The Bad Boy and The Tomboy K.K.S,2022-04-08 Eric was my nemesis. The school bully had a laser focus on me as his target. As if high school wasn't hard enough. Even worse, he was quite possibly the one person that seemed to know me best. All I wanted was to avoid Eric but he had a knack for showing up whenever I wanted to avoid him most. Then we made that bet... I believed that the only girl dirt biker in the contest, Tomboy, would win this year. But Eric thought otherwise...And he was willing to bet me a week of slavery on it. We'll see who is obeying who by week's end...

**The Bad Boy, the Sissy Maid, Three M Missy**,2012-04-05 was a rich teenager whose parents died in a plane crash and left me and my sister a two million dollar house and 10 million dollars. I then turned three young girls into French maid whores, for financial reasons and or immigration reasons they allowed this to happen. My story includes French maids, anal sex, oral sex, spankings, canings, whippings, strappings, domination and submission, corner time, and a great amount of humiliation, etc. My delight in training and punishing these three young women into submission eventually leads down a path that I wished that I never traveled. Then it was time for me to be punished for all my Bad Boy behavior. Now, I was turned into the French maid, the sissy maid. A continuing series of special, good and bad, characters.

*Foster* Claire Keegan,2022-11-01 An international bestseller and one of The Times' "Top 50 Novels Published in the 21st Century," Claire Keegan's piercing contemporary classic *Foster* is a heartbreaking story of childhood, loss, and love; now released as a standalone book for the first time ever in the US It is a hot summer in rural Ireland. A child is taken by her father to live with relatives on a farm, not knowing when or if she will be brought home again. In the Kinsellas' house, she finds an affection and warmth she has not known and slowly, in their care, begins to blossom. But there is something unspoken in this new household—where everything is so well tended to—and this summer must soon come to an end. Winner of the prestigious Davy Byrnes Award and published in an abridged version in the New Yorker, this internationally bestselling contemporary classic is now available for the first time in the US in a full, standalone edition. A story of astonishing emotional depth, *Foster* showcases Claire Keegan's great talent and secures her reputation as one of our most important storytellers.

*Child's War* Mike Brown,2011-11-08 When the Second World War broke out in September 1939, it came as no surprise to the children of Germany: the Nazis had been preparing them for a war ever since they had come to power in 1933. To British children it was an altogether different matter. Children all over Britain were deeply affected by the war: many were separated from their parents by evacuation or bereavement; all had to 'make do and mend' with clothes and toys; and some even died while contributing to the war effort at home. In this moving and often amusing account, Mike Brown describes what life was like on the Home Front during the war from a child's point of view. His fully illustrated narrative includes details of evacuation, rationing, coping with gas masks and air raids, entertainment and the important - and often dangerous - roles of the Boy Scouts and Girl Guides. This photographic history pays tribute to the generation of girls and boys who grew up under the shadow of the Second World War.
