Booknotes Brian Lamb,1998 Features over 150 interviews with contemporary authors from C-SPAN's weekly book review television program Booknotes. The authors discuss their preparation methods for writing, their idiosyncrasies, and provide personal insights into their work.

Booknotes Brian Lamb,2005-05-11 Over the past twenty-five years, C-SPAN has established itself as a national treasure. And Booknotes, the flagship of its book programming, has become the premier place to see serious, thoughtful nonfiction get its television due. Over the past fifteen years, Brian Lamb, the CEO of C-SPAN and host of Booknotes, has interviewed 765 authors on the program, and these deep and wide-ranging interviews have been the basis for three bestselling Booknotes books. Now, in a new collection, Booknotes: On American Character, Lamb has selected seventy original pieces that reveal something about America: the nation's people, history, and character. Here are biographies of artists, businessmen, politicians, and inventors; stories of events famous, infamous, and less well-known in the nation's history; a look at how politics works in America and how the nation responds to conflict. Our leading historians, journalists, and public figures draw from a diverse set of sources to examine what kind of nation and people we are. The result is a valuable addition to the Booknotes legacy and a welcome read for any fan of the program.

Sundays at Eight Brian Lamb,C-SPAN,2014-04-29 For the last 25 years, Sunday nights at 8pm on C-SPAN has been appointment television for many Americans. During that time, host Brian Lamb has invited people to his Capitol Hill studio for hour-long conversations about contemporary society and history. In today's soundbite culture that hour remains one of television's last vestiges of in-depth, civil conversation. First came C-SPAN's Booknotes in 1989, which by the time it ended in December 2004, was the longest-running author-interview program in American broadcast history. Many of the most notable nonfiction authors of its era were featured over the course of 800 episodes, and the conversations became a defining hour for the network and for nonfiction writers. In January 2005, C-SPAN embarked on a new chapter with the launch of Q and A. Again one hour of uninterrupted conversation but the focus was expanded to include documentary film makers, entrepreneurs, social workers, political leaders and just about anyone with a story to tell. To mark this anniversary Lamb and his team at C-SPAN have assembled Sundays at Eight, a collection of the best unpublished interviews and stories from the last 25 years. Featured in this collection are historians like David McCullough, Ron Chernow and Robert Caro, reporters including April Witt, John Burns and Michael Weisskopf, and numerous others, including Christopher Hitchens, Brit Hume and Kenneth Feinberg. In a March 2001 Booknotes interview 60 Minutes creator Don Hewitt described the show's success this way: "All you have to do is tell me a story." This collection attests to the success of that principle, which has guided Lamb for decades. And his guests have not disappointed, from the dramatic escape of a lifelong resident of a North Korean prison camp, to the heavy price paid by one successful West Virginia businessman when he won \$314 million in the lottery, or the heroic stories of recovery from the most horrific injuries in modern-day warfare.

Told in the series' signature conversational manner, these stories come to life again on the page. Sundays at Eight is not merely a token for fans of C-SPAN's interview programs, but a collection of significant stories that have helped us understand the world for a quarter-century.

Same Kind of Different As Me Ron Hall,Denver Moore,2008-03-09 A critically acclaimed #1 New York Times best-seller with more than one million copies in print! Now a major motion picture. Gritty with pain, betrayal, and brutality, this incredible true story also shines with an unexpected, life-changing love. Meet Denver, raised under plantation-style slavery in Louisiana until he escaped the "Man" in the 1960's by hopping a train. Untrusting, uneducated, and violent, he spends 18 years on the streets of Dallas and Fort Worth. Meet Ron Hall, a self-made millionaire in the world of high-priced deals—an international arts dealer who moves between upscale New York galleries and celebrities. It seems unlikely that these two men would meet under normal circumstances, but when Deborah Hall, Ron's wife, meets Denver, she sees him through God's eyes of compassion. When Deborah is diagnosed with cancer, she charges Ron with the mission of helping Denver. From this request, an extraordinary friendship forms between Denver and Ron, changing them both forever. A tale told in two unique voices, *Same Kind of Different as Me* weaves two completely different life experiences into one common journey. There is pain and laughter, doubt and tears, and in the end a triumphal story that readers will never forget. Continue this story of friendship in *What Difference Do It Make?: Stories of Hope and Healing*, available now. *Same Kind of Different as Me* also is available in Spanish.

