Where's the Beef D. Brent Simpson, 2013-08-20 In 2 Timothy 3:5 Paul explains that people in the last days will have a form of godliness but deny its power. What does it mean to have a form of godliness, but deny its power? It means we go to church but we are not changed. We worship, but we don't truly experience the presence of God. We pray for miracles, but we don't really have faith that God will answer. We read the Word, but we don't apply it. This passage means we talk about the power of God, but we're not experiencing it! We advertise God is moving, but in actuality, only people are moving. If you're tired of moves of man and ready to experience a move of God in your life, then this is the book for you. In *Where's the Beef?*, Pastor Brent Simpson shares practical principles that will enable you to reclaim the power of God in your life and ministry. The Man's Manifesto Brent Simpson, 2016-04-09 There is a difference between being a male and being a man. While the world is full of males - examples of genuine masculinity are few and far between. It is for this reason that this book was written. John Wayne once said, A man's got to have a code, a creed to live by. This book endeavors to share some of that creed - the DNA of great men. Its expectations are high, and its call is life-changing. To aspire to be a man is to aspire for greatness. It's a life-long quest. This book will teach men how to react during challenging circumstances, how to confront evil with resolve and how to live a life worthy of the high calling of the nobility of genuine manhood. Manliness is far more than the size of your truck tires, biceps, or bank account. Great men are not defined by the weight they can lift, the amount they can drink or the amount of women who chase after them. Manliness is so much more than scaling mountains, killing animals and finishing fights. Manliness is defined by courage, honor, heart and faith. It's an inner strength that doesn't allow you to compromise your convictions, and it holds you together when everyone else is falling apart. Manliness is a beautiful combination of integrity, character, chivalry, and grit. A man will face storms, brave winds and swim upstream. A man is strong enough to fight in wars, gentle enough to cradle his newborn baby, and wise enough to both recognize and control the plethora of emotions that live in

between these extremes. In the pages of this book you will be inspired by stories, quotes and thoughts on manhood from some of the great men who have come before you. Learn from their example, and you too will become a great man. While this book will inspire all men, it is especially geared toward young men wanting to learn what it means to be great men. With over 40 pictures, quotes and axioms from great men, this book will keep the interest of men of all ages. The 10 chapters include thoughts, stories and quotes on: grit, taking responsibility for yourself, honoring others, serving, integrity, confronting evil, honoring God, standing for truth, protecting the weaker, and using words wisely. The book also includes the Man's Manifesto Charge and a special message to dads. . WHAT OTHERS ARE SAYING I strongly recommend THE MAN'S MANIFESTO to all fathers who want to help a son reach his potential. - Bob Rhoden, author FOUR FACES OF A LEADER The Man's Manifesto a resource that not only gives manhood a definition, but models it through real life examples. - John Hensel, Men's Director for the Peninsular Florida District Council of the Assemblies of God Brent Simpson has penned a powerful message to men coming of age to let them know what they will need to do to become great men. - Dr. Alan Ehler, Dean, College of Christian Ministry and Religion, Southeastern University I highly recommend this book to men, for it is my conviction that if they will take the powerful truths contained in this book and make them a part of their daily lives, they will truly become Men of God! - W. Gene Petty, former Superintendent of the Northern New England

District of the Assemblies of God This book will leave a lasting legacy to all who read it, young or old. I enthusiastically recommend The Man's Manifesto. - David Garcia, Lead Pastor, Grace World Outreach Church This book is destined to be a classic that will be passed down from generation to generation! - Pat Schatzline, Evangelist & author, Remnant Ministries International I believe every father should read this book alongside his son. - Allen Griffin, Evangelist, AG Ministries.

Wrestling with Angels Clifton Snider, 2001-11-30 What happens when two gay brothers become friends and then one of them disappears? This question and its answer are threads that run throughout the story of Darren and Brandon Taylor, a story about competition and reconciliation, guilt and redemption, spiritual loss and gain. Growing up in the 1950s and 1960s, Darren and Brandon are the oldest of five sons of an Assembly of God minister. Five years older than Brandon, Darren is the rebel of the brothers, and throughout their lives they compete with each other on various levels. Brandon is the model preacher's kid until he goes away to college. There Brandon does everything Darren did at fifteen and then some. Before the school year is over, Brandon is arrested at a gay bar for a false I.D., and his parents discover he is gay. Brandon moves home. Meanwhile Darren has married a church woman and set out on his goal of becoming wealthy through real estate. His marriage is short and unhappy, and not long after its breakup, Darren himself starts having sex with other men. Despite a six-year relationship with a male

