Coming of Age at the End of Days Alice LaPlante,2015-08-04 A girl is lured into fanaticism in this psychological thriller with “stunning twists”—by the New York Times—bestselling author of *Turn of Mind* (San Francisco Chronicle). Never one to conform, Anna always had trouble fitting in. Earnest and willful, she quickly learned, as a young girl, how to hide her quirks from her parents and friends. But at sixteen, a sudden melancholia takes hold of her life. Then the Goldschmidts move in next door. The new neighbors are active members of a religious cult, and Anna is awestruck by both their son, Lars, and their fervent violent prophecies for the Tribulation at the End of Days. Within months, Anna’s life—her family, her home, her very identity—will undergo profound changes. But when her newfound beliefs threaten to push her over the edge, she must find her way back to the center, in this “crisp meditation on the deadly mixture of mental illness and religious charlatanism” (San Francisco Chronicle). “LaPlante crafts prose that cuts to the quick and is the perfect vehicle for this dark tale. . . . A compelling read.” —The Seattle Times

Juan Felipe Herrera Francisco A. Lomelí,Osiris Aníbal Gómez,2023-06-20 For the first time, this book presents the distinguished, prolific, and highly experimental writer Juan Felipe Herrera. This wide-ranging collection of essays by leading experts offers critical approaches on Herrera, who transcends ethnic and mainstream poetics. It expertly demonstrates Herrera’s versatility, resourcefulness, innovations, and infinite creativity. As a poet Herrera has had an enormous impact within and beyond Chicano poetics. He embodies much of the advancements and innovations found in American and Latin American poetry from the early 1970s to the present. His writings have no limits or boundaries, indulging in the quotidian as well as the overarching topics of his era at different periods of his life. Both Herrera and his work are far from being unidimensional. His poetics are eclectic, incessantly diverse, transnational, unorthodox, and distinctive. Reading Herrera is an act of having to rearrange your perceptions about things, events, historical or intra-historical happenings, and people. The essays in this work delve deeply into Juan Felipe Herrera’s oeuvre and provide critical perspectives on his body of work. They include discussion of Chicanx indigeneity, social justice, environmental imaginaries, Herrera’s knack for challenging theory and poetics, transborder experiences, transgeneric constructions, and children’s and young adult literature. This book includes an extensive interview with the poet and a voluminous bibliography on everything by, about, and on the author. The chapters in this book offer a deep dive into the life and work of an internationally beloved poet who, along with serving as the poet laureate of California and the U.S. poet laureate, creates work that fosters a deep understanding of and appreciation for people’s humanity. Encyclopedia of Romance Fiction Kristin Ramsdell,2018-09-07 As the first encyclopedia solely devoted to the popular romance fiction genre, this resource provides a wealth of information on all aspects of the subject. Romance fiction accounts for a large share of book sales each year, and contrary to popular belief, not all of its readers are women: roughly 16 percent are men. This enormously popular genre continues to captivate people reading for pleasure, and it also commands a growing amount of academic interest. Included are alphabetically arranged reference entries on significant authors along with works, themes, and other topics. The articles are written by scholars, librarians, and industry professionals with a deep knowledge of the genre and so provide a thorough understanding of the subject. An index provides easy access to information within the entries, and bibliographies at the end of each entry, a general bibliography, and a suggested romance reading list allow for further study of the genre.

Days of Distraction Alexandra Chang,2020-03-31 “Startlingly original and deeply moving.... Chang here establishes herself as one of the most important of the new generation of American writers.” – George Saunders A Recommended Book From Buzzfeed * TIME * USA Today * NPR * Vanity Fair * The Washington Post * New York Magazine * O, the Oprah Magazine * Parade * Wired * Electric Literature * The Millions * San Antonio Express-News * Domino * Kirkus A wry, tender portrait of a young woman—finally free to decide her own path, but unsure if she knows herself well enough to choose wisely—from a captivating new literary voice The plan is to leave. As for how, when, to where, and even why—she doesn’t know yet. So begins a journey for the twenty-four-year-old narrator of Days of Distraction. As a staff writer at a prestigious tech publication, she reports on the achievements of smug Silicon Valley billionaires and start-up bros while her own request for a raise gets bumped from manager to manager. And when her longtime boyfriend, J, decides to move to a quiet upstate New York town for grad school, she sees an excuse to cut and run. Moving is supposed to be a grand gesture of her commitment to J and a way to reshape her sense of self. But in the process, she finds herself facing misgivings about her role in an interracial relationship. Captivated by the stories of her ancestors and other Asian Americans in history, she must confront a question at the core of her identity: What does it mean to exist in a society that does not notice or understand you? Equal parts tender and humorous, and told in spare but powerful prose, Days of Distraction is an offbeat coming-of-adulthood tale, a touching family story, and a razor-sharp appraisal of our times.

