**The Test Match Special Book of Cricket Quotes** Dan Waddell, 2017-05-25 Collecting hundreds of quips and quotes, and beautifully illustrated throughout, The Test Match Special Book of Cricket Quotes is a cricket fan's indispensable guide to bats, beards, boundaries and bowls. From witty sayings and wise words, to doubles entendres, and legendary moments from cricketing history, you'll find the perfect line for every occasion. 'I've never got to the bottom of streaking'- Jonathan Agnew 'On the first day Logie decided to chance his arm and it came off' - Trevor Bailey 'Bill Frindall has done a bit of mental arithmetic with a calculator'- John Arlott 'Strangely, in slow motion, the ball seemed to hang in the air for even longer' - David Acfield 'I'm not into caps with lots of diamonds on them, like KP' - James Anderson 'How can you tell your wife you are just popping out to play a match and then not come back for five days?' - Rafa Benitez on test cricket 'I don't think we choked this time. We never played well enough to choke' - Craig Matthews 'Flintoff starts in, his shadow beside him. Where else would it be?'- Henry Blofeld 'I once delivered a simple ball, which I was told, had it gone far enough, would have been considered a wide' - Lewis Carroll

**Enid Bakewell: Coalminer's Daughter** Simon Sweetman, 2018-05-01 Enid Bakewell, one of England's most successful and distinguished women cricketers, was the first woman player to have an article about her in Wisden, in 1970, after an outstanding tour of Australasia. She is now the first female subject in the ACS Lives in Cricket series. Simon Sweetman takes us through Enid's playing career as an all-rounder and off the field as teacher and coach; and daughter, wife and mother. Articulate, approachable, Enid is a woman rooted in Nottinghamshire who has made friends across the world. She and her generation were true pioneers: when playing for the first time at Lord's, they didn't know if women would be allowed into the changing rooms.

**A Gentleman's Game** Anindya Dutta, 2017-05-19 Veteran Cricket journalist, Historian and author of 14 books on Cricket, Kersi Meher-Homji says: I feel privileged to write a Foreword for his book A Gentleman's Game - Reflections on Cricket History. I enjoyed reading this well-illustrated and many-splendored publication. Each Chapter starts with a famous quote. The first Chapter is on Ranjitsinhji, the Maharaja of Elegance and of Nawanagar. My initial reaction was: what is there on Ranji a cricket-lover does not know about? But after reading Anindya's book I learnt many things about Ranji I did not know. Some of it was not pleasant. In the beginning of his career there was a racist article on him written by Sir Home Gordon who called him a dirty black. And did you know Ranji faced bankruptcy and earlier on he had no right to call himself a Prince? The Chapter on Keith Miller - the supreme all-round cricket icon, a war hero, a classical music aficionado and a lovable character - starts with his immortal quote: Pressure? There is no pressure in Test cricket. Real pressure is when you are flying a Mosquito with a Messerschmitt up your arse. Apart from his heroics on the cricket field author Anindya depicts Miller's courage and gallantry during World War II. The author also mentions unsung war veterans and cricketers Graham Williams, Lionel Tennyson, Bob Crisp among others. Being a quirky cricket writer myself I found Chapters on fattest and tallest cricketers fascinating. The research on bulky cricketers is aptly titled Have Fat, Can Bat: Cricketers who were their weight in gold. Who were they? I won't tell you; you will have to read the book. The book is not just about achievements. It details failures too: the worst declarations in history and on dropped catches by butterfingers. Also the mighty West Indies lost a match to Ireland. At one stage the Windies under Clive Lloyd were 8 for 6, 12 for 8 before being bowled out for 25. A misprint? A joke? No, it happened. I found the Chapter A Tale of Two Test Debuts nostalgic as I was present at the Sydney Cricket Ground when Australia's Shane Warne and India's Subroto Banerjee had made their Test debuts in January

1992. Medium-pacer Banerjee captured 3 for 47 including the scalps of Geoff Marsh, Mark Taylor and Mark Waugh. In contrast Warne had a forgettable debut, being smashed all over the park by Ravi Shastri and Sachin Tendulkar as he finished with 1 for 150. Warne became a Test legend with 708 wickets at 25.41 in 145 Tests. For Banerjee it was his Test debut and swan song as he was never selected in a Test again. To quote Anindya Dutta, Bizarrely, the man who has bowled so well in the first innings, Subroto Banerjee, does not get to bowl a single ball in the second innings. In fact, he never gets to bowl another ball in Test cricket, and is destined to be forever referred to in cricketing history as a one-Test wonder. Cricket cruel cricket! Thus *A Gentleman's Game - Reflections on Cricket History* shows many aspects of cricket; the good, the gallant and the paradoxical. I enjoyed reading it. So will you. Anindya Dutta is a Banker by profession and a Cricket Historian and Writer by passion. He writes in journals and websites across the world from Australia's 'The Roar', to India's 'Cricket Country' and 'Sportstar' and on 'ESPN Cricinfo'. This is his first book. His much awaited second book 'Spell-binding Spells' will be published later this year.

