**Adventures of Moti** Satyanarayana Ganti, 2020-03-26 Moti, the birdie in the Box came to New Jersey, the USA in a box of pickles shipped from Hyderabad, India. She made a friendship with Panna a six-year baby in the house. Her presence was not known to anyone in the family as desired by Moti. She continued sleeping for 2 days due to jet lag. On Friday, she recovered from her jet lag and began to explore the house. The birdie was hungry and thirsty and was looking around. She entered into the garage and when she saw a red bench she perched on the same. It was the carriage rack of the car. The car began to go out of the garage and when it took a turn, the bird fell onto the fresh snow. Moti was helpless as she could not get out of the snow and there was no one to help her. She looked up and saw a group of hawks hovering above, ready to swoop down and make a meal. In particular, one vicious looking hawk was getting closer and closer. Moti began to pray thinking this was her last day. Suddenly three chipmunks came rushing down the big tree and carried the almost unconscious Moti to their nest. Moti was thus saved by three chipmunks. Panna when she came from the school, became so upset that she lost her Moti in snow. She could not share her sorrow as no one in the house would believe her. Suddenly she saw three chipmunks coming over the snow to attack her. She was about to call her Mom when they left Moti at the foot of the steps and they ran away in fear, This is the story of the Second Adventure of the Birdie in the Box.

Adventures in Bookbinding Jeannine Stein, 2011-06-01 Each project in this book combines bookbinding with a specific craft such as quilting, jewelry making, or polymer clay, and offer levels of expertise: basic, novice, and expert. Illustrated step-by-step instructions and photographs demonstrate how to construct the cover pages, and a unique binding technique, easy enough for a beginner to master. Each project also features two other versions with the same binding geared to those with more or less experience. The novice version is for those who have no knowledge of the craft and want shortcuts, but love the look. For the quilter's book, for example, vintage quilt pieces become the covers so all that's needing in the binding. Or if you're interested in wool felting use an old sweater. This offers great opportunities for upcycling. The expert version is for those who have a great deal of knowledge and proficiency of a certain craft - the master art quilter, for example. For this version, an expert guest artist has created the cover and the author has created the binding. This offers yet another creative opportunity - the collaborative project. Since crafters often get involved with round-robins and other shared endeavors, this will show them yet another way to combine their skills. No other craft book offers the possibilities and challenges that Adventures in Bookbinding does. Readers will return to it again and again to find inspiration and ideas.

*The Adventure of the Cardboard Box* Sir Arthur Conan Doyle, 2016-02-20 A Prank or a Crime of Passion? "What is the meaning of it, Watson?" said Holmes solemnly as he laid down the paper. What object is served by this circle of misery and violence and fear? It must tend to some end, or else our universe is ruled by chance, which is unthinkable. But what end? There is the great standing perennial problem to which human reason is as far from an answer as ever." - Arthur Conan Doyle, *The Adventure of the Cardboard Box* Sherlock Holmes is up to something. He doesn't believe Inspector Lestrade's story that Miss Susan Cushing is a victim of a prank. She received a parcel with two human ears packed in a coarse salt. And what about the precarious cuts? Or the writing and the spelling

correction from the parcel? Doesn't these clues suggest something more than a prank made by a bunch of medical students? Perfect for fans of Raina Telgemeier, Jennifer Holm, and Victoria Jamieson. Middle school is all about labels. Izzy is the dreamer. There's nothing Izzy loves more than acting in skits and making up funny stories. The downside? She can never quite focus enough to get her schoolwork done. Bri is the brain. But she wants people to see there's more to her than just a report card full of As. At the same time, she wishes her mom would accept her the way she is and stop bugging her to "break out of her shell" and join drama club. The girls' lives converge in unexpected ways on the day of a school talent show, which turns out to be even more dramatic than either Bri or Izzy could have imagined. Plus don't miss Terri Libenson's *Invisible Emmie*, *Just Jaime*, and *Becoming Brianna*!
