**The Bouncer** David Gordon, 2018-08-07 Introducing Joe the Bouncer in “a tour-de-force, ranging from underworld crime to a unique caper and a terrorist plot . . . an outstanding new voice” (Robert Crais, #1 New York Times bestselling author). In David Gordon’s diabolically imaginative thriller, *The Bouncer*, nothing and no one is as expected—from a vial of yellow fragrance to a gangster who moonlights in women’s clothes. Joe Brody is just your average Dostoevsky-reading, Harvard-expelled strip club bouncer who has a highly classified military history and whose best friend from Catholic school happens to be head mafioso Gio Caprisi. FBI agent Donna Zamora, the best shot in her class at Quantico, is a single mother stuck at a desk manning the hotline. Their storylines intersect over a tip from a cokehead that leads to a crackdown on Gio’s strip joint in Queens and Joe’s arrest—just one piece of a city-wide sweep aimed at flushing out anyone who might have a lead on the various terrorists whose photos are hanging on the wall under Most Wanted. Outside the jailhouse, the Fed and the bouncer lock eyes, as Gordon launches them both headlong into a nonstop plot that goes from back-road gun show intervention to high-stakes perfume heist and manages to touch everyone from the CIA to the Flushing Triads. Beneath it all lurks a sinister criminal mastermind whose manipulations could cause chaos on a massively violent scale. “A brilliantly goofy caper novel in the grand tradition of Donald E. Westlake.”—The New York Times Book Review “[An] impressive crime novel . . . Gordon’s sharply drawn supporting cast adds a nice balance to all the action.”—Publishers Weekly (starred review)

**Bouncer** Geoff Thompson, 1998-04 What's it like to work the door at some of England's roughest nightclubs? *Bouncer* Geoff Thompson -- himself an expert martial artist -- recounts many of his hair-raising experiences dealing with rude, pushy people trying to get into the clubs. And, oh yes, he also

had to deal with drunken troublemakers in the club who were only too glad to start a fight. Geoff tells about the often violent -- and humorous -- incidents he faced while on the job.

The Bouncer Brian Emburgh, 2010-08-31 John Patrick Coyle is, by profession, a bouncer. He is very good. He and a cast of colourful characters will draw you into the illusory world of The Sunset Club with their own unique magic. Be careful though. Life in the shadowbox is not perfect. Smoky mirrors can be deceptive. Reality can become distorted.

*Memoirs of a Bouncer* Mark J. Gadsden, 2006-06-30 You will be reading real scenarios to give you a flavor of what has happened, both positive and negative, in the club scene. The book is divided into four sections; (1) Bouncers, which provides useful background information on who we are; (2) Players, which identifies who the people are that provide the variety of roles of support to you in the night life world, (3) Things you need to know, which gives you important guidelines to follow when you enter the bouncing scene from the beginning to the end of your evening, and last but not least (4) Memoirs, which discusses the things that can occur in and outside the normal guidelines of our world.

Bouncer Kipling Peterson, 2011-10-21 Georgell is a no-nonsense bouncer at a popular nightclub. When a violent shooter opens fire on the innocent crowd outside his bar, Georgell is shocked to find himself among the victims hit on the nightclub front steps. Unlike others, however, he survives—with the consequences. Although his physical wounds heal, scars remain on his psyche. No one can reach him—not even his loving wife—so Georgell attempts to lose himself in work. In work, though, he finds no comfort. Georgell sees things. He swears dark shadows hang over unsuspecting patrons. These dark shadows appear dangerous; Georgell fears more people might get hurt. He also fears for his own sanity. It soon becomes apparent he isn't the only bouncer who can see the dark shadows. His coworker Moose sees them too, and it's hard to ignore the sense of foreboding they share. Soon, they

realize the most powerful dark being hovers over another bouncer at the establishment. Georgell and Moose have no idea why they've been given the ability to see these creatures, but they know they must do something. This evil influence foreshadows darkness, and two mortal men must stand in the way of otherworldly demons or else say goodbye to life as they know it.

