*Novel & Short Story Writer's Market*, 1996

**All the Better Part of Me** Molly Ringle, 2019-09-03 It's an inconvenient time for Sinter Blackwell to realize he's bisexual. He's a 25-year-old American actor working in London, living far away from his disapproving parents in the Pacific Northwest, and enjoying a flirtation with his director Fiona. But he can't deny that his favorite parts of each day are the messages from his gay best friend Andy in Seattle—whom Sinter once kissed when they were 15. Finally he decides to return to America to visit Andy and discover what's between them, if anything. He isn't seeking love, and definitely doesn't want drama. But both love and drama seem determined to find him. Family complications soon force him into the most consequential decisions of his life, threatening all his most important relationships: with Andy, Fiona, his parents, and everyone else who's counting on him. Choosing the right role to play has never been harder.

*Novel and Short Story Writer's Market* 96 Robin Gee, 1996 Fiction writers turn to this resource each year for information on fiction markets, contests, conferences, writers' colonies, and other opportunities. Helpful articles and interviews with professional writers add to the guide's appeal.

Broken Megan Hart, 2021-04-23 his month, my name is Mary. Every month, Joe tells me a different story, and every month, I listen. He doesn't know that I imagine myself the star of his every one-night stand, and how could I tell him? I'm a married woman, after all. All Joe and I will ever have is imagination. All we will ever be is fiction. I know this is wrong. I know I should stop before it goes too far. What I have learned from love is that you can't always fix what is broken, but sometimes, you can survive it. I'm just not sure I can possibly survive knowing Joe.

**The Quiet Man** John Sununu, 2015-06-09 In this major reassessment of George Herbert Walker Bush, the 41st president of the United States, his former Chief of Staff offers a long overdue appreciation of the man and his universally underrated and misunderstood presidency. "I'm a quiet man, but I hear the quiet people others don't."—George H. W. Bush In this unique insider account, John H. Sununu pays tribute to his former boss—an intelligent, thoughtful, modest leader—and his overlooked accomplishments. Though George H. W. Bush is remembered for orchestrating one of the largest and most successful military campaigns in history—the Gulf War—Sununu argues that conventional wisdom misses many of Bush's other great achievements. During his presidency, the Berlin Wall fell and the Soviet Union collapsed. Bush's calm and capable leadership during this dramatic time helped shape a world in which the United States emerged as the lone superpower. Sununu reminds us that President Bush's domestic achievements were equally impressive, including strengthening civil rights, enacting environmental protections, and securing passage of the Americans with Disabilities Act and the 1990 agreement which generated budget surpluses and a decade of economic growth. Sununu offers unparalleled insight into this statesman who has been his longtime close friend. He worked with Bush when he was vice president under Ronald Reagan, helped him through a contentious GOP primary season and election in 1988, and as his chief of staff, was an active participant and

front-row observer to many of the significant events of Bush's presidency. Reverential yet scrupulously honest, Sununu reveals policy differences and clashes among the diverse personalities in and out of the White House, giving credit—and candid criticism—where it's due. The Quiet Man goes behind the scenes of this unsung but highly consequential presidency, and illuminates the man at its center as never before.

*Math Mystic's Guide to Creative Spirituality* Sarah Voss,2024-04-04 The Math Mystic's Guide to Creative Spirituality is unique, provocative, engaging, and a masterpiece of philosophical and mystical exploration. It offers gourmet treats for those with spiritual hunger, a feast of innovative perspectives on building social collateral (trust, forgiveness, resilience . . .), and intellectual desserts for the mathematically inclined. A math professor before becoming a Unitarian Universalist minister, the author has compiled herein a lifetime of creative study about the relationship between math and religion. She has pioneered ways to use mathematics to help clarify such spiritual ideas as God, fairness, equality, redemption, and the nature of things. garnish) uses math as a language to nourish the spiritual heart of our global society.

**The Wave** Susan Casey, 2011-05-31 A riveting and rollicking tour-de-force about the terrifying power of nature's most deadly phenomena – colossal waves – and the scientists and super surfers who are obsessed with them. The New York Times bestselling author of *The Devil's Teeth* probes the dramatic convergence of baffling gargantuan waves that pummel oil rigs and sink massive ships, the extreme surfers willing to stare down death in order to ride them, and the marine scientists trying to unlock the physics of these waves, the climate changes that are provoking them, and what chaos they might wreak. Susan Casey explores the phenomenon of monster waves and how they have become an obsession for extreme surfers like Laird Hamilton – who serves as the author's guide as she takes the reader into the intense, white-knuckle world of 100-foot waves.

**The Dreaming Jewels** Theodore Sturgeon, 2013-04-30 A desperate boy escapes his abusive home by joining a carnival and is drawn into a dark conspiracy in this tale by “a master storyteller” (Kurt Vonnegut). Though only eight years old, little Horton “Horty” Bluett has known a lifetime of sadness. Tormented and abused by his adoptive family, he’s had enough—and with a beloved broken toy he calls “Junky” as his sole companion, the desperate little boy runs away to join a carnival. There, among the fortune tellers, fire-eaters, sideshow freaks, and assorted “strange people,” Horty hopes to find acceptance and, at long last, a real home. But disgraced doctor Pierre “Maneater” Monetre’s traveling show is no ordinary entertainment, and its performers are not what they appear to be. The Maneater has sinister plans for the world that go far beyond fleecing unsuspecting rubes and other easy marks—a dark and terrible scheme that requires unleashing the extraterrestrial power of the dreaming jewels, and the unwitting assistance of a young boy who may be far more remarkable than he’s ever imagined. The full-length debut by Theodore Sturgeon, a legendary writer who won Nebula and Hugo Awards and authored such classics as *More Than Human*, this journey into a circus of shadows is “an intensely written and very moving novel of love and retribution” (The Washington Star). This ebook features an illustrated biography of Theodore Sturgeon including rare images and never-before-seen documents from the University of Kansas’s Kenneth Spencer Research Library and the author’s estate, among other sources.

**Fade Into You** Nikki Darling, 2018-11-13 A glorious illumination of the dark corners of teen trouble, *Fade Into You* tangles Chicano cultural inheritance, nascent punk self-discovery, and kid truth in a stoned haze. —Jessica Hopper, author of *Night Moves* In the glorious wasteland of 1990s Los Angeles, Nikki Darling alternates between cutting class and getting high, falling into drugs, crushes, and counterculture to figure out how she fits into the world. Running increasingly wild with other angst-ridden outcasts, she pushes herself to the edge only to find herself trapped in the cyclical violence of growing up female. Written in dreamy, subterranean prose, this debut novel captures the reckless defiance and fragility of girlhood.
