Bedtime Stories That May Go Bump in the Night Margaret Bloom,2018-09-28 The book I have written for your enjoyment, Bedtime Stories That May Go Bump in the Night is ten short stories that lend either a little scare or humor and are all a work of fiction. "The Prize," the first story in the collection, is about a troubled man whose problems overwhelm him. Is he a criminal? This story has lots of bumps. "Mr. Marlo Monster Hunter" is about a six-year-old boy who learns special skills to deal with scary situations and teaches them to others. This story has a few bumps. Marvin's Adventures is about a purple bunny; his best friend, Betty; the fashionista dancing cow; and a few of his other friends and the adventures they find on and around the farm. More adventure than bumps. "Extraordinary Pillow Guy" is a Texan pillow who tells tall tales. He stretches the truth to unbelievable lengths. This one has a few bumps. There are two stories in this title. "Tastie Frees" is an action story that has a few bumps. The Frees family is being hunted, and eight-year-old Tastie has been left in a panic room. "Desert Soldiers" is a poem about the unexpected. More excitement than bumps. "Spots" is about twin leopards being returned to the wild and what happens. Expect a few bumps. "The Three Somethings or Other" is my take on the three little pigs. Humor, recipes, and a few bumps. "Hey, Jude" is an adventure story about a helpful ant. More adventure than bumps. I hope you enjoy this collection. It will be followed soon by Bedtime Stories That May Go Bump in the Night 2.

Bedtime for Beasties Leslie Staub,2019-02-12 For any child who has trouble going to sleep, here is a funny, imaginative, and ultimately empowering bedtime book about a girl who takes control of her nightmare and shows a group of monsters that she's the boss of her dreams. In this creative bedtime book, a girl finds herself in a nightmare filled with snarling beasties. By her side is a little T-Rex named Ben, a stuffed animal who comes alive in her dreams. When she realizes that she's in the middle of a bad dream, the plucky main character uses problem-solving and quick thinking to take control of the nightmare. She turns the tables on the beasties--asserting that she is the boss and directing the ultimately harmless monsters in a silly movie before reading them a story and

tucking them in so they can all--finally--get a decent night's sleep.

My Rainbow Book of Bedtime Prayers Su Box,Jo Brown,2009 This colourful, chunky board book board book introduces children to all the colours of the rainbow, as well as introducing the idea of saying prayers of remembrance and thanks at the end of the day. The book features 7 tabbed pages - one for each colour of the rainbow - which include a simple prayer or blessing giving thanks for all the things that happen up to and around bedtime. The bright illustrations complement the prayers and the coloured tabs will help a child to identify the colours and choose which prayer they would like to read. The warm, friendly illustrations will appeal to toddlers and those who share with them. Companion volume to My Rainbow Book of Everyday Prayers.

Bedtime with Grandma Madelyn E. Halbert,2014-02-12 My book has Seven short stories, things that are important to the duration of life, I used animals to explain these stories. The first one is if you have a friend, love him or her no matter if they are different, and if they are hurt help them. Another is about a young girls dream that made her happy, however, she had to wake up. One is about a young man, that went fishing, and found two friends. The next one is about a young lady and her friends by the seashore. It is about a mother that didn't stop to talk too her daughter about something she found. Communication with our children is one of the most important things that we as parents can teach them. The fifth story is that we shouldn't laugh at someone if they are hurt, and if we can't say anything nice then we shouldn't say anything. The sixth one is about a dog that was a bully, and would boss the old, small, and one that didn't care. The last story is about two bears one black and one white and how they cared about each other. I hope you will enjoy these seven short stories and that you will explain to your children, grand-children, and great-grandchildren the importance of each short stories.
