The Game Changer Mark Baker, 2012 Over the last several decades, one of the most frustrating problems facing bowlers who are looking to get better at the sport has been the lack of a simple, universally accepted system that works for everyone. Enter Mark Baker and his revolutionary approach to coaching -- an approach that has made him the most sought-after bowling coach in the world. In this book, Baker reveals entirely new and simple ways to illustrate the kinds of things that can immediately improve a bowler's scores without completely reinventing the bowler's own unique style. Using empirical evidence illustrated by common traits that the vast majority of Hall-of-Fame-caliber bowlers possess, Baker convincingly (and humorously) explains what it takes to improve your bowling scores by making small, easy-to-adopt changes within the structure of your own, natural game. The Game Changer truly is a game changer when it comes to the way bowlers and bowling coaches will approach bowling improvement for the foreseeable future.