**God's Fast Bowler (eBook)** Peter Pollock,2001-08-13 GOD'S FAST BOWLER is an autobiography written by Peter Pollock, former South African fast bowler and convener of the national selection committee. The story starts in the early 1960s and covers four decades of South African cricket. GOD'S FAST BOWLER is a story that simply tells itself through South Africa's greatest cricketing family. But it is far more than just a cricket narrative. It is a story that speaks deeply on the issues of life itself. It is the story of a fast bowler of God: simple and true. From the very first test, when elder statesman Peter took nine wickets to ensure a thrilling win, the Pollock dynasty has massively impacted South African cricket. Read their story!

**Global Sport Business** Hans Westerbeek,2013-09-13 Global Sport Business: The Community Impact of Commercial Sport involves a range of pressing issues that come with the arrival of sport as a commodity in the world economy. It can be argued that, throughout the past two centuries, sport has always been recognized as both a frivolous pursuit of spending leisure time with friends and family, and as an activity that has substantial commercial value to be mined by entrepreneurs. However, only during the most recent wave of globalization, spurred by technological advancements that have led to achieving global reach in regard to potential customers, has sport entered a global marketplace that offers tremendous financial rewards for those who manage to control international sport organizations and events. In this book, global sport business is viewed from a number of different perspectives including a value chain approach to describing the sport industry; the ever increasing impact of the international media on sport business; how globalization influences the style of (sport) management; how social capital can be generated through sport business; and the emergence of social sport business. Overall, the different contributors to the book reflect on how sport's global (and as such commercial) attractiveness can, and often will impact locally, on communities of people and individuals. This book was published as a special issue of Sport in Society.

**Gentlemen and Sledgers** Rob Smyth,2015-05-21 From the celebrated mock obituary following England's first-ever defeat by Australia on home soil in 1882,

to the on-pitch insults (or 'sledges') of today, ashes cricket has spawned nearly as many memorable quotes as it has balls bowled and runs scored. *Gentlemen and Sledgers* charts the ebb and flow of Anglo-Australian cricketing fortunes across 131 years and 314 matches by telling the stories behind 100 memorable ashes quotations. From fast bowler Jeff Thomson's classic 'I enjoy hitting a batsman more than getting him out. I like to see blood on the pitch' in 1975, to Michael Clark's notorious advice to Jimmy Anderson to 'get ready for a f\*\*\*\*\* broken arm' in 2013, the quotations embrace quips, insults, examples of the dark art of sledging – and even the occasional considered cricketing judgement. Evoking memorable moments and matches as well as highs and lows in the careers of Australia and England's greatest players, *Gentlemen and Sledgers* is an informal, freewheeling, discursive and entertainingly opinionated history of the ashes.

Nationalism and Cultural Practice in the Postcolonial World Neil Lazarus, 1999-05-20 In this wide-ranging study, Neil Lazarus explores the subject of cultural practice in the modern world system. The book contains individual chapters on a range of topics from modernity, globalization and the 'West', and nationalism and decolonization, to cricket and popular consciousness in the English-speaking Caribbean. Lazarus analyses social movements, ideas and cultural practices that have migrated from the 'First world' to the 'Third world' over the course of the twentieth century. *Nationalism and Cultural Practice in the Postcolonial World* offers an enormously erudite reading of culture and society in today's world and includes extended discussion of the work of such influential writers, critics and activists as Frantz Fanon, C. L. R. James, Edward Said, Gayatri Spivak, Samir Amin, Raymond Williams, Paul Gilroy and Partha Chatterjee. This book is a politically focused, materialist intervention into postcolonial and cultural studies, and constitutes a major reappraisal of the debates on politics and culture in these fields.

**Cricketing Lives** Richard H. Thomas, 2022-08-22 As famous for its complicated rules as it is for its contentious (and lengthy) matches, cricket is the quintessentially English sport. Or is it? From cricket in literature to sticky wickets, *Cricketing Lives* is a paean to the quirky characters and global phenomenon that are cricket. Cricket is defined by the characters who have played it, watched it, reported it, ruled upon it, ruined it, and rejoiced in it. Humorous and deeply affectionate, *Cricketing Lives* tells the story of the world's greatest and most incomprehensible game through those who have shaped it, from the rustic contests of eighteenth-century England to the spectacle of the Indian Premier League. It's about W. G. Grace and his eye to his wallet; the invincible Viv Richards; and Sarah Taylor, "the best wicketkeeper in the world." Richard H. Thomas steers a course through the despair of war, tactical controversies, and internecine politics, to reveal how cricket has always warmed our hearts as nothing else can.