lover, Darren hides his sexual orientation. After going away to graduate school in New Mexico in the early 1970s, Brandon moves back to California, lives briefly with Darren and his lover, teaches at local colleges, and works on his painting and drawing, continuing his longstanding pattern of heavy drinking. When Darren's relationship ends, he moves in with Brandon for eleven months. Then Darren buys yet another house, lives in it alone, and soon disappears. Darren's disappearance stuns the family, especially since it apparently results from foul play. When Darren's stripped car is discovered, the evidence of foul play is inescapable. Brandon does what he can to find Darren, including posting fliers at bars Darren frequented, among them the Hollywood leather bars, and placing an article in a gay magazine. Brandon decides he must tell the police Darren was gay, but instead of helping the investigation as Brandon had hoped, the police become even more indifferent. The elder Taylors find out about Darren too, and they tell Brandon a local TV station backed off from covering Darren's disappearance after it discovered Darren was gay. Bitter, angry, and grief-stricken, Brandon tries to cope through his art and his drinking. Although he meets Cary, his first lover in five years, Brandon's drinking gets worse. Eventually, he stops drinking, breaks up with Cary, and begins a new life.

God Divided? You Can't. Henry Aikondion Idonije, 2012-08 Arius and Athanasius began the doctrine of Trinity in 300 AD, but the Pope, Bishops and Church dignitaries settled it in 451 AD and the Trinitarian Doctrine was

etched in stones. The OT prophets, the scribes and teachers had the foundational truth of One God and all their messages were from Yahweh, the One God of Israel. Christ maintained that He was sent from the One God and did His will by His spirit upon Him. Apart from the spirit of God, Jesus did nothing. (Jn.5:30) The Apostles received of the same spirit of God that was on Christ and they too adhered to the One God. The Father sent His Son by His spirit and the Son, the Apostles and us by the same spirit of God. Trinity is a blasphemy of God. Right from the moment I could talk and reason, I knew that my life has a purpose. When I became a minister, I began an association with God and I came to realize that He is One and not three. There are few people who took a stand against the doctrine of Trinity and I have answered the call of their hearts by writing this book. The scripture stands alone and this book agrees with it. I have joined my voice in saying that the Lord our God is One God and in Him there is no splits or division. I say with Christ, the Prophets, the Apostles, the godly Church Fathers who were martyred on account of this and who loved the Lord: Hear, O Israel: The Lord our God is One Lord. The Law and the Prophets spoke in one voice, the salutations of the Authors of the Epistles spoke in one voice and all the OT & NT saints agreed with them that the spirit of God is God Himself according to 1Cor.2:11.

The Voice of God Project C. Brandon Wagoner, 2017-08-13 I had no idea what kind of year 2016 was going to be. Tragedies were rampant, violence was prevalent, division and hatred seemed to be at a level I had not experienced

in my lifetime. At the outset, I was hoping that a spiritual journey would help me learn more about God's spirit and the world He created, but every day the world seemed to throw questions at me faster than I could find answers. And as the year progressed, the bulk of my writing centered less around the works I was reading and more around current events. I began to consistently ask myself how a Christ Follower is supposed to live in today's culture. How do we accurately show our faith? When the world seems to be two sides fighting against each other all the time, where do we fit? When there is no clear right or wrong sometimes, how do we respond? Avoidance? Engagement? To what level? This book is a peek into my mind as I've wrestled with these questions. I started this journey out with the fruit of the Spirit as my lens into God's character, and I shouldn't have been surprised to find that it was precisely those nine traits that helped me to see the key to relevancy of faith in the twenty-first century. - Charles Brandon Wagoner

Treasures in the Darkness L. Lawrence Brandon, 2013 The strongest believer's faith can be shaken when faced with tragedy or even disappointment. Bishop Larry Brandon faced this himself when his oldest son, Brandon, was killed. Here he shares his own struggle, pain, and eventual victory in Christ. While it appeared to the world that he was doing well, inside his heart and faith were broken. Only someone who has faced the subtle crumbling and nagging doubts can speak with authority to the pain that readers face in such dark times. *Treasures in the Darkness* also turns to the scripture to show how

people like Abram, Sarai, David and others who loved.

Searching for Brandon Bason Lance Mosher,2020-08 Ever since his mother's death, Brandon has been stuck in the shadow of his abusive stepfather. It's 1999, and Brandon and his friends are about to graduate high school. Soon after a deadly tragedy strikes again, a stranger delivers an old cigar box that offers clues to Brandon's real father, whom he never knew. With nothing more to guide them than a well-loved road trip map to the Grand Canyon and an old, tattered Bible that might guide Brandon to the family he never knew he had, Brandon and his friend leave their lives behind and take off for the journey of a lifetime. After a mishap along the way, they are helped by a good Samaritan with whom they form an unlikely friendship. As their adventure unfolds, the trio deepen their friendship, as well as explore the hardest questions in life: Who am I? Where am I going? Why doesn't God stop the suffering? Just when things are looking up, Brandon discovers that the past-and quite possibly the authorities-are much harder to run from than he thought. Join Brandon on his raw, yet touching coming-of-age journey of healing, friendship, and faith. Sure to keep you turning the pages, it speaks to Christian evidences, the problem of suffering, the person of Jesus, the reality of sin, and the coming judgment. How far would you go to learn who you

are?