Booknotes Stories From American History Leading Historians On The Events That Shaped Our Country Brian Lamb,2001 Contemporary writers and historians examine specific events that have shaped American history, from the Boston Tea Party to the final days of the first Bush administration.

The Plains Gerald Murnane,2011-12-04 This haunting novel is a classic of Australian literature. A nameless young man arrives on the plains and begins to document the strange and rich culture of the plains families. As his story unfolds, the novel becomes, in the words of Murray Bail: a mirage of landscape, memory, love and literature itself.

Booknotes Brian Lamb,2002 American history is shaped by great and small events, and in recent years a generation of writers has brought these events to life. They have shared these stories with the viewers of the long-running C-SPAN author-interview program Booknotes, and here some of the best have been collected for readers to savor. In this volume, more than eighty contemporary writers and historians examine seminal moments from American history, celebrated and uncelebrated alike. Booknotes offers readers conversational essays edited from the interview show, providing an enticing selection of author-subject pairings. For anyone interested in America's rich history-and especially the devoted fans of C-SPAN's Booknotes-this is an engaging compendium of information, opinions, and new

perspectives.

What It Takes Richard Ben Cramer, 2011-08-02 Before Game Change there was What It Takes, a ride along the 1988 campaign trail and “possibly the best [book] ever written about an American election” (NPR). Written by Pulitzer Prize-winning journalist and New York Times–bestselling author Richard Ben Cramer, What It Takes is “a perfect-pitch rendering of the emotions, the intensity, the anguish, and the emptiness of what may have been the last normal two-party campaign in American history” (Time). An up-close, in-depth look at six candidates—George H. W. “Poppy” Bush, Bob Dole, Joe Biden, Michael Dukakis, Richard Gephardt, and Gary Hart—this account of the 1988 US presidential campaign explores a unique moment in history, with details on everything from Bush at the Astrodome to Hart’s Donna Rice scandal. Cramer also addresses the question we find ourselves pondering every four years: How do presumably ordinary people acquire that mixture of ambition, stamina, and pure shamelessness that allows them to throw their hat in the ring as a candidate for leadership of the free world? Exhaustively researched from thousands of hours of interviews, What It Takes creates powerful portraits of these Republican and Democratic contenders, and the consultants, donors, journalists, handlers, and hangers-on who surround them, as they meet, greet, and strategize their way through primary season chasing the nomination, resulting in “a hipped-up amalgam of Teddy White, Tom Wolfe, and Norman Mailer” (Los Angeles Times Book Review). With timeless insight that helps us understand the current state of the nation, this “ultimate insider’s book on presidential politics” explores what helps these people survive, what makes them prosper, what drives them, and ultimately, what drives our government—human beings, in all their flawed glory (San Francisco Chronicle).

The Orange Eats Creeps Grace Krilanovich, 2010 An incredibly ambitious and assured first novel from an explosively original new voice.

To Kill A Mockingbird Harper Lee, 1984-10-01 Plot synopsis of this classic is made meaningful with analysis and quotes by noted literary critics, summaries of the work's main themes and characters, a sketch of the author's life and times, a bibliography, suggested test questions, and ideas for essays and term papers.