**The Boy's Own Annual**, 1880

*The Grade Cricketer* Dave Edwards, Sam Perry, Ian Higgins, 2018-09-01 Welcome to the world of *The Grade Cricketer*. Described as the most original voice in cricket, *The Grade Cricketer* represents the fading hopes and dreams of every ageing amateur sportsman. In this tell-all 'autobiography', *The Grade Cricketer* describes his cricketing career with unflinching honesty and plenty of humour, in turn providing insights into the hyper-masculine cricket 'dressing room'. This one-time junior prodigy is now experiencing the lean, increasingly existential years of adult cricket. Here, he learns quickly that one will need more than just runs and wickets to make it in the alpha-dominated grade cricket jungle, where blokes like Nuggsy, Bruiser, Deeks and Robbo reign supreme. Through it all, *The Grade Cricketer* lays bare his deepest insecurities - his relationship with Dad, his fleeting romances outside the cricket club - and, in turn, we witness a gentle maturation; a slow realisation that perhaps, just maybe, there is more to life than hitting 50 not out in third grade and enjoying a few

celebratory beers afterwards. Or is there? \* \* \* The Grade Cricketer book is based upon the popular Twitter account, @gradecricketer, which has received critical acclaim for its frighteningly honest portrayal of amateur cricket. Now, the time has finally come for this middling amateur sportsman to tell his story in full. 'The Grade Cricketer is the finest tribute to a sport since Nick Hornby's Fever Pitch, and the best cricket book in yonks. It's belly-laughing funny but it's also a hymn to the grand and complex game delivered with a narrative pace and ability I'm afraid most Test players don't have. For anyone who ever dreamed of excelling at a sport but never quite made it but still gave it your life, this is the story. A great read!" - Tom Keneally AO.

**Blackwood's Edinburgh Magazine** ,1901

Cricket and National Identity in the Postcolonial Age Stephen Wagg,2005-10-09 Bringing together leading international writers on cricket and society, this important new book places cricket in the postcolonial life of the major Test-playing countries. Exploring the culture, politics, governance and economics of cricket in the twenty-first century, this book dispels the age-old idea of a gentle game played on England's village greens. This is an original political and historical study of the game's development in a range of countries and covers: \* cricket in the new Commonwealth: Sri Lanka, Pakistan, the Caribbean and India \* the cricket cultures of Australia, New Zealand and post-apartheid South Africa \* cricket in England since the 1950s. This new book is ideal for students of sport, politics, history and postcolonialism as it provides stimulating and comprehensive discussions of the major issues including race, migration, globalization, neoliberal economics, the media, religion and sectarianism.

**Bowler's Name?** Tom Hicks,2021-04-19 Bowler's Name is a tale of a life in cricket's margins. Tom Hicks is no household name, but he often rubbed shoulders with cricketing royalty, going from the village green to walking out as captain at Lord's. As an ambitious youngster, Hicks dreamed of reaching the top. But trying to make it big and balance the demands of university, family, a full-time job and a penchant for post-match fun was no easy feat. Settling for an unglamorous life as a minor county player, cricket took him to all corners of the country, and then across the globe, getting an insight into the nether regions of a cricketing world that was rapidly vanishing. Through the eyes of a cricket nut, Bowler's Name takes us on a journey of success, failure, hilarity and often sheer madness. If you've ever wondered what it's like to face 90mph bowling, to have lunch with Mike Gatting or to infiltrate an England post-match party, Hicks is your man. Bowler's Name is for fans of cricket idiosyncrasies, lovers of the underdog and anyone who has tried and failed.

**Cricket and Empire (RLE Sports Studies)** Ric Sissons,Brian Stoddart,2014-04-24 A great depression, worsening Anglo-Australian relations, the declining British Empire and the challenge from an Australia striving to find a national identity are the context which explain bodyline and its repercussions. Bodyline was a watershed in the history of cricket and politics were publicly seen as part of sport. This book offers a radical reappraisal of bodyline which challenges the official interpretations of the events, and places them in a unique social and political context. .

**Speed Merchants** Vijay Lokapally,Gulu Ezekiel,2020-11-20 Indian cricket was traditionally known for its spin bowling. All that changed with the advent of the magnificent Kapil Dev in 1978. The floodgates really opened in the new millennium with Javagal Srinath, Zaheer Khan and Irfan Pathan leading a revolution that today sees India's pace attack as among the best in the world. But how many know that from the late 19th century right till the 1940s it was fast bowlers that shaped the early years of Indian cricket? From Pavri and Bulsara to Nissar and Amar Singh, batsmen from around the world found Indian pace bowling too hot to handle.
