Jeanine the Nurse Paper Doll Kathy Allert,2000-01-01 Youngsters learn about the duties and costumes of a registered nurse as they play with a large-size paper doll and her wardrobe of 4 outfits: white slacks and top for the maternity ward; operating room scrubs, cap, and mask; traditional white uniform; and a flight nurse's outfit for airlifting patients to hospitals.

Shoes to Die For Laura Levine,2013-12-24 Freelance writer Jaine Austen is not your typical Los Angelino. She's not rich, she's not thin, and she's definitely not starstruck. She is a sarcastic, sometime-sleuth who's never met a carb she didn't like... or a mystery she couldn't solve... If clothes make the man, then what do Jaine's elastic-waist pants and T-shirts make her? A fashion nightmare, according to her neighbor, Lance. She doesn't expect Lance--who works in the designer shoe department at Nieman Marcus--to understand...which is how she ends up visiting his favorite boutique, Passions. While the couture is definitely not for Jaine, the staff's gossip is. Tiny orange-haired clerk Becky starts complaining about her co-worker Giselle--a.k.a. Frenchie-- a brittle blonde who, when she's not making fun of customers behind their backs, adds extra-marital notches to her Chanel belt. Though Jaine doesn't land a new look, she does land a new job when Passions' owner gives her a chance to write their new magazine ads. But when Jaine arrives the next morning to pitch her ideas, she finds Frenchie pitched over, stabbed in the neck by one of her own stilettos. Now all Jaine has to do is figure out who hated Frenchie the most, in a case of death by designer knock-off...

To think that he would receive a big BOSS ... Young Master Gong, leave something for us to see in the future. Why must you be so overbearing? Strong Female Character Fern Brady,2023-06-06 INTERNATIONAL BESTSELLER • “Witty, dry, and gimlet-eyed, this is a necessary corrective in a world where Autistic women are all either written off as quiet and docile, or erased entirely.” —Devon Price, Ph.D., author of *Unmasking Autism* Scottish comedian Fern Brady was told she couldn't be autistic because she'd had loads of boyfriends and is good at eye contact. In this frank and surreal memoir, she delivers a sharp and often hilarious portrait of neurodivergence and living unmasked. After reading about autism in her teens, Fern Brady knew instinctively that she had it—autism explained her sensory issues, her meltdowns, her inability to pick up on social cues—and she told her doctor as much. But it took until she was thirty-four for her to get diagnosed. *Strong Female Character* is about the years in between, and the unique combination of sexism and ableism that so often prevents autistic women from getting diagnosed until adulthood. Coming from a working-class Scottish Catholic family, Fern wasn't exactly poised to receive an open-minded acceptance of her neurodivergence. With the piercing clarity and wit that has put her at the top of the British comedy scene, she now reflects on the ways her undiagnosed autism influenced her youth, from the tree that functioned as her childhood best friend to the psychiatric facility where she ended up when neither her parents nor school knew what to do with her. In a memoir as hilarious as it is heartbreaking, Fern leaves no stone unturned while detailing her futile attempts at employment, her increasingly destructive coping mechanisms, and the meltdowns that left her mind (and apartment) in ruins. Her chaotic, nonlinear journey—from stripping to getting arrested to finding a lifeline in comedy to her breakout appearance on the *Taskmaster* TV show as her full, unmasked self—is both a remarkable coming-of-age tale and a dark but poignant tribute to life at the intersection of womanhood and neurodiversity. *Strong Female Character* is a story of how being female can get in the way of being autistic and how being autistic gets in the way of being the 'right kind' of woman.

Nurse Clementine Simon James,2013 When Clementine Brown gets a nurse's outfit for her birthday, it's perfect. You can call me 'Nurse Clementine' from now on she says. She bandages Dad, she bandages Mum, she even bandages the dog. But when there's a real emergency will Nurse Clementine be able to help?

Crude Jo-Anne Wiley,2022-04-15 The author of *Poison*, *Dark Angels*, *Crash Diet*, *Porn* and others has penned another edgy erotic thriller. One not for the faint of heart! Ten female specialists and ten grizzled wildcatters are thrown together on a derelict offshore drilling rig. However, someone has arrived ahead of them – someone intent on killing. The Supervisor is murdered, two female divers violated, and the radio-room is ransacked leaving the women cutoff and vulnerable. As one would expect, the line-of-command unravels. Seizing the opportunity, the men are determined to take from the women what isn't rendered willingly. Two female specialists who attempt to escape the butchery are stripped and found with their faces bound between each others' thighs: a dire warning to the others. The women rebel when an arms locker is discovered and retribution is swift: The Foreman loses his parenting gear to the nurse's scalpel. But the women have yet to meet the real enemy. Super-yacht *Excelsior* waits, just beyond the horizon.

