The Book of Barkley L. B. Johnson,2014-07-24 L.B.

Johnson knew how to get things done. She had been immersed in a world of complex puzzles, and tangled story lines of physical and governmental laws. She was quite sure she was up to the task of raising a black Labrador retriever puppy. His name was Barkley, and in being himself, he led his owner down a path of joyful discovery, loving frustration, and self-sacrifice. Their journey together will speak volumes to anyone who has ever had a beloved animal as a heart's companion...from the gentle nuzzles that healed in moments of crisis, to the saintly patience needed to deal with a small pink ball with feet, named "Mr. Squeaky," who interrupted many hours of sleep. It is the story of rambunctious trespasses such as "the bacon incident," and the loving trust that bound a woman and her dog together in unspoken understanding. The Book of Barkley is a tribute and memoir that will resonate with everyone who has reached out unthinking to pet a beloved

animal...only to remember that a beloved friend is no longer present. Honest, transcendent, and beautifully written, *The Book of Barkley* is a love story that will enrich every animal lover's library.

Golden Retrievers - Dog Books for Kids K. Bennett, John

Davidson,2015-09-06 Golden Retrievers - Dog Books for Kids Table of Contents Introduction Chapter 1 - Early History Chapter 2 - Fascinating Features & Care Chapter 3 - Amazing Golden Retriever facts Conclusion - A Family's best friend Author Bio Introduction A dog is man's best friend, and vice versa. -Anonymous Golden Retrievers are considered 'the perfect family pet.' They are charming, warm, tolerant, versatile, intelligent, and very friendly. As a large size dog breed, they were originally bred as gun dogs and used during hunting to help "retrieve" game like ducks and waterfowl. As the name indicates, "retrievers" were used to "retrieve" things, but their athletic skills go beyond hunting. For one thing, Retrievers love the water. It is almost instinctive to them and they will not hesitate to get wet. They thrive on activities that give them something to do. It can be a nice game of fetch, some fun at the beach, running around the yard, or racing across an open field. Although bred as a part of working dog, Golden retrievers are one of the top ten most popular dog breeds today. They are also well known for their participation in conformation shows. Their versatile nature extends beyond dog shows and into the home. For example, Golden Retrievers are used as guide dogs for the blind and hearing dogs for those who are impaired. Their skills include search and rescue and detection dogs. They love to play but this does not mean they are not trainable. Retrievers love to learn new things, so training your dog to accept new commands is a breeze! When it comes to relationships, the Retriever's gentle and patient demeanor makes them an excellent companion for children, and their affectionate nature will endear them to the entire family. Although exercise is required for this breed, it can enjoy calm indoor activities as well. And, its tranquil nature makes it a delight no matter where you may be. For these reasons and many

more, Golden Retrievers are highly recommended as a loyal and faithful companion. Their steadfast obedient and loyal nature is not only deserving of the title “man’s best friend” but also... “Best family friend!”
