deals and international networks. In this Element, we pursue an Ullapoolist approach to excavate beneath the production of bestsellers at the Fair. Our investigation involved three consecutive years of fieldwork (2017–2019) including interviews and autoethnographic, arts-informed interventions. The Element argues that buzz at the Fair exists in two states: as market-ready media reports and partial, lived experiences linked to mood. The physical structures and absences of the Fair enact its power relations and direct the flow of books and buzz. Further, the Fair is not only a site for commercial exchange but a carnival of sorts, marked by disruptive historical events and problematic socio-political dynamics. Key themes emerging from the Element are the presence of excess, the pseudo(neo)liberal self-

satisfaction of book culture, and the interplay of optimism and pessimism in contemporary publishing.