The Storms of Pemberton A.A. Garrison,

The Lost Girl D. H. Lawrence,2021-05-07 Alvina Houghton is bored by her little town, and feels trapped after her plans to elope with her lover falls through. Though she had previously dreamed of training as a nurse, Alvina is unsure what to do with her life. Alvina comes of age as her father, James, faces the failure of his business. She has a difficult relationship with her father. He is a man who never fully indulged in his passions, but has made eccentric financial decisions. In attempt to secure his daughter's upbringing and save his fortune, James buys a theater. There, he employs many traveling artists, as well as a handsome and sensual Italian man named Ciccio. After meeting the man, Alvina feels drawn to him, especially since he is well-traveled. The two share a slow-burn courtship, and after a lifetime of being raised around stifled passion, Alvina feels alive. Seduced by Ciccio and desperate for adventure, Alvina decides to run away with Ciccio, fleeing to Naples. As she leaves behind her life of security, comfort, and predictability, Alvina starts to explore desire, spontaneity, and her sexual freedom. Free to do as she wishes with Ciccio, Alvina explores Naples and her own sexual awakening, feeling independent and unfettered. However, even as she finds herself, Alvina also faces the reality of such fleeting freedom. D.H Lawrence's The Lost Girl is an emotionally compelling narrative featuring strong characters, wit, and prose that is both beautiful and bitter. With themes of feminism, class divisions, and family, The Lost Girl is a relatable story that leaves readers considering fate and the future. Through meticulous detail, readers are given valuable insight on the class distinctions and societal expectations of the 1920s in Europe. D.H Lawrence's The Lost Girl was awarded the James Tait Black Memorial Prize in 1920 to congratulate its gripping narrative and compelling characters. Now presented in an easy-to-read font and with a striking new cover design, this edition of The Lost Girl by D.H Lawrence restores the novel to modern standards while respecting its original mastery. With these accommodations, contemporary audiences are treated to a reading experience that is both accessible and luxurious.

D.H. Lawrence's The Lost Girl D.H. Lawrence,2016-09-01 How Lawrence Found His Lost Girl in Cornwall, is the title of the Introduction to this edition of Lawrence's sixth major novel. In it Sandra Jobson shows how Lawrence based part of his character Alvina Houghton on Katherine Mansfield, the New Zealand short-story writer. 'The Lost Girl' was in fact Lawrence's third novel, but was not published until 1920. It is his only novel to have won a literary prize. Originally called 'The Insurrection of Miss Houghton', it tells the story of Alvina Houghton, who fights for independence as a woman, but ends up falling in love with an Italian peasant from a mountain village. Will she fight again for independence? Sandra Jobson (Darroch) is the secretary of the DH Lawrence Society of Australia, and is the author of six books, including the first biography of Lady Ottoline Morrell, 'Ottoline: The Life of Lady Ottoline Morrell' (Chatto Windus 1975). An updated version of 'Ottoline', with a new Introduction by the author, will be published by The Svengali Press in 2017.

The Lost Girl By D. H. Lawrence D. H. Lawrence,2021-01-01 David Herbert Lawrence is definitely an acquired taste, and one that, until I read this novel, I never thought I'd acquire. However, after seeing a terrific performance of The Daughter-in-law (Oberon Modern Plays) at the Lowry Theatre earlier this year, I was intrigued by the gritty physicality of Lawrence's writing, and decided to give this, one of his lesser-known works, a go - and I was glad I did. The novel is fairly straightforward and develops pretty slowly, as the unquenchable loser James Houghton (pronounced 'Huffton') grasps scheme after harebrained scheme in order to become wealthy and give his only daughter, Alvina, and sickly wife, the life he thinks they were born for. By the time of his death, mid-way through the novel, Alvina has taken centre-stage, and we see her striving to break out of the shadow of her feckless father and find love in a world threatened by war.

Chicken Soup for the Nurse's Soul: Second Dose Jack Canfield,Mark Victor Hansen,2012-08-14 Most people don't become nurses because of the pay, working conditions, or the convenient hours. Men and women become nurses because they want to make a difference in the lives of others through the use of their compassionate skills and hard work. Chicken Soup for the Nurse's Soul, Second Dose, underscores why nurses enter the profession . . . and why they stay.

Lucky for You Jayne Denker,2015-08-18 It's where everyone remembers your name—and your mistakes. But the quaint Catskills town of Marsden has a way of inspiring the unlikeliest reunions, flipping the script on the best laid plans, and opening even the most stubborn hearts... Jordan Leigh's always had a reputation for being bad news. So she figured it was only a matter of time before she got into serious trouble. But serving house arrest in her hometown of Marsden is truly cruel and unusual punishment. Plus she's under police officer Will Nash's up-close-and-all-too-personal supervision...which could make things worse—or more fun. To make amends, Jordan throws herself into making nice with her neighbors, taking in stray animals, and helping teenage girls get back on track. But what she really wants is to get on the right track with Will. To do that, she'll have to show him she's grown up. And if that means making him break his own rules and face down his own fears, she's up for the challenge ...
