Book of Shadows Phyllis Currott,2013-07-03 Since Phyllis Currott first published *Book of Shadows*, the story of her spiritual journey and initiation as a High Priestess in the Wiccan community, Witchcraft has captured America's imagination as a theme for fiction, television shows, and films. Now America's highest-profile Witch returns to dispel more myths and misrepresentations of her faith, and to share a practical guide to the beautiful spiritual rituals and philosophies behind Wiccan tradition. Rich with enchanting stories from Currott's own experiences and detailed advice for creating potions, working with Nature, and finding the Divine within, *Witch Crafting* is much more than just another superficial recipe book. Currott's unique guidebook integrates the inspiration of religious wisdom with sound, practical information. *Witch Crafting* reveals how to: incorporate Wiccan practices into your daily life; master the secret arts of effective spell casting; create sacred space and personal rituals; perform divinations for insight and success; and tap the magical power of altered states, such as dreaming meditation, prayer, and trance. Perfect for beginners or seasoned practitioners, *Witch Crafting* is the ideal handbook for anyone seeking to unlock the divine power that makes real magic happen, and to experience the power and gifts of the universe more fully.

Book of Shadows Gerald Gardner,2014-08-04 A *Book of Shadows* is a book containing religious texts and instructions for magical rituals found within the Neo-pagan religion of Wicca. The first *Book of Shadows* was created by Gerald B. Gardner, (an author as well as an amateur archaeologist and anthropologist), in the late 1940's or early 1950's, which he used in his Bricket Wood coven and then in later covens which he founded. The concept was adopted by other traditions. The current *Book of Shadows* is a compilation of manuscripts found in his museum after his death.

Cunningham's Book of Shadows Scott Cunningham,2011-01-08 Llewellyn is pleased to present a new Scott Cunningham book—a long-lost *Book of Shadows*. Discovered in a battered manila envelope, this previously unpublished manuscript was penned by Scott in the early 1980s. This rare book includes original spells, rituals, invocations, and an herbal grimoire. Featured in the design are Scott's actual hand-drawn signs, symbols, and runes. More than twenty years after his passing, Scott Cunningham is still an iconic and highly regarded figure in the magical community. His books on Wicca are considered classics, and his writings continue to inspire and inform those new to the Craft.

The Book of Shadows Anastasia Greywolf,2021-10-05 The *Book of Shadows* is your all-in-one journal resource for learning the basics of witchcraft, performing over 40 spells and rituals, documenting your spellwork, and then reflecting on your inner witch with creative prompts to transform your life.

Diary of a Haunting M. Verano,2015-08-25 In the tradition of *Paranormal Activity* and *The Blair Witch Project*, an American teen recounts the strange events that occur after she moves into a new—and very haunted—home with her family in this chilling diary that features photos and images of what she experienced. Letters, photographs, and a journal...all left behind in the harrowing aftermath. Following her parents' high-profile divorce, Paige and her brother are forced to move to Idaho with their mother, and Paige doesn't have very high hopes for her new life. The small town they've

moved to is nothing compared to the life she left behind in LA. And the situation is made even worse by the drafty old mansion they've rented that's filled with spiders and plenty of other pests that Paige can't even bear to imagine. Pretty soon, strange things start to happen around the house—one can of ravioli becomes a dozen, unreadable words start appearing on the walls, and Paige's little brother begins roaming the house late at night. And there's something not right about the downstairs neighbor who seems to know a lot more than he's letting on. Things only get creepier when she learns about the cult that conducted experimental rituals in the house almost one hundred years earlier. The more Paige investigates, the clearer it all becomes: there's something in the house, and whatever it is...and it won't be backing down without a fight.

Wiccan Book of Shadows Guide Dayanara Blue Star,2015-01-25 The Book of Shadows acts a little like a Wiccan's guide book, holding a varied amount of knowledge from rituals and spells to beliefs and traditions. Written by Gerald Gardiner in the late 1940's to early 1950's for his coven of Brickett Wood, it was written to guide beginning Wiccans. They used information from this book, adding and leaving out information to suit their own books. A Wiccan who joined Gardiner's coven and later a high priestess, Doreen Valiente, decided to rework Gardiner's original tome. She is credited with creating the Wiccan Rede and also contributed her own poetry to the publication. In earlier times, Wicca was mostly run by covens, which would have only one Book of Shadows, which was the responsibility of the High Priest or Priestess. However, today, Wicca has changed and often a coven will have its own Book of Spells while each individual Wiccan has their own singular Book of Shadows that they develop themselves. It is a highly personal book which reflects the individuality of each practitioner. Practitioners do not always belong to a coven and they will usually develop a Book of Shadows on their own. The Book of Shadows (BOS) is an item every Wiccan needs. It stores information on spells, rituals, materials, and knowledge you will need for your Wiccan practice and helps you start on your Wiccan path. It's important for Wiccans to create a Book of Shadows to store their knowledge. Take advantage of this great opportunity and learn how to create your own book of shadows! BLESSED BE!

The Green Wiccan Book of Shadows Silja,2011-09-08 Traditionally, the Book of Shadows is a High Priestess's way of handing on her collection of spells, rituals and magical tips and tricks to her coven members. Modern-day witches, by necessity or choice, often practise alone without access to this invaluable knowledge—and this is where this lavishly illustrated compendium comes in. Celtic Wiccan High Priestess Silja covers the basic and intermediate levels of magic for solitary witches. She shares a wide-ranging array of spells that have been successful for her—not least how to attract more love, money and luck into your life. With an easy to difficult rating system, she makes it simple for anyone to learn basic spells and then progress. Silja shares meditations—from energy-raising exercises to vision quests and guided meditations you can do with friends—and shows you why rituals are not just for coven use. Discover how to practise rituals alone to honour the seasons, say thanks to the deities for a spell that worked or send healing energy to a friend in need. Finally, once you have absorbed Silja's wisdom and knowledge, you can begin personalizing your magic and writing your own spells.

The Book of Shadows ,2016-10-11 For Wiccans wishing to chart the progress of their individual practice, jot down dreams, or inscribe personal spells and rituals, this elegant journal--now with even more blank pages--is the perfect keepsake. There's space for every important reflection throughout the year, and an introduction by noted author Cassandra Eason explains basic concepts and invites all Wiccans to come here to safeguard their innermost thoughts.

The Book of Shadows Marc Olden, 1981 To fulfill an ancient rite of vengeance, two druids descend on New York City Out for kicks on a dull summer night, a few Puerto Rican boys wander Central Park. Drunk, high, and bored they hack at an old oak tree, and they don't notice the white-haired couple appear behind them. Murmuring in an ancient tongue, the couple attacks the boys to save the oak. By the time the police arrive, two boys have been slashed to death, and their right hands cut from their bodies. Rupert and Rowena Comfort are druids, keepers of a religion that is older than civilization itself. For thousands of years they have lived in secret in the wilds of England, until the day that five Americans happen on their village and steal the book of shadows--a witch's tome passed down by the druids for millennia. Rupert and Rowena will kill to save the book,

starting with a spell whose recipe calls for the blood from two severed hands.