Show Your Work! Austin Kleon, 2015-11-04 Kata Edgar Allan Poe, sebagian besar penulis takut jika proses berkaryanya diketahui orang lain. Sementara itu, Pablo Picasso kerap membuat orang yang berkomunikasi dengannya justru kehilangan energi dan motivasi berkarya. Ya, keduanya memang maestro legendaris, tapi sekarang bukan saatnya lagi berkarya ala mereka. Bukan juga zamannya Mozart sang genius musik. Ini eranya kamu, siapa pun kamu, bisa berkarya! Lalu, apa kuncinya? Tunjukkan saja. Di zaman keterbukaan ini, semua orang punya kesempatan sama untuk jadi hebat. Jangan sembunyikan proses kreatifmu. Undang orang-orang untuk melihatnya. Jangan khawatir kritik, karena itu bahan pelajaran buatmu. Ide yang menurutmu tidak menarik, siapa tahu luar biasa bagi orang lain. Lebih dari itu, karyamu juga bisa menginspirasi orang lain. Jadi, tunggu apa lagi? Tak perlu ragu atau malu. Berbagi karya membuatmu kaya! ... Semakin banyak kamu memberi, semakin banyak yang kembali kepadamu.-Paul Arden [Mizan, Noura Books, Karya, Hidup, Berkarya, Kerja, Indonesia]

How to Take Smart Notes Sönke Ahrens, 2022-03-11 This is the second, revised and expanded edition. The first edition was published under the slightly longer title How to Take Smart Notes. One Simple Technique to Boost Writing, Learning and Thinking - for Students, Academics and Nonfiction Book Writers. The key to good and efficient writing lies in the intelligent organisation of ideas and notes. This book helps students, academics and other knowledge workers to get more done, write intelligent texts and learn for the long run. It teaches you how to take smart notes and ensure they bring you and your projects forward. The Take Smart Notes principle is based on established psychological insight and draws from a tried and tested note-taking technique: the Zettelkasten. This is the first comprehensive guide and description of this system in English, and not only does it explain how it works, but also why. It suits students and academics in the social sciences and humanities, nonfiction writers and others who are in the business of reading, thinking and writing. Instead of wasting your time searching for your notes, quotes or references, you can focus on what really counts: thinking, understanding and developing new ideas in writing. Dr. Sönke Ahrens is a writer and researcher in the field of education and social science. He is the author of the award-winning book "Experiment and Exploration: Forms of World Disclosure" (Springer). Since its first publication, How to Take Smart Notes has sold more than 100,000 copies and has been translated into seven languages.

The Seven Fat Years Robert L. Bartley, 1992 Bartley's examination of the economic boom of the 1980s, the so-called seven fat years, challenges critics who have systematically attributed the growth to a simple product of greed and excess. He investigates the characteristics of the boom which, contrary to popular predictions, could produce a sustained global boom.

Letters to the Sons of Society Shaka Senghor, 2022-01-18 The New York Times bestselling author of *Writing My Wrongs* invites men everywhere on a journey of honesty and healing through this book of moving letters to his sons—one whom he is raising and the other whose childhood took place during Senghor's nineteen-year incarceration. "A visceral and visual journey for the ages . . . the perfect road map for us to remove the barriers and obstacles against our true feelings."—Kenya Barris, creator of *black-ish* **ONE OF THE MOST ANTICIPATED BOOKS OF 2022**—*Essence* Shaka Senghor has lived the life of two fathers. With his first son, Jay, born shortly after Senghor was incarcerated for second-degree murder, he experienced the regret of his own mistakes and the disconnection caused by a society that sees Black lives as disposable. With his second, Sekou, born after Senghor's release, he has experienced healing, transformation, intimacy, and the possibilities of a world where men and boys can openly show one another affection, support, and love. In this collection of beautifully written letters to Jay and Sekou, Senghor traces his journey as a Black man in America and unpacks the toxic and misguided messages about masculinity, mental health, love, and success that boys learn from an early age. He issues a passionate call to all fathers and sons—fathers who don't know how to show their sons love, sons who are navigating a fatherless world, boys who have been forced to grow up before their time—to cultivate positive relationships with other men, seek healing, tend to mental health, grow from pain, and rewrite the story that has been told about them. *Letters to the Sons of Society* is a soulful examination of the bond between father and sons, and a touchstone for anyone seeking a kinder, more just world.
