The Seven Pomegranate Seeds Colin Teevan,2022-01-13 Seven contemporary stories grounded in prominent, mythical origins. Persephone, Hypsipyle, Medea, Alcestis, Phaedra, Creusa and Demeter: the women of Euripides' plays are reimagined as people of today in an unexpected fusion of celebrity, inappropriate desires, historical police investigations and missing children. A severed maternal bond threads each story together, charting a journey through rage and redemption, towards a compelling conclusion. This revised edition of Colin Teevan's haunting monologue cycle was published to coincide with a new production at Rose Theatre, Kingston, in November 2021.

Open Wide Dade Hayes,Jonathan Bing,2004-09-22 How is a blockbuster made? All it takes is three days: Friday, Saturday and Sunday. Opening weekend at the height of the summer blockbuster season is a gruelling ordeal for studio execs and marketers. In *Open Wide*, Hayes and Bing take the reader behind the scenes during the first 72 hours of a film's release. They also explore the main phases in the life of a film and also offer a personal look at all the filmmakers, actors, producers and executives that help bring these films to the cinema. This really is the first book to examine, in depth, the importance of the opening weekend.

Seeds Of Greatness Jon Canter,2012-03-31 Two friends grow up in a North London Jewish suburb. David is bright, parent-pleasing and obviously destined for great things. But somehow he ends up earning peanuts in a Suffolk bookshop while his devious and wayward friend Jack, becomes rich and famous as a TV chat-show host. When Jack dies, his widow and publisher commission David to write his biography; after all, dependable David can be relied upon not to dish the dirt about the sex, the drugs and the women. David however soon realises that it's finally time he stopped doing what is expected of him. Instead he must write the true story of the forty year friendship that has dominated his life and then maybe he'll get Jack out of his system. But what David soon finds is that he can never be completely free of Jack...

Seeds of Redemption Andy White, 2021-05-24 Struggle—of both the small and staggering sort—is woven throughout all our lives. It can erode our faith, strip us of hope, rob us of joy, extinguish our vitality, and diminish our capacity to love. But because God is always present and at work, seeds of redemption lie as hidden treasure buried in the ground of struggle. By taking a deeply human look at various figures in the lineage of Jesus in Matthew 1, Andy White shows us that the people we once may have considered unlike us because of thousands of years of separation suddenly come close in their pain, loss, and failures. He, too, comes close as a man who has faced hardships, to offer others a hand when their feet are unsteady. By digging into the lives of these biblical sojourners, White unearths hidden treasures, guides readers on a journey of self-discovery, and points the way forward, showing us ways to cultivate tenacious hope, stronger faith, and greater capacity to live and love as participants in God's ongoing redemption story.
