Bibliotheca Spenceriana, Or A Descriptive Catalogue of the Books Printed in the Fifteenth Century and of Many Valuable First Editions in the Library of Georg John Earl Spencer... Thomas Frognall Dibdin,1814

Beeston Castle, Cheshire Peter Ellis,2013-01-15 These excavations, the first archaeological examination of the medieval fortress of Beeston Castle, showed conclusively that the site has been used since prehistory. Divided into two parts, the report first describes the site's occupation from the Mesolithic period to the thirteenth century. Discussions of the Late Bronze Age metalworking and pre-Iron Age crop-processing are supplemented by detailed descriptions of the flint, pottery and jewellery. The construction of the medieval castle in the fourteenth century opens the second part of the report, with a discussion of the historical and documentary background and the architectural evidence, supplemented with extensive discussions of the coins, pottery and glass. From the mid-fourteenth century the castle fell into disuse and was negelected until the Civil War, when it changed hands twice between the Royalists and Parliamentarians. The subsequent demolition of the castle sealed a large group of Civil War finds, among them fragments of a jack of plate armour, a collection of spurs, and a major group of clay pipes. Later in the seventeenth century the Outer Gateway was reoccupied for a short period. Many traces were recorded of the nineteenth-century fair held annually on the hilltop.

Loved P. C. Cast,Kristin Cast,2017-07-11 It's Zoey's eighteenth birthmas and the Nerd Herd has been scattered across the country busily adulting for almost a year when Stark calls them back to Tulsa to surprise Z. But all is not well in T-Town. Strange, dark signs are appearing—could it be possible Neferet is stirring? Not willing to chance disaster striking again, Zoey calls on her newly reunited friends to circle with her and add a layer of protection over Neferet's grotto jail. Easy-peasy, right? Wrong. Nothing at the House of Night is ever as it seems. With rabid red vampyres closing in, Zoey and the Nerd Herd must come together again and battle evil. But a year is a long time. Have these old friends grown too far apart? When the world fractures and allies become enemies, will darkness devour friendships or will light save those she's loved? "The House of Night series is back and better than ever! The Nerd Herd is together again, and drama, thrills, and chills follow...A welcome return to this beloved universe."—RT Book Reviews (412 stars, Top Pick!)