Warnings to the Seven Churches Tina Blount, 2012 The Church is being invaded by spiritual parasites that are causing weakness, paralysis, blindness, and ineffectiveness in the Body of Christ today. Using the seven churches of the Book of Revelation as the backdrop for her teaching on this vital subject, Tina Blount speaks directly and convincingly about: The parasite of busyness The parasite of fear The parasite of compromise The parasite of tolerance The parasite of blind hypocrisy The parasite of inferiority The parasite of complacency The author writes, Shortly after major surgery, I learned that a rare parasite had been found in my body, I later learned that if the parasite had lived, it would have traveled to my eyes, spiritual parasites do the same thing. They enter during moments of vulnerability or weakness, and, left unaddressed, they will feed on the host until they render it useless or destroy it. This analogy is effective in that it not only warns us but it shows us how to deal with the problem through effective spiritual warfare. Let's heed the warning and protect the Church of Jesus Christ, our own lives, and our families through the strategies outlined in this eyeopening, helpful book.

A Man of God Brandon M Palmer, 2019-04-24 God created man in His image and with a purpose. Because we were created in the image of God, our life comes with expectations. How we live our life reflects on our heavenly Father. The Bible provides us with the perfect model of how to live. Using the principles

and the example set forth by God, we can become great men! More importantly, we can become the men that God preordained us to be. God put us into this world, made us who we are, because there is a specific purpose for us. Just as our physical bodies have many parts, each different, and each having its own purpose, so does the Church. The world needs the Church in its full capacity and thus needs you in your full capacity. There may just be someone out there that is relying on you to be who you were called to be. Be a man of God!

Your Life Is an Epic Story (Your Personal Biography) Brent Simpson, 2016-02-25 Your Life Is An Epic Story is meant to be a gift book that inspires the recipient to live an extraordinary life by challenging them to write their personal biography one day at a time. This book will remind you to live intentionally, which is the key to experiencing a remarkable life that inspires others. Epic stories inspire us toward greatness. They cause our minds to expand and move us beyond the limitations of our own thoughts. They challenge us to dream bigger, fight harder, and make the most of the life we've been given. Epic stories remind us that we are not alone. The trials we face in life are common to all people, and they give us hope that we can prevail amidst adversity. If they persevered under conflict, and were able to conquer the opposition, then so can we. Yet, this Epic story does not involve a valiant knight in shining armor, a journey taken through a magical land, or a struggle to save the galaxy from destruction. This Epic story is

your story. It's the story you write every day. It's the account of your high and lows, successes and failures, championships and heartaches. This story is your legacy. This book is a call for you to add pen to paper and inspire us with your life as you inspire us with your words. Be AWARE: This book only has 2 written pages. The remaining 198 pages are blank and expected to be written by the recipient. This is the book you write.

The Place of Power Brandon J. Cook,Pstr Brandon J Cook,2016-03-30 In God we can do all things through Christ and we are more than conquerors, don't we owe it to the weak, the blind, the sick, and the dead which could be risen to walk in the power God has called for us to walk in? Can you imagine what kind of world we would live in, if the people of God, if those who say they are Christians actually became what the word of God says we are? This book is Christian life coaching about the power of God, God's purpose for your life, God's will for you, God's plan for me and you from the word of God.

The New Canadian Pentecostals Adam Stewart, 2015-09-30 The New Canadian Pentecostals takes readers into the everyday religious lives of the members of three Pentecostal congregations located in the Region of Waterloo, Ontario, Canada. Using the rich qualitative and quantitative data gathered through participant observation, personal interviews, and surveys conducted within these congregations, Adam Stewart provides the first book-length study focusing on the specific characteristics of Canadian Pentecostal identity, belief, and practice. Stewart asserts that Pentecostalism remains an important tradition in the Canadian religious landscape—contrary to the assumptions of many Canadian sociologists and scholars of religion. Recent decreases in Canadian Pentecostal affiliation recorded by Statistics Canada are not the result of Pentecostals abandoning their congregations; rather, they are indicative of a radical transformation from traditionally Pentecostal to generically evangelical modes of religious identity, belief, and practice that are changing the ways that Pentecostals understand and explain their religious identities. The case study presented in this book suggests that a new breed of Canadian Pentecostals are emerging for whom traditional definitions and expressions of Pentecostalism are much less important than religious autonomy and individualism.

Brandon Assembly Of God Introduction

In today's digital age, the availability of Brandon Assembly Of God books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of

knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Brandon Assembly Of God books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Brandon Assembly Of God books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes.

By accessing Brandon Assembly Of God versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Brandon Assembly Of God books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether

you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by

the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Brandon Assembly Of God books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the

public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Brandon Assembly Of God books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books,

including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some

notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Brandon Assembly Of God books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast

library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Brandon Assembly Of God books and manuals for

download and embark on your journey of knowledge?