The Bouncer Alan Sampson, Heath Lander, 2013 Heath Lander's debut book is a captivating, exciting, and gritty exploration of his descent into the dangerous underbelly of Melbourne night life as a young university graduate. His prose captures the physicality of his journey from the first tentative steps into martial arts as a defense against low self-esteem to the camaraderie underpinning the bristling, barely contained violence of nightclub security. An unlikely candidate for the crowd control industry, Heath Lander recounts his journey from a hippy upbringing into the gritty and dangerous world of nightclub bouncing. As a university student, he takes up Kung Fu, a decision that gives him entry into the dark and brutal world of nightclub security. His introduction is by way of his instructor, a part-time bouncer at a pub in Brunswick Street, Melbourne. Graduating from university, his ambition to teach and paint takes second place to his obsession with making it in this new world. Without realizing it, Heath slides into a dark place with no real friends and plenty of potential enemies. The more proficient Heath becomes at his job, the more he gains the respect of his bosses and clients. Then one night, after five years as a bouncer, the almost fatal punch he delivers to a belligerent drunk causes a crisis of conscience. He realizes that his life has lost purpose and he quits his job, determined to make it once again, this time in the world of daylight.

**The Pitbull Bouncer!** Gabe Cohen, 2018-12-22 A proven guide for nightclub owners, Bar managers and security personnel. Going far beyond the title, this book is a culmination of philosophy, best practices, strategy, communication, relationships and reality. While the old definition used to create the vision of a huge dude manhandling bad clients, this unique perspective uses Gabe's successes as the new industry standard. His unorthodox background and his devotion as an internationally recognized Krav Maga instructor sets him a world apart from the studio trained hobby martial artist. Gabe's proven consummate skills and keen intellect at both conflict prevention and resolution makes this guide a professional's approach to managing people, use of force and violence from the perspective of someone who has walked the walk. The subject matter expertise goes beyond merely working the doors and racking up war stories. This invaluable tool should be considered as an industry standard and a 101 for anyone thinking about getting into this business.

**Against the Law** David Gordon, 2022-04-26 A Special Forces agent turned strip club bouncer with a side hustle as a fixer for the New York mob seeks the source of a new brand of heroin flooding the city streets Joe is an ex-Special Forces operative with a bad case of PTSD and some substance abuse issues, trying to rebuild a simple life as a strip club bouncer living with his grandmother in Queens. But this simple life is constantly complicated by the fact that, at the invitation of a childhood

friend, now a Mafia boss, Joe also moonlights as a fixer for the most powerful crime families in town. In his newest assignment, Joe is sent to take out a shadowy figure named Zahir, the faceless name behind White Angel, a powerful new brand of heroin invading the mob's territories and threatening their sales. Then Joe discovers a link between Zahir and a shady group of private military contractors, and the stakes of his mission become increasingly deadly. Soon the Five Boroughs are on the verge of an all-out drug war, pitting Joe and the crime world's most infamous talents against a ruthless clan of professional killers. Joe's only chance to calm the violence is to intercept the newest shipment of Zahir's product—if his skills as a master thief prove up to the task. A comic caper with heists, car chases, and shoot-outs aplenty, *Against the Law* is Joe the Bouncer's most exciting outing to date, as humorous as it is thrilling. Gordon's memorable characters, tight plotting, and breathless action sequences make this a standout in the pantheon of the New York crime novel, certain to appeal to fans of authors such as Donald E. Westlake and Elmore Leonard.

**A Diamond for the Beyond** Alejandro Jodorowsky, François Boucq, 2015-04-01 A Western tale turned on its ear and filled with strange characters and surreal situations.

