All the Better Part of Me Molly Ringle, 2019-09-03 It's an inconvenient time for Sinter Blackwell to realize he's bisexual. He's a 25-year-old American actor working in London, living far away from his disapproving parents in the Pacific Northwest, and enjoying a flirtation with his director Fiona. But he can't deny that his favorite parts of each day are the messages from his gay best friend Andy in Seattle—whom Sinter once kissed when they were 15. Finally he decides to return to America to visit Andy and discover what's between them, if anything. He isn't seeking love, and definitely doesn't want drama. But both love and drama seem determined to find him. Family complications soon force him into the most consequential decisions of his life, threatening all his most important relationships: with Andy, Fiona, his parents, and everyone else who's counting on him. Choosing the right role to play has never been harder.

Sage and King Molly Ringle,2021-05-18 When the queen of Lushrain is murdered, her unprepared youngest brother gets thrown into the spotlight as the new king. He's soon assigned a charming young magician who's meant to protect him from the assassin, and they grow romantically close—which comes with a host of dangerous complications and secrets. Zaya expected to be the irresponsible youngest prince his whole life. But when his two older siblings are killed by an unidentified magician, he finds himself crowned king of Lushrain—the end of his liberty as he knows it. As part of his training, he's sent to Heartwood for a month, the house of the sages high in the mountains. There, to his shock, the sages tell him he must learn about magic—which is illegal to practice, but has nonetheless been among Heartwood's secret studies for centuries. They assign Col as his tutor, a charming young sage with unusually strong powers. Zaya abhors

and distrusts magic, and Col absolutely doesn't want the job of attempting to change the king's mind. But in their lessons and debates, they grow closer and begin envisioning a future in which a sage and a king might make a harmonious couple. But the assassin still roams, seeking to hurt Zaya, and the budding love affair may be crushed by the secrets that Heartwood—and Col—have kept about this killer.

No matter how far or fast she travels, his servants never fail to track her down...but even the most powerful men can be defeated. Ryia's path now leads directly into the heart of the Guildmaster's stronghold, and against every instinct she has, it's not a path she can walk alone. Forced to team up with a crew of assorted miscreants, smugglers, and thieves, Ryia must plan her next moves very carefully. If she succeeds, her freedom is won once and for all...but unfortunately for Ryia, her new allies are nearly as selfish as she is, and they all have plans of their own.

Killing June May Bridges,2017-07-04 Killing June by May Bridges is a sizzling and suspenseful digital-only standalone. SEDUCED BY PAIN At night I'm June, dominating with the whip, even as I crave the hot, searing blow of the cane, myself. I loathe this side of who I am, but I can't deny it or escape it. And as my clients cry out for me, begging for mercy, I can't help but want June dead. By day, I'm Alex Ryan, the good, successful Southern woman everyone thinks I am. I've compartmentalized my life to make it bearable, and to get what I want most: revenge. I can have a future with June dead, as soon as I confront the man that terrorized my past. SAVED BY SIN Cade Brannon is the local gun for hire, part of the seedy underworld of Dallas, but he may also be my savior. I want his help and he wants me. But Cade refuses to play by my rules and is forcing his way into every one of those compartments that I want to lock away. Now the parts of my life I've fought so hard to keep separate are bleeding together and it's tearing me apart. I just want to go back to being Alex Ryan. But at what cost am I willing to kill June?

**Attica** Garry Kilworth,2013-04-04 A novel with echoes of timeless classics such as THE LION, THE WITCH AND THE WARDROBE, THE BORROWERS and ALICE IN WONDERLAND, Garry Kilworth's ATTICA reveals a twilight world of forgotten wonders, and extraordinary adventures - all happening just above our heads. Join Jordy, Alex and Chloe as they cross the portal from our world to a strange and wonderful other place, accessible for just a moment in time through the trap-door of the attic in their family home. From hat-stand forests, to towering hills of old musical instruments, deserts of old books and a great water-tank lake, the vast continent they stumble upon is one of limitless surprises - and that's before they meet the inhabitants: strange clans of small and lumpen people who live in homes constructed from all manner of found things and drive vehicles powered by old sewing-machine parts. It is against this remarkable backdrop that the three children will embark on a spellbinding adventure to recover a prized possession, save a life, and - somehow - find a way back home.
