Staging the Spanish Golden Age Kathleen Jeffs,2018 In this volume, Kathleen Jeffs draws on first-hand experience of the Royal Shakespeare Company's rehearsal room for the 2004-05 Spanish Golden Age season to put forth a collaborative model for translating, rehearsing, and performing Spanish Golden Age drama. Building on the RSC season, the volume offers methodologies for translation and communication that can feed the creative processes of actors and directors, while maintaining an ethos of fidelity with regards to the original texts. It argues that collaboration between academics and theatre practitioners was instrumental in the success of the season and that the work carried out has repercussions for critical debate of Comedia. The volume posits a model for future productions of the Comedia in English, one that recognizes the need for the languages of the scholar and the theatre artist to be made mutually intelligible by the use of collaborative strategies, mediated by a consultant or dramaturg proficient in both tongues. This model applies more generally to theatrical collaborations involving a translator, writer and director, and will be useful for translation and performance processes in any language.

HEY, U UP? (For a Serious Relationship) Emily Axford,Brian Murphy,2018-02-13 Humorous dating advice from two married comedians, former CollegeHumor writers and stars of the Hot Date tv series. Who better to write a very humorous manual about evolving modern relationships than two CollegeHumor veterans and viral-video stars who happen to be a real-life husband-and-wife team? With candor, bite, and charm, HEY, U UP? takes readers on an eight-chapter journey through the trials of hooking up to the foibles of marriage, and combines the authors’ prescriptive advice with the unfolding story of their own relationship. HEY, U UP? tackles all the milestones of relationships today—both glorious and embarrassing—with sections ranging from “How to Ask Someone Out After You’ve Slept with Them” all the way to “Establish Your Family as the Christmas Family by Turning Your Significant Other Against Their Own Parents.” In addition to the laugh-out-loud essays, lists, questionnaires, and even flowcharts further enliven the pages.

Call of Booty Anastasia Austin,2021-07-15 He's a virgin. She's his sister's best friend. One fake date could change everything. JOSH I've always had two dreams. One, develop games for Asteroid Studios. Two, lose my virginity to Gwen, the girl I've had a crush on since I was eleven. Career goals are easy. Work my ass off and get the job. My relationship goals, on the other hand, are impossible seeing how my childhood crush is also my little sister's best friend. After four years of college and six years of successful indie game development, I finally got my dream job but I'm still no closer to getting my dream girl. Gwen and I are solidly in the friend zone. But when my sister has to go on a business trip and leaves Gwen without a human shield to warn off an over-zealous co-worker, I have the chance to show her we could be more than friends. Or I could ruin our friendship trying to turn our fake date, and my lifelong dream, into something real. This is a steamy 18+ romance with a guaranteed HEA!

Spanish for Reading Fabiola Franco,Karl C. Sandberg,1998-03-01 A unique approach to Spanish reading comprehension, Spanish for Reading can be used as a textbook supplement in classrooms or by anybody who is teaching himself Spanish. It begins by demonstrating similarities between words and parts of words in Spanish and English, and proceeds to offer practical instruction that will help readers broaden recognition of words and phrases. Each of the book's fifteen chapters concludes with a reading passage, the first of them quite easy to comprehend, and successive passages increasingly complex and sophisticated. Early passages are simple essays on Spain's and the Spanish-speaking world's language, geography, and culture. Later passages are excerpts from well-known works by world renowned Spanish writers, including Jorge Luis Borges, Pablo Neruda, and Gabriel Garcia-Marquez. Students who use this volume methodically will ultimately be reading and understanding these passages in their original, unedited Spanish, without need to seek outside help. Short of spending time in Spain or Latin America, here is as good an introduction to Spanish culture as a student will be able to find anywhere. Photos and line drawings.
