So when, aged seventeen, Alex is stopped at customs with 113 grams of marijuana, an urn full of ashes on the front seat, and an entire nation in uproar, he's fairly sure he's done the right thing . . . **A History of Women in Men's Clothes** Norena Shopland,2021-08-30 Traditionally, historic women have been seen as bound by social conventions, unable to travel unless accompanied and limited in their ability to do what they want when they want. But thousands of women broke those rules, put on banned clothing and travelled, worked and even lived whole lives as men. As access to novels and newspapers increased in the nineteenth century so did the number of women defying Biblical and social restrictions. They copied each other's motives and excuses and moved into the world of men. Most were working-class women who either needed to or wanted to, break away from constricted lives; women who wanted to watch a hanging or visit a museum, to see family or escape domestic abuse, some wanted to earn a decent living when women's wages could not keep a family. The reasons were myriad. Some were quickly arrested and put on display in court, hoping to deter other women from such shameful behaviour, but many more got away with it. For the first time, *A History of Women in Men's Clothes* looks at those thousands of individuals who broke conventions in the only way they could, by disguising themselves either for a brief moment or a whole life. Daring and bold, this is the story of the women who defied social convention to live their lives as they chose, from simply wanting more independence to move and live freely, to transgender and homosexual women cross-dressing to express themselves, this is women's fight to wear trousers.

***The Grouchies*** Debbie Wagenbach,2021-12-15 iParenting Media Award Mom's Choice Award for Children's Picture Books (Gold) What can you do when the grouchies take hold? How can you keep a bad mood at bay? With funny rhymes and a silly chant, *The Grouchies* shows kids simple and fun ways to turn around grouchy moods. But most of all, kids will understand how their mood and negativity can affect their family and friends, and really get in the way of having a good day. An extensive Note to Parents

further explains the child's experience and provides parents with easy-to-apply tips and tools for helping their kids when a grumpy day comes along. From the Note to Parents: Everyone feels grouchy sometimes. Young children, as well as adults, are capable of an array of moods that can influence the ways in which situations are interpreted and the actions of other people are perceived. So a grouchy mood can negatively affect how you think or feel about anyone or anything. Grouchiness can be contagious, since people tend to mirror or “catch” the moods of those around them. Thus, a child’s mood can be influenced by the negative disposition of a caregiver. Similarly, a negative mood in a young child can be so powerful that everyone in the house may feel it.

Stepbrother Broken Colleen Masters, 2015-08-29 Only Lukas Hawthorne could simultaneously break my spirit, crush my dreams...and make me dripping wet. He's a legend on campus-a star athlete with records that'll never be broken. I always see him on campus walking around with some new hot piece of ass, and I dream about what it would be like to be the one on his arm...It's totally unfair to have such an

effortlessly handsome grad student as my TA. Who knew economic theory could be so sexy? Problem is, I've been so distracted by him all semester that now I'm failing his course, and I need pass if I hope to graduate on time. He wants to meet with me after class, to discuss how I can make up my grade this summer...extra assignments, private lessons...whatever it takes. But when a disgusting realization is made-our student-teacher sex sessions are permanently interrupted.Our parents are engaged. They're madly in love and can't wait to make me, Lukas, and all of our siblings one big happy family. To make matters worse, we have to endure a family vacation at his father's lake house. Together. A million miles away from everything.Thing is, the more inappropriate my desire is for him, the more intensely it burns...and he isn't shy about meeting me halfway.According to him, we're going to defile every room and every surface of his father's house before we go back to school.Challenge accepted.