Dead Girls Alice Bolin,2018-06-26 A NEW YORK TIMES NOTABLE BOOK OF 2018 An Edgar Award nominee for best critical / biographical Best of 2018 according to Kirkus, The Boston Globe,The New York Times, The Portland Mercury, Bustle, Thrillist, and Electric Lit A New York Times Editor's Choice, a best of summer 2018 according to Bitch Magazine, Harpers Bazaar, The Millions, Esquire, Refinery29, Nylon, PopSugar, The Chicago Tribune, Book Riot, and CrimeReads In this poignant collection, Alice Bolin examines iconic American works from the essays of Joan Didion and James Baldwin to Twin Peaks, Britney Spears, and Serial, illuminating the widespread obsession with women who are abused, killed, and disenfranchised, and whose bodies (dead and alive) are used as props to bolster men’s stories. Smart and accessible, thoughtful and heartfelt, Bolin investigates the implications of our cultural fixations, and her own role as a consumer and creator. Bolin chronicles her life in Los Angeles, dissects the Noir, revisits her own coming of age, and analyzes stories of witches and werewolves, both appreciating and challenging the narratives we construct and absorb every day. Dead Girls begins by exploring the trope of dead women in fiction, and ends by interrogating the more complex dilemma of living women – both the persistent injustices they suffer and the oppression that white women help perpetrate. Reminiscent of the piercing insight of Rebecca Solnit and the critical skill of Hilton Als, Bolin constructs a sharp, perceptive, and revelatory dialogue on the portrayal of women in media and their roles in our culture.

We Are All That's Left Carrie Arcos,2018-05-15 Two lives. Two worlds apart. One deeply compelling story set in both Bosnia and the United States, spanning decades and generations, about the brutality of war and the trauma of everyday life after war, about hope and the ties that bind us together. Zara and her mother, Nadja, have a strained relationship. Nadja just doesn't understand Zara's creative passion for, and self-expression through, photography. And Zara doesn't know how to reach beyond their differences and connect to a closed-off mother who refuses to speak about her past in Bosnia. But when a bomb explodes as they're shopping in their local farmers' market in Rhode Island, Zara is left with PTSD--and her mother is left in a coma. Without the opportunity to get to know her mother, Zara is left with questions--not just about her mother, but about faith, religion, history, and her own path forward. As Zara tries to sort through her confusion, she meets Joseph, whose grandmother is also in the hospital, and whose exploration of religion and philosophy offer comfort and insight into Zara's own line of thinking. Told in chapters that alternate between Zara's present-day Providence, RI, and Nadja's own childhood in Bosnia and Herzegovina during the Bosnian War of the 1990s, We Are All That's Left shows the ways in which, no matter the time and place, struggle and tragedy can give way to connection, healing and love. Praise for We Are All That's Left: * A multilayered view of tragedy and its repercussions. --Publishers Weekly, *STARRED REVIEW* * This complex, compelling story takes readers on a deep dive below the surface, exposing both the fragility of life and the redemptive bonds of love. --Booklist, *STARRED REVIEW* This important and timely novel is a painful, lovely exploration of mending a mother-daughter relationship. --Kirkus Reviews

The Afterlife in Popular Culture Kevin O'Neill,2022-06-17 The Afterlife in Popular Culture: Heaven, Hell, and the Underworld in the American Imagination gives students a fresh look at how Americans view the afterlife, helping readers understand how it's depicted in popular culture. What happens to us when we die? The book seeks to explore how that question has been answered in American popular culture. It begins with five framing essays that provide historical and intellectual background on ideas about the afterlife in Western culture. These essays are followed by more than 100 entries, each focusing on specific cultural products or authors that feature the afterlife front and center. Entry topics include novels, film, television shows, plays, works of nonfiction, graphic novels, and more, all of which address some aspect of what may await us after our passing. This book is unique in marrying a historical overview of the afterlife with detailed analyses of particular cultural products, such as films and novels. In addition, it covers these topics in nonspecialist language, written with a student audience in mind. The book provides historical context for contemporary depictions of the afterlife addressed in the entries, which deal specifically with work produced in the 20th and 21st centuries.

Writing the Reader Dorothee Birke,2016-08-08 The history of the novel is also a history of shifting views of the value of novel reading. This study investigates how novels themselves participate in this development by featuring reading as a multidimensional cultural practice. English novels about obsessive reading, written in times of medial transition, serve as test cases for a model that brings together analyses of form and content.
