Culture Smart! Botswana Michael Main,2006-10-01 Whether your customers are traveling in luxury or with just a pack on their back, it's important that they have a safe, fun, and easy-going trip. Bad etiquette and a misunderstanding about customs can put an otherwise very exciting trip on hold faster than a bad case of food poisoning. Readers are going to want to know about the CULTURE SMART! customs and etiquette series and will find them as indispensable as their passports. The CULTURE SMART! titles are not your basic travel guides: they are consistently updated customs and etiquette references for more than 25 countries, with six new titles available this fall. Now more than ever, travelers are more than just sightseers and tourists; they're ambassadors making impressions of the United States wherever they go. Readers will find these to be invaluable for pointing them on their way to a safe and fun trip abroad.

The Travelers' Guide to African Customs & Manners Elizabeth Devine, Nancy L. Braganti, 1995-02-15 Business travelers and

vacationers alike are heading to the burgeoning continent of Africa in ever-increasing numbers. But, for the American traveler, there are few places on the earth that present more cultural difference than Africa. For example, how do you know which countries will consider it perfectly sensible for you to wear a safari outfit--and which will take it as an insult? How do you know which countries are strict in observing Muslim or Jewish or tribal holidays, during which time no business appointments are possible? How should you behave when invited into a tribal home? Will they give you utensils, or should you eat with your fingers like everyone else--and do you eat with your right or left hand? What's the proper amount to tip your safari guide? This well-researched and fascinating guide provides all the dos and taboos for travelers venturing into Botswana, Cameroon, Cote d'Ivoire, Ghana, Kenya, Mali, Namibia, Nigeria, Senegal, South Africa, Tanzania, Uganda, and Zimbabwe. Topics covered includes: conversations, telephones, currency, transportation, meals, hotels, business, private homes, holidays, legal matters, key phrases. This fascinating and invaluable guide will lessen the stress and heighten the enjoyment of anyone's trip to Africa.