*The Bouncer* Abdelrahim Kamal ,2021-11-08 In Upper Egypt, there is that always-told story about patience. This story was told to me by women, advanced in years, about an infertile mother who wished to give birth to a beautiful baby girl and to put two anklets in her legs; one anklet made of silver and another made of gold. Her dream came true and she named her girl 'Agab . 'Agab faced grave adversity when she saw the sheikh of the Kuttab (1) eating a little child. She went ripping by. When she got stuck in a ring-like object on the ground while running away, the golden anklet dropped. However, 'Agab kept running and hid in a greenfield belonging to a prince. The prince caught 'Agab. He tested and married her. Whenever 'Agab gave birth to a baby boy, the sheikh of the

Kuttab would show up and take the baby away. He would put blood on their mouths and vanish into thin air. Three boys had disappeared and blood was seen on 'Agab's mouth. The prince divorced 'Agab, thinking that she had gone crazy eating his little children. He threw her in a place for breeding pigeons and geese and prepared himself to marry another. The prince, on his wedding night, asked 'Agab to ask him to bring her something as a present. 'Agab asked the prince to get her the Urn of Patience. After looking for one for some time, the prince came to 'Agab with an Urn of Patience and left it beside her. He went to take care of his wedding ceremonies. (1) Kuttab or Kuttāb, (Arabic: “school”), Muslim elementary school. Until the 20th century, boys were instructed in Qur'an recitation, reading, writing, and grammar in maktabas, which were the only means of mass education. 'Agab sat next to the Urn of Patience and told it her tragic story. The Urn of Patience shook and boiled over. When done telling her story, the Urn of Patience exploded and the sheikh of the Kuttab came out with the three children alive in one hand - the three children became young boys - and the golden anklet in his other hand. So, that sheikh was a test of patience and silence for 'Agab. - What did you see, 'Agab, when you took the silver anklet and left the golden one? The sheikh smilingly asked her. She replied with sorrow and sincerity: I saw a teacher putting the children on the right track. The sheikh then said: If you told the secret, 'Agab, I would have shown you the strangest things. The sheikh left 'Agab with her children who became polite and educated young boys. 'Agab took them to their father who was getting ready for his wedding night. The father embraced his children and believed 'Agab's story. As far as we can see, this is one story about patience; it is to be patient with what appears to be painful, believing that there is mercy in it. It is exactly like the story of Moses and Al Khedr told in the Chapter of The Cave in the Qur'an. Where there is no 'Agab, it is a meaningless story.

**The Pigeon** David Gordon, 2023-06-13 A New York mob fixer's search for a stolen racing pigeon

sends him into a warren of assassins.

*The BeBop Bouncer* Robert Johnson, 2024-02-14 A classic crime drama/thriller/love story. The tale of a young night club bouncer who navigates his way through nightly interactions with warring New York mob factions, between Harlem and Brooklyn, in and around the hot NYC night club scene. He manages to handle this tense and violent world by leveraging his leadership skills and coordinating with seasoned NYPD Detectives and mobsters alike to survive his weekly struggles. His only peace comes on his evenings off when he frequents his favorite jazz clubs, in addition to the time spent with the ladies he dabbles in love and lust with.

**The Bouncer** A.J. Llewellyn, 2015-09-01 Kevin Branigan thought he was moving to Austin, Texas, for a job. Instead, he got a life. Doing something completely different seems like a great idea, and being close to his brother, Jack, and Jack's husband, Tito, is another benefit to his changed circumstances. Things are looking up until Tito intervenes in a drunken fight at the bar one night. Tito stops a patron from beating up his girlfriend, but it could be very bad if news gets out that Tito, a retired boxer, slugged the guy. Kevin takes the fall, and winds up being arrested. Sentenced to community service in a gay church, Kevin begins to think that the signs are all bad. However, late one night at the bar, he's seduced into a hot threesome with two of his co-workers. He finds himself drawn into this dangerous mix, as well as to a hunky undercover cop, Cruz Dixon. Unfortunately Cruz appears to have a boyfriend. Or does he? Can Kevin win over Cruz, who's captured his heart and his mind? Can he really make a life for himself in the World Capital of Music? Or are his days as Austin's newest bouncer numbered?
