**Minecraft Boy Books** Billy Miner, 2016-01-21 4 Minecraft Books in 1. Story 1: Oliver is a nerd, and he is curious by nature. Perhaps this is why he has studied so much. But his curiosity takes a toll on him when he combines the four elements and adds a little substance to it called zin. Each element turns into a different enemy, which Oliver has to outsmart or outrun. It's only a matter of time before he realizes that he should have let it go. Story 2: In this diary of a Minecraft guy, you'll find an adventure that starts with a murder scene, unfolds into a mysterious search, and ends with the defeat of evil. Bart is an average citizen of his little town, but when his name appears on a creepy wall with previous victims, he knows he has to do something or he will be next. His dog, Bruno, and he pursue a suspect and are shocked at what they find. Story 3: In this Minecraft world, Josh and Kimberley meet. They become best friends, and they work well together, but when one of them gets a crush on the other, their friendship is in danger. Can they continue to be friends without having feelings for each other? As time elapses, they have fun together, talk together, and share time in a school project, but when zombies attack the village, their faithful friendship is severely tested. Story 4: The fun story of the Minecraft boys, Steve and Steff, includes soccer games, mooshrooms, and chess matches. They do all these things together, but because their personalities differ, they both have a different view of what happened. One is happy, the other sad; the one having a blast, the other bored. It goes on and on like this, but they learn to deal with each other in the right way. Read it on your PC, Mac, Tablet Or Smartphone! I'm just your average zombie 7th grader with creaky bones. I don't know why they creak they just do. But this spring the weirdest thing happened to me, first I meet a blonde girl who I can't seem to talk to forcing me to run away. Then the next thing that happens is I get in this fight with this human, Alan, and I never see him again. But as for the girl I could've sworn I saw her in a passing car as I went with my family in July to Zombie World. Yep, it's DisneyWorld for zombies. Fast forward to the end of the summer, in mid-August and they announce on the news that they are going to integrate the schools, all of them. Well, my parents weren't too thrilled by that. Dad feels that humans and zombies shouldn't share the same space and Mom is too shocked by it to know how to feel. But both of them used to be human, so I can't understand what the big fuss is over. They integrate the schools, mine in particular, and luck would have it that I would run into my bully and the blonde girl on the same day. Her name is Amy and I met her in Algebra class, she sat right behind me. As for him, I was trying out for tight end and he was the one I would have to butt heads with. But I got back at him that day and threw a football at his back which made me quarterback in coach's eyes. His name is Alan and he continued to give me hell by teasing me and such, but I had the greatest zombie revenge ever in store for him. A night he'd never forget. Don't have kindle? No worries! **Game on Boys 2** Kate Cullen,2015-07-21 Game on Boys 2 is for kids who love playing computer games and who like reading Wimpy Kid books. Rino James is mad about Minecraft, crazy over Xbox, and obsessed with the PlayStation. There's only one thing in this whole world that could make his life better (apart from sending his annoying sister back to the baby making farm), and it has nothing to do with computer games. But unfortunately, his Mom has a built in message system to detonate disaster every time things are going great for him. In the second of the Game on Boys series, what starts off as an awesome week with plenty of gaming promise, soon turns sour when a new teacher, obsessed with running, replaces Mr Higginbottom, and an All-night gaming marathon party, is replaced with a catastrophic family trip that makes the Wimpy kids 'long haul' look like a limo ride to Disneyland. What happens at the end of the weekend is devastating and miraculous all in one.
